EAGLES LOSERS TO YANKEE NINE

Team That Usually Wins Has Hard Luck and Tries To Hit Everything

The Eagles yesterday lost their first game in the Junior Twilight series when they were inflicted with a 9 to 2 defeat by the Yankees. The Eagles had the fans, couldn't find the ball, and were striking wild at everything that didn't cross the plate.

Although the Yankee pitcher was wild, it didn't help the Eagles in getting walks. It seems that they preferred to strike out. Brock of the Eagles, eked the only hit for the Eagles. One of the Yankees, Barges, made two 2-baggers, Irons, a 3-base hit and Craven a 2-base hit.

| Angels | 2 | 2 | .500 |
| All Stars | 1 | 3 | .250 |
| Giants | 0 | 3 | .000 |

CORVALLIS WINS IN ALBANY MEET

Salem in Third Place Because of Misunderstanding About Program

Corvallis won the Willamette valley interscholastic championship at the Albany meet Saturday with 60 points, or almost one-half the total awards for the six-school meet. Lebanon took second place, with 30 1-2 points; Salem third, with 14; Eugene fourth, with 2 1-2; Albany had 7, Carlton 4, and McMinnville 4 1-2.

Salem was peculiarly unfortunate because of the announcement that the preliminaries or eliminations would be held in the forenoon, so the team took the leisurely way down for the afternoon meet, and found the bars closed for eight of the events in which they had especially good chance to place.

They were allowed to enter only in the events in which no qualifying heats were called, four in number, and had to sit around watching other teams run away with perfectly good points that they might have taken for themselves.

At that, Salem did well. Lennon was second in the mile run, inches behind the winner in the fast time of 4:42. A little better judgment of pace should have given him the race in time better than most college meets. He took second in the half mile run in 2:08. Draper took second in the quarter in 53:4 seconds. Salem won the first place in the mile relay, though the win was really a fluke in that Corvallis and Lebanon, both of which had led them in by a few feet, were disqualified for running outside their own lanes and consequent interference.

Salem won a second or first in every event in which the Salem boys were allowed to enter, but lost every chance in the other eight events. The local performers were Lennon, Liljegren, Draper, Stolheise, Wyman, H. Post, L. Post, Hammond, Socolofsky.

Willamette Tennis Team Beating All on Itinerary

One of the funniest of the H. C. Witwer stories was that of the dainty little lady who married the champ of the world, and then thought he won 'em so easily that he ought to clean up a new boob every day for about 30,000 iron fish. Three hundred and sixty-five days a year at 30,000 a day ought to make enough money to take care of her and the children quite adequately if he never got sick or old or missed a train.

The Willamette tennis team has been mowing 'em down at that rate, though being amateurs they haven't been making it quite so profitable. But it has been dead sure. The word comes that in their northwestern trip, after cleaning up the Idaho State university champs in straight sets, Thursday, they took on the Washington State college lads on Friday, and trimmed them also, two matches out of three. Doney drew a tartar in the singles, and dropped one match; but Moodhe won his assignment, and then the pair of them swamped the best two that the big college could produce.

They were to play Spokane Amateur Athletic club Saturday and return home Sunday night or Monday.

Salem Plays Volleyball But Doesn't Talk of it

Salem volleyball players are loud in their praise of the hospitality of the Portland Y. M. C. A., after their visit to the Rose City on Saturday. They enjoyed the scenery along the road, going and coming; they revelled in the dinner; they met a splendid lot of good fellows from almost all over the northwest; they stood around in rows and watched the election returns come and explode in the midst of the crowd like firecrackers.

They sighed the sigh of utter content at the delightful hot baths. They enjoyed the big steamships in the river, and the skipping squirrels along the road. They returned to say all manner of good things about the world in general as they observed it from the car windows.

But they do not talk about volleyball. They lost, though there was one other team still lower in the cellar, and that helps some.

FURTHER REDUCTIONS
In Daily and Week-End Round Trip Fares to Portland by The Oregon Electric Ry.
From May 26 to September 30, fares on the Oregon Electric Railway from Salem to Portland and return will be in effect as shown below:
\$2.45—Tickets on sale daily, return limit October 31, with stop-overs allowed at any point in either direction.
\$2.05—Week-end, tickets on sale Friday Saturday and Sunday, return limit Tuesday following. No stop-overs.
\$3.05—Week-end, tickets on sale Friday and Saturday, return limit 15 days from date of sale. No stop-overs.
Round trip tickets at reduced fares to all other points on O. E. Ry., on sale daily, return limit elbheh day.
Details supplied on application.
—J. W. RITCHIE, Agent; O. E. Ry.
Adv.—Matty—What are you reading, Charlie?
Charlie—It's a book called "Child Training," that I borrowed.
Matty—Do you find it amusing?
Charlie—I'm not reading it for that—I merely wanted to see if it

MILL CITY WINS MEET

Stayton Wins High School Baseball Title and Liberty for Grades

The big Marion county school track and field meet, staged by the Principals' association of the county, was held Saturday at the Willamette university grounds.

