OFFICIALS SELECTED FOR AUTO RACES AT STATE FAIR GROUNDS

When the fastest racing cars and dealers' stock cars line up on the track at the state fair grounds at Salem on Saturday afternoon, June 3, for the first automobile races of this season in Oregon a capable set of officials, including a number of old time drivers of this section and others who have been leaders in the racing sport for years, will be in charge of the events. This was assured yesterday when the Oregon Auto Racing association, in charge of the event, completed the list of officials for the race and announced their selection.

Included in the list will be old-time racers, former owners of race cars and ardent race fans—men who have watched the racing game in Oregon from the days when one-lung cars whizzed over the dusty roads in the vicinity of Portland in thrilling road races, while the inhabitants stood agape. While most of the officials are from Portland, Salem will also be well represented.

Here is the list:
Dundee Is Referee
 Referee—Fred Dundee, machine shop and auto repair man of Portland. Dundee, one of Portland's best known race fans, was himself at the wheel of a racing car for a considerable period in the early days, driving for the old White steamer organization in road races throughout the country. In this capacity he hung up many a road record of mighty good character for the time.

Starter—L. Therkelsen, sales manager of the Braly Auto company, Portland. Therkelsen also has had his finger at auto racing, having been one of the most popular of the amateur drivers in the days when speed battles over the Main Line road and other roads in the vicinity of Portland were the height of interest.

Hofer to be Timer
 Timers—Hal De Walde and Ben Trekmann of Portland and Larry Hofer of Salem. All three men are well known race fans, and De Walde is a builder of sport and race car bodies. Several of the cars entered in the professional events will have bodies from his shop. Hofer is known as one of the best known race fans of Salem, and is the owner of at least one race car, which he may enter if he secures a suitable driver.

Chairman technical committee
 Vic Uden, head of the Factory Motor Car company, Portland. In this capacity, Mr. Uden will have charge of the work of inspecting all the cars and seeing that they are up to the specifications demanded for the races in which they are entered. Other automobile men will be named to aid Uden in this work.

Jim Linn Selected
 Judge—For this important position James Linn of Salem, head of the state fair board, is the choice, although as yet Mr. Linn has not signified whether he will accept. Those in charge of the race are anxious for him to do so, however, as he is known as an enthusiastic race fan and a capable official, dating his experience back to the old horse racing days. Arrangements are already being made to put the track in good shape, and those in charge have announced that not a stone will be left unturned to keep down the dust during the races. A caretaker has already been employed and has begun the work of putting the course in tip-top shape. Not only will the track be well watered down before the races, but it will be cared for between events, it is declared.

RUTH FAILS TO LAND ON BALL

Great Crowd That Goes to See Wonder in Action is Disappointed

NEW YORK, May 20.—(American)—A capacity crowd came out to see George H. "Babe" Ruth and Bob Meusel, American league sluggers, in action, first time in 1922 and stayed to see the New York Yankees lose one of the freakiest games in years.

The Yankees led by a score of 2 to 1 in the ninth inning and Jones retired the first two men up, but before New York could put over the last putout St. Louis had scored seven runs and won the game 8 to 2.

Ruth failed to hit safely, striking out once, going out on two pop flies and grounding to Sisler. R. H. E. St. Louis 8 13 1 New York 2 3 1 Shocker, Bayne and Severeid; Jones and Schang.

Washington 4, Chicago 3
 WASHINGTON, May 20.—(American)—Fred Schupp, recently purchased from Kansas City by the Chicago Americans failed in his initial effort at a big league "comeback," the White Sox losing today to Washington in the opening game of their series, 4 to 3.

Cleveland 5, Boston 2
 BOSTON, May 20.—(American)—Speaker's home run into the right field bleachers with the bases filled in the fifth inning gave Cleveland a 5 to 2 victory over Boston today.

Philadelphia 6, Detroit 1
 PHILADELPHIA, May 20.—(American)—Young's triple, Perkins' double, Bing Miller's homer and two passes gave Philadelphia a six to one victory over Detroit today in the first game of the series for third place.

San Francisco 5, Boston 3
 SAN FRANCISCO, May 20.—(National)—Pittsburgh won from New York today 10 to 7 in a hard-hitting contest. The Pirates broke a tie score in the eighth inning when Bigbee pounded out his second three-base hit with the bases filled.

Chicago 5, Boston 3
 CHICAGO, May 20.—(National)—Chicago hunched hits today after Boston had taken a three-run lead, a result of Kelleher's error, two walks and Hole's double, and won the final game of the series 5 to 3.
