JIMMY MURPHY WINS AT TERRIFIC PACE IN SPEEDWAY EVENT

INDIANAPOLIS, Ind., May 30.—(By The Associated Press)—Jimmy Murphy of Los Angeles, winner of the 1921 French Grand Prix, secured his name deeper in the hall of motor fame today when he flashed across the wire a winner of the 500-mile automobile race at the Indianapolis speedway before a record breaking crowd of 135,000 spectators.

Murphy smashed all records for the distance to smother, clipping 16 minutes off the best previous record. His time was 5:17:30.79, an average of 94.48 miles an hour, against the old record of 5:33:55.51 or 89.84 miles an hour, made by Ralph De Palma in 1915.

The Los Angeles driver made only three stops during the entire 500 miles. He made his first stop at 185 miles, pulling up at the pits for two minutes to change all tires and replenish the fuel tanks. With a lead of about 10 miles, Murphy pulled into the pits for another tire change and for more gasoline and oil after he had traveled 386 miles. The speed with which his pitmen assisted, was remarkable. It took them just 28 seconds to change a right front tire and provide him with fuel enough to assure his finishing.

White major honors went to Murphy, Harry Hartz, also of Los Angeles, who finished second, drove an extraordinary race, he jumped into second, 60 miles after the start, and held it throughout, always making a desperate fight to catch Murphy. Hartz' time was 5:20:34.51, an average of 92.54 miles an hour which also was far in advance of the record.

Hearne Not Far Behind Eddie Hearne, a veteran racer, piloted a French car to third place in 5:22:26.08, an average of 92.4 miles an hour, while Ralph De Palma, one of the favorites, was fourth in 5:31:04.65, an average of 90.56 miles an hour.

Confusion among the judges and timers resulted in the erroneous announcement shortly before the 200th mile that Murphy had lost the lead and Hartz had gone into first place. Signals were passed to the drivers that Hartz was leading and even Murphy thought the checking was correct, and he began to force a much faster pace in his fight to regain the lead. He jumped the average of 93.87 to 94.41 for 275 miles, and then again to 94.54 for 300 miles.

Big Purse in Prize As the winner of the event, Murphy will receive approximately \$35,000.

Twenty thousand dollars was awarded first place and \$8,000 as lap prize money. In addition, automobile accessory companies provided cash prizes which will bring Murphy's total up to the \$35,000 mark.

Harts got \$10,000 for finishing second; Wonderlich \$2,200; Tetterman \$1,800; Vail \$1,800; Alley, \$1,500 and Thomas \$1,400.

Barney Oldfield, a retired star of the racing world, with the customary cigar in the corner of his mouth, paced the field for the first lap, bringing them to a flying start at a speed of about 70 miles an hour. When Murphy stepped out in front, leading for the first lap with Leon Duray and Ralph De Palma following.

Wilcox First Out Howard Wilcox of Indianapolis was the first driver forced out, his car breaking a valve spring after traveling 17 1/2 miles. Jules Ellingboe furnished the big thrill when he threw a right rear wheel on the south turn. The speeding machine turned completely around on the track and crashed into a concrete retaining wall. WILLAMETTE EASILY WINS NORTHWEST TENNIS TITLE

Willamette has just closed the most remarkable season in the whole history of tennis playing in the northwest. Yesterday the second series with O. A. C. resulted in five straight wins for the Bearcat players, this making their eighth consecutive victory for the year and giving them the undisputed championship of the northwest.

Moodie First in Northwest Noble Moodie of the Bearcat squad ranks easily as the individual champion of the year. He has lost only one match, to Anderson of Spokane. The rest he has cleaned up as fast as they could come on for a cleaning. Moodie and Doney have played doubles in every one of the eight meets, without losing one match, establishing an altogether unique collegiate record.

In the series yesterday, played at the State Hospital courts, Huston defeated Parnin in two sets, 10-8, 6-2. The visitor made a desperate fight for the first round, running the score away up before losing. In the second set, he had lost both strength and courage enough to wilt before the steady playing of the Bearcat champion.

Doubles Easily Won. Huston and Moodie defeated Maberly and Kincaid, in two straight sets, 6-4 and 6-1. The visitors were at no times dangerous against the brilliant playing of Moodie.

In the afternoon series, Moodie ran away from Kenneth Joy, former A. E. F. champion, in straight sets 6-3, 6-1. The O. A. C. player showed none of the speed and skill that had been expected—though it wasn't quite that, either; he was up against a faster,

der direction of the Portland Y without charge. Besides being a good swimmer and an all-round athlete, Mr. Gawley was a famous soccer and lacrosse player in his day, playing such teams as Harvard, Yale and other eastern colleges. Mr. Gawley and Mr. Kells and Mr. Boardman of the Salem Y, all graduated from the same college in the same class.

Last year 71 were taught to swim. It is considered marvelous the way some learned the art of swimming. Many of them going in the tank were very much frightened, but by Mr. Gawley's quiet manner of instructing them they overcame this fear and were swimming and wondering how quickly they did it.

This year's campaign took only non-swimmers, and the idea was to give each one a chance to learn the elementary strokes and they can later master the more difficult strokes.

A similar campaign will be staged next year with the cooperation of the public schools. The girls who learned to swim Friday and Saturday are: Mary Scheis, Richmond; Virginia Holt, Annabell Hawley; Dora Lehman, Irma Hunt, Park; Frances Mapes, Christina Shaffer; Norma Callahan, Anna Schaffer; Florence Anderson, Ida Campbell; Beulah, Bailey, Iva Adams, Vivian Marrs, Brush College; Mable Cupper, Garfield; Madge Hutchins, Lincoln; Polly Orey, Marjorie Taylor, Englewood; Hilda Sproed, Lois French, Bertha John, Grant; Helen Pemberton, Elizabeth Leavenworth, McKinley; Aida Welcome, Mary Thelma Long, Washington. Teachers: Miss Mable Murray of Englewood and Miss Grace Lick of Yew Park.

BEARCATS WILL MEET PACIFIC

Dual Track and Field Meet Scheduled for Sweetland Field on Friday Willamette is to take on an ancient and honorable but usually beatable antagonist Friday afternoon at Sweetland field, when Pacific university of Forest Grove sends over a field and track team for a dual athletic meet.

Pacific made such a clean-up at the state relay carnival at Eugene, that their team looked formidable against all comers. Through a misunderstanding in entries, Willamette got into only a few of the events, while Pacific had a full crew for almost everything.

In the non-conference meet in Salem last week, Willamette had no difficulty in romping away from Pacific, with the big end of the score. Pacific put up some formidable contenders, particularly in the relay race, which they won handily. But Logan, of Willamette, whipped out the best of their distance men, and Pollock cleaned them in the sprints, and others gathered up the larger number of points in other events.

Cobb Put Out of Game, Next Step is Uncertain ST. LOUIS, Mo., May 30.—(By the Associated Press)—Ty Cobb, manager of the Detroit Americans who was suspended today for an altercation with Umpire Wilson yesterday's game tonight declined to say whether he would present a formal protest to President Ban Johnson of the American league regarding the work of this umpire as has been rumored.

"I have nothing to say at present but will present my case in detail to Mr. Johnson, if I have any protest to make," said the Detroit manager. Cobb and Heilmann were put out of the game Monday when they disputed Wilson's decision in a double play. Clark, who also participated in the argument, was not suspended but appeared in today's makeshift lineup of the Detroit team.

Cobb witnessed both games, today from a box behind his players' dugout. "I have nothing to say at present but will present my case in detail to Mr. Johnson, if I have any protest to make," said the Detroit manager.