Two separate series of events were carried on—for the grade schools and for the high schools.

Stayton, however, entered in only one or two of the track or field events, having brought its men mostly for the baseball series.

In the first, Mill City won with 5 1/2 points; Meham was second with 3 1/2; Marion third with 26, and Stayton had 12.

Mill City also cleaned up in the high school events, with 49 points. Silverton followed with 32, Woodburn with 31, Turner 9, and Stayton with 5.

Stayton Wins Baseball and the Stayton team won the championship.

The Liberty grade schools team won the junior championship, the prize being a handsome silver loving cup, in two hard fought battles with Marion and Brooks.

Fred Olin of Mill City was high point man in the high school class, with 19 1/2 points. Egan of Silverton was second, with 14, and Hoblitz, also of Silverton, third with 12 points. Carter and Podradsky of Mill City with 29 and 22 points, came near taking the whole junior meet, though Blaco of Marion and Wilkinson of Meham stood 17 each.

Some good records were made. Owen of Mill city put the 12-pound shot 40 feet, 8 inches; Egan of Silverton did the 220-yards in 25.6 seconds. In the mile relay, won by Silverton, with Stayton second, the last heat was a hair-raising contest in which Mielke of Stayton, setting off to a bad start through the failure of his team mates, cut down the Silverton lead to a scant two inches at the finish. Both men fell, absolutely done out, as they crossed the tape. Neither one was hurt, however, but quickly regained their wind, as good as ever. This mile was covered in 3:57 4-5.

Fuson Has Accident
The Stayton baseball team showed much class. It has had a practically perfect record this season. Before the game Saturday, while the players were limbering up, a wild ball thrown from the field struck Fuson, the crack pitcher from Stayton, in the face just as he turned around, breaking his nose and putting him out of the game. His teammate, Zuber, took up the game, and won after a skillful exhibition. Zuber hit the ball for a three-bagger in the first inning, with the bases full, scoring three runs, and Mielke made a home run a little later.

Trophies Awarded
Both the Stayton high school and the Liberty grade school received loving cups for their success. The trophies are given by Hartman Bros. and Gardner & Pomeroy, respectively. Medals are to go to the schools for their place in the track and field meet, and ribbon trophies to the individual point winners. Anderson & Brown gave a sweater to the winner of the 220-yard low hurdles; C. P. Bishop a sweater to the winner of the high school mile, and the Miller Mercantile company a sweater to the junior miler. The Principals' association gave silver loving cups to the relay teams from each classification of school.

Underwood Is Chairman
Principal E. F. Underwood of the Stayton schools was the chairman and the general arranger of the meet. The other members were J. P. Brown of Woodburn; Jules Tonings, Silverton;

John Coleman of Turner, and W. H. Baillie, county school supervisor.

Good Catches Reported from Upper Mill Creek

Some good catches of trout are reported from upper Mill creek. Roy Burton brought home one steelhead weighing about 15 pounds, from between Turner and Aumsville, and his companion, Guy Doan, did almost as well. In general, however, the streams from the Cascades are running high, the result of the hot weather of the first of last week, which took the snow so rapidly and raised real floods in some of the streams. The Santiam raised six feet as one result of this snow melting. Most of the fishers are heading off for the streams in the coast range. Around Willamette is a favorite place for many of the Salem sportsmen. A large number of fishermen plan to go out today, most of them to the west.

TOUR VICTORY FOR BEARCATS

Moodhe and Doney Clean All Opponents on Trip Through Northwest

Willamette tennis players brought home all the scalps there were in the northwest, when the two-man team returned Sunday from a triumphal tour. Most of the results have already appeared in the Statesman but a recapitulation will be interesting.

At Moscow, Friday, the two Willamette players, Noble Moodhe and Hugh Doney, met the University of Idaho. Moodhe defeated Hunter, 6-4, 6-1; Doney beat Harrington, 6-1, 6-2. Then the two visitors beat Harrington and Tresscott 6-3, 6-1.

