### \$10,000 BOND IS PUT UPON FILM PLAYER

Portrayer of Romantic Parts in Motion Pictures Under Formal Charge of Bigamy at Los Angeles.

**ACTOR HAS TROUBLE ESCAPING REPORTERS**

June Mathis, Thomas Meighan, George Meiford Are His Bondsmen

LOS ANGELES, May 20.—Rodolpho Valentino, portrayer of romantic parts in motion pictures, was under \$10,000 bonds tonight on a charge of bigamy filed by the Los Angeles county district attorney's office.

Following his arrest arraignment in the court of a justice of the peace, Valentino made a statement that his marriage to Miss Winifred Hudnut, at Mexicali, Lower California, a week ago today, "was prompted by the noblest intention that a man could have." He said he had been advised that a marriage on Mexican soil would be valid, notwithstanding the fact that a year had not elapsed since the time his first wife, Miss Jean Acker, was granted an interlocutory decree of divorce in a Los Angeles court.

**Prosecution Possible**

The complaint was issued by Deputy District Attorney Tom McClelland upon the receipt of a report of investigators who had inspected the record of the marriage at Mexicali and had located witnesses who were prepared to testify that Valentino and his bride had passed last Tuesday at Palm Springs, a resort in a oasis in a desert section of Riverside county, Cal. These circumstances, according to Mr. McClelland made a prosecution for bigamy possible under the California penal code.

A warrant issued by Justice of the Peace Vincent R. Bowser was served upon Valentino in the office of District Attorney Thomas Lee Woolwine. The defendant was escorted to Justice Bowser's court by attaches of the district attorney's office. His attorney, W. I. Gilbert, announced he would plead not guilty.

**Refuses to Talk**

There was a delay of more than an hour while bondsmen were secured, during which time Valentino was technically in the custody of a deputy sheriff. The

Bonds to the value of \$25,000 for sewer extensions were approved by a vote of 1963 to 1574.

### POLICE MEASURE IS VOTED DOWN BY ELECTORATE

**Giesy Has Substantial Lead Over Vandevort for Mayor. But Both Are Nominated for Regular Election in November—Moffitt and Birtchett for Chief and Poulson and Frazier for Recorder Must Fight it Out at Polls—Sweeper Bill Killed, but Bonding Measures Carry**

Complete returns from all Salem precincts show that the voters were in many instances about equally divided in balloting for special measures and city officials.

John B. Giesy is leader in the mayoralty contest, receiving 1542 votes. Henry Vandevort is second with 1153 votes; W. T. Rigdon third with 871 and Dr. F. L. Uter fourth with 734 votes. Vandevort and Giesy will be contenders at the general election in November, Giesy not receiving a majority.

Marten Poulson, present deputy recorder, was given a nice plurality over other contenders to succeed City Recorder Earl Race. Poulson received 1530 votes while P. L. Frazier was second best with 1323 votes and Charles Elgin received 1193.

City Marshal Verden M. Moffitt was given 1607 ballots in the chief of police contest while W. W. Birtchett comes in with 1331. John T. Welsh was accorded 1148 votes. K. J. "Honest John" Nelson was No. 4 with 167.

Two of the measures were killed by the balloting populace. The proposal to purchase a pick-up sweeper was defeated 1728 to 1852.

Future mayors and councilmen of this city will not have a voice in the appointment of city marshal. By a ballot of 1966 against by 1762 for, the citizens decided to retain control of this office.

Purchase of fire equipment to the value of \$13,500 was approved, the tally being 2109 for and

### Burch Jury Fails to Agree, is Locked Up

LOS ANGELES, May 20.—The jury in the trial of Arthur C. Burch for the murder of J. Belmont Kennedy, has failed to reach a verdict at 6:50 o'clock tonight and was ordered locked up until 10 a. m. tomorrow by Judge Sidney N. Reeve.

### Stanford Student Dies When Two Cars Collide

PALO ALTO, Cal., May 20.—R. S. Moore, a student at Stanford university registered from Jerome, Idaho, was killed on the Stanford campus last night when an automobile he was driving was struck by another car driven by Arthur Goby, a fellow student.

Goby tried to avoid striking Moore's machine but his auto skidded on the wet pavement, striking the other car and overturning it. Moore's skull was fractured.

### PREDICTION IS THAT OFFICIAL COUNT WILL BE NECESSARY TO DECIDE BETWEEN OLCOTT, HALL

He is said to be the first freshman ever to win this oratorical honor in the Oregon university.

