Y. M. C. A. Cadets Hike—The Cadet club at the Salem Y. M. C. A. left with its leaders Saturday afternoon for a hike over in Polk county. Twenty of the fellows answered the call and were "rearin'" to go for anything that meant the spring out of doors and a good time. In a game of baseball the Grizzlies won a 14 to 13 victory from the Royal Fighters. After this heated contest the ravenous appetites of the lads found satisfaction in the roasted weiners over the camp fire, the buns, sandwiches and cookies. Blackman jolted down the feed until dusk when the boys wearily but happily trudged home.

EXACTNESS
is the primary essential of a good druggist.
We pride ourselves on at least one thing; we never substitute. If a doctor gives a prescription he knows that one remedy will bring results and no other. Any substitution on the part of the druggist may mean disaster to the health of the patient. Be sure you take your prescriptions to our "exact" druggist.