The same afternoon, they drove across to Pullman, Wash., to take on the Washington State college team. Moodhe beat Webber 6-3, 6-1; Doney caught a tartar in Heald, who got the long end of the score, 6-2, 7-5. The two Willamette players, mowed down the other two players with a decisive score, 6-4 and 6-1.

On Saturday, the visitors attacked the formidable Spokane Athletic club players on their home grounds. Moodhe met his first defeat of the year in either singles or doubles, when Anderson took him into camp in a long, hard series, 2-6, 6-3. Doney took his match with Gordon, 6-3, 6-2; and then the pair fought a bitter battle with two new men, Muma and Farnham, who made them go to 6-3, 2-6 and 7-5 sets before the match was decided, the Bearcats being winners.

Three championships in two days, against nine fresh players, and only three matches lost in the whole three series, is not a bad record for any pair of players.

The last tennis of the year, at least in the championship class will be the return match with O. A. C., to be played here in Salem, Friday or Saturday of this week. The exact date not yet being determined.

Broccoli Growers of Marion Hold Session

At a well-attended meeting of the broccoli growers of Salem and vicinity Saturday afternoon at the Commercial club it was voted to form a strong, cooperative association that should bind the growers to a better regulation of the business than they have heretofore known. It was said on the floor of the meeting that, though the crop of last year was not very successful in this section, the business looks like a winner, and that in order to develop and supply the market it would be necessary to make a stronger association. The acreage last year was between 250 and 300 acres. This year it is expected to be more than double that much.

VALLEY MOTORS WIN FIRST GAME

Y. M. C. A. Beaten by One-sided Score in First Twilight Encounter

One Valley Motor player stole second base and a gang of kids stole three \$2 league ball in the game last night, the first of the 1922 Twilight league series at Sweetland field. The player was cheered—and the other matter is in the hands of the police.

The Motorists took the lead from the start, and held it easily and numerously. The final score of 13 to 2 at the end of the fifth inning, however, hardly represents the actual playing strength of the two teams.

Both teams had a fair sprinkling of the 1922 champion Salem high school team.

Ashby started as umpire, but had to leave, and Brazier Small took on the job. The large and interested crowd was well pleased with his work.

Zozel of the Valley motor made one home run, and the whole team swatted the pill like mad men.

Valley Motor—Reinhart, ss; Purvine, lf; Proctor, p; Grosvenor, c; Thompson, 2b; Gardner, cf; Shade, lf; Zozel, 1b; Moon, 3b. They made 10 hits and 13 runs.

Y. M. C. A.—Gregg, 1b; Brown, ss; Barrick, rf; Moody, lf; Milliken, cf; Cramer, c; Bonesteel, 3b; Armstrong, 2b; W. Zozel, p. They are credited with 4 hits and 2 runs.

They will be playing hot and heavy this week, two other games being scheduled. Wednesday night the American Legion and Spaulding Logging company teams will seek to assassinate each other; and on Friday the Bankers and State house will swap blows. All the games are to be called at 6 o'clock.

Everybody is welcome, and there is no admission fee.

SIMERAL NAMED FOR ALDERMAN

Labor Leader Defeats Harris for Council Position from First Ward

Through an error in the compilation of city election returns the Statesman announced Sunday morning that L. J. Simeral had been defeated by R. A. Harris in the contest for alderman of Ward 1.

According to latest returns, Mr. Simeral won the nomination, receiving 346 votes as compared to 253 votes cast for Mr. Harris.

Both men are well known in the city and the contest for councilman from this ward had attracted much attention. Mr. Simeral has for many years been active in civic and labor circles. Mr. Harris is active in the same line and had been given the endorsement of Marion County Law Enforcement league.

The Liberty theatre is closed this week for an extensive remodeling. Workmen began Monday morning to retint the whole place, and to remake the color scheme. Burnt orange and black will be the colors. It promises to make a delightfully soft, easy shade, restful to the eye and helpful to the screen picturization.

The floor is to be recarpeted, and new draperies are to be put in wherever draperies are used. The hall is to be resca ted, at a not far distant date, but not just now. The job will be completed in time for the show Friday night, "Beyond the Rainbow."

LARGEST COMMERCIAL RADIO BROADCASTING STATION.

The largest commercial broadcasting station is near completion. It is the latest of the large and growing families of great radio stations devoted to the broadcasting of information and concerts. The plant is being constructed on the roof of one of the large buildings of the American Telephone & Telegraph Company and is capable of sending messages all over the country. The picture shows the station as it will look when the two towers of 100 feet are completed and the "T" type aerial in place.