#### RIDDELL WINS POLK OFFICE

Ellis, Stewart and Graves Are Left in Rear by Monmouth Man

DALLAS, Ore., May 20.—(Special to The Statesman)—With all of the returns in from 34 precincts of Polk county the vote given Ralph E. Williams for national committeeman was more than double the number given his opponent, Fithian. The total unofficial vote cast in Polk county is as follows:

At 1 o'clock this morning Portland newspapers were claiming a lead of 1000 votes for Governor Olcott while Hall's headquarters was claiming a lead of 1971, according to information by telephone from Hall's quarters.

PORTLAND, Or., May 20.—Returns compiled up to a late hour tonight left the Republican nomination for governor almost a tie, Charles Hall leading Ben W. Olcott by only nine votes.

The total state vote so far compiled gave: Olcott 41,427; Hall 41,436.

The missing precincts were largely in eastern Oregon counties and those counties were generally going for Olcott. It is probable that only the official count will finally decide the issue between the two candidates.

The figures which make up these totals are complete for Clackamas, Columbia, Hood River, Josephine, Linn, Wasco, Washington, Yamhill, and official from Sherman. From numerous other counties in western Oregon only a few scattering precincts are yet to report.

Political observers are waiting for the smoke of battle to clear away to determine the results of the final hot week of the primary campaign which was featured by Governor Olcott's acrimonious attack upon the Ku Klux Klan and the widespread though silent movement on the part of Klan sympathizers in support of Hall.

Williams is Elected

Other candidates for the Republican nomination for governor stood on the tabulation table today: Louis E. Bean 2,358; J. D. Lee 1,911; Adjutant General George A. White 7,350.

For the Democratic nomination for governor Walter M. Pierce had a substantial lead on available returns, his total being 5,234 compared with the others in the field; Harvey G. Starkweather 3,408, Will E. Purdy 141, Webster Holmes 178.

For Republican state committeeman Ralph E. Williams, incumbent appeared elected with 40,495 votes against 33,236 for O. H. Fithian.

For the Democratic state chairmanship, Will R. King had 4198 on the latest tabulation today and J. W. Morfow 3,190.

Hoff Wins Easily

O. P. Hoff, state treasurer, had 42,687 for renomination against 37,994 for Thomas F. Ryan, the other Republican candidate. There was no Democratic candidate for this office.

An upstate gain for C. H. Gram, state labor commissioner, put him in the lead with 38,095 over W. A. Dalziel, who had 37,392 by the latest compilation today.

There is no Democratic candidate for this office.

J. R. Thiehoff led with 30,933 for this state public service commissioner on the regular ballot. Thomas G. Campbell had 28,994 and F. B. Layman 13,711.

Commissioners Recalled

For the recall of Fred Williams of the state public service commission the vote was 43,225 yes, and 23,721 no. On the vote to fill the place the vote was T. M. Kerrigan 29,603, Williams 19,036.

For the recall of Public Ser-

vice commissioner Fred G. Buchtel the vote was 39,508 yes, and 21,556 no. To fill the position the vote was Buchtel 16,347, Newton McCoy 17,885, Edward Ostrander 9,902. Buchtel led upstate on this part of the ticket, and had not his lead been overcome by McCoy's majority in Multnomah county would have been in the position of leading for the office from which he was recalled.

Congressmen All Returned

In the first congressional district N. J. Sinner, incumbent had 15,489 on latest returns today; A. W. Norblad 10,112 and Earl E. Fisher 5,279. There is no Democratic candidate in this district.

In the second congressional district N. J. Sinner, incumbent had 6,500 and James H. Gwin 1,328. James Harvey Graham, of Baker is the unopposed candidate for the Democratic nomination in this district.

The third congressional district gave C. N. McArthur, incumbent 15,506, Franklin F. Koroll 14,467, Maurice Crumacker, 10,647 Stanfield McDonald 2,275.

Federation is Strong

Republican candidates on the state ticket who were given credit in general discussion with having the endorsement of the Federated Patriotic societies included Hall for governor and Hoff for treasurer. In the congressional nomination contests, Koroll was their choice in the third (Portland) district and Gwin in the second district. Both of these candidates appeared tonight to have failed of nomination. Success of candidates reputed to bear the endorsement of the Federated Patriotic societies was more general on the Multnomah county local ticket than anywhere else. Here these candidates made practically a clean sweep of the nominations for which they contested.
