BASEBALL FANS TO WELCOME BAMBINO BOY AGAIN TODAY

NEW YORK, May 19.—Baseball fans all over the city—perhaps all over the country—were 'king tonight about the scheduled return of Babe Ruth from exile to the Polo grounds tomorrow.

All reserved seats for the game have been sold and some bleacher bugs are likely to line up outside the gates before dawn as they do for the world's series.

Must Ask Landis

There's one little formality that must be carried out over night, since the Babe's suspension is not automatically lifted tomorrow. His bosses must send a polite telegram to Commissioner Landis inquiring if it will be all right for their favorite to go back to work. A reply must come from the commissioner before Babe can take his place in the lineup.

The sight of him swinging his basting bat that garnered 55 home runs last year, is just one of three extraordinary attractions that tomorrow's battle between

the Yankees and the St. Louis Browns had to offer. Two other home-run swatters make their 1922 bow to New York fans.

Williams Also There

One is Kenneth Williams, who is doing about as well in the four base hit production line as the Babe was a year ago. Already, he has got 11 of them to his credit. This time last season the Babe had only 12 home runs.

Williams is reported to have said that he is not straining to top the Bambino's record and that he'd just as soon place a short drive where there's nobody to catch it, as always be swinging for a home run or nothing.

The third debut tomorrow will be that of Bob Meusel, banished from the team with Ruth for the 26 days of the season because they went barnstorming last fall after Commissioner Landis told them not to. Meusel knows a thing or two about hitting a homer. Last year he got 24 home runs.

IDAHO BEATEN BY BEARCATS

Moodhe and Doney Superior in Tennis to Muscovite Racquet Wielders

Willamette made it five straight series, against five separate colleges and universities Thursday when they beat the University of Idaho in tennis in three straight contests at Moscow, the Idaho home town.

It was a two-man team that went from here, Noble Moodhe and Hugh Doney. Each player won his match against the best men the Idaho school could produce; and then the two, playing as a team, defeated the crack Idaho pair. Every match was won in straight sets, the Idaho players never winning a set. The invaders couldn't have made it more decisive against wooden or iron men, though they'd have made it a little quicker, perhaps.

Friday, the two Bearcats were to meet Washington State, at Pullman for a second series. They recently beat the Washingtonians when they invaded Oregon, winning so handily that there is little reason to fear a different result on this second meeting.

Saturday afternoon they play the Spokane Athletic club at Spokane. This is a non-conference event that brings only the satisfaction of beating somebody. The Bearcat tennis team hasn't needed to hunt up opponents to beat this year—it has been easy and sure to take 'em all in order, and now 'em down scot-free. They have had some great players in Spokane, however. It is likely to be a harder game than either of the northern colleges.

SALEM HI WINS FROM MT. ANGEL

Score is 11 to 9 on College Diamond—Victory Considered Notable

Salem high school nine yesterday took Mount Angel college into camp to the tune of 11 to 9 on the latter's diamond. The defeat of Mount Angel is a distinction, for they lay claim to having defeated Multnomah club of Portland by a score of 6 to 5, as well as Albany college by a larger score.

Both teams secured eight hits and both teams made a home run when they had two men on bases. Lynn Jones made the home run for Salem and Connor for Mount Angel.

On Saturday the team will leave on a week-end trip, playing Rainier high school on Friday and Columbia university of Portland on Saturday.

The lineup for yesterday's game follows: Salem—Brown, ss; Reinhart, cf; Purvine, rf; Adolph, lb; Jones, c; Moorman, lf; Thompson, 2b; Moon, 3b; and Harold Moon, p. Mt. Angel—Carson, lf; Pickett, 3b; Hecker, ss; Connor, lb; Green, rf; Hudson, c; Smith, 2b; Koppert, p; and T. Pillott, cf.
