GHBRRY AND PRUNE MEN, ATTENTION
Cherry and pruke men of the Salem district should read
hearticle on the Pep and Progress pages of The Statesman this morning, referring to the duties proposed in the tarifi And who is not, in this district?
The duty on gherries in brine sho

## ind - on gherries in brine sho

## And in the bill it is only 2 . cents.

Cherries are put in brine for shinpment to the United States
uly for the mardischino manufacturers of then ance anid Spaina more than made ap to the maraschino manufacturers or marasch nf porposes run very much smaller the nised our he average dealer at the manufacturers can sell them to The half a cent a pound duty on prunes is a joke, for pro-
ection purposes. This is not very important now, for this country- imports. very fow prunes -but it may become impor-
ant, sid if thould have consideration now. What is to be done? heir friendso ousht to write and wire to the members of the Tregon delegation in Congress-
And do it today. ane and cherry growers this is is nobody's business-but, n any one year means, the difference between profit and

## FOR A COUNTY HEALTH ASSOCIATION

 A mass meeting will be held Saturday, June 3, at $1: 30$m . in the First M. E. church of Salem. At this time, it oxpected that those interested will form' an organization With the desire to have their county keop abreast of

NO "INDEPENDENT" CANDIDATE WANTED It would be a disquieting, if not a disastrous thing, for a Governor this year. He might be as good as gold-but a an independent he will be just that and no more, no less
he will owe allegiance nowhere, have respongibility to he will owe allegiance nowhere, have responsibility to no
one but himself, and he can run as fast or as loose as he
pleases, tame as a hearse horse or lawless as a high-powered pleases, tame as a hearse horse or lavaless as a high-powere
auto without brake or steering wheel.
The political trouble with Oregon today is the lack o The political trouble with Oregon today is the lack
any kind of responsibility to bind the public servant. practice of voting independently, of voting in the enemy'
party primaries for a sinister purpose, has weakened an almost destroyed all party responsibility, and substitute
the strangest hodge-podge of individualism that can not the strangest hodge-podge of individualism that can not be
gauged or even predicated. What will the state get out of
an "indenendent" Legislature or Governor or other officers each running on his own platform either as a regular or as political outlaw? Candidly, we're like Daniel Webster in pice of doubt. an "independent" with ancestry and posterity like the mule's Letsisee precisely where Oregon stands, and not kid our-
selves into the foolish orgies of further "independence" that only to chaos. this way, there is made possible the uniting for concerted
action of those who are vitally interested in the promotion of health measures. Throughout the entire world, peop ing health. There is much talk of economy, and we know
that sickness is a source of great individual expense. Mil that sickness is a source of great individual expense. Mil
lions of people are beginning to pride themselves on keeping It will be the purpose of the new organization to promote
health ideals, to better health conditions, to work in many ways for the increasing of knowledge of correct living t disseminate literature concerning disease prevention, to hol baby clinics, tuberculosis clinics, to secure specialists to talk on speciric heaith problems, and eventually, when condition
warrant, to take steps towards securing and keeping a count public health nurse.
Every December, when Christmas seals are sold, the
country azsociation will retain a percentage of the proceeds country association will retain a percentage of the proceed
which insures several hundred dollars for local use Every one wanting such an organization should feel hi responsibility to the extent that he attend the meeting an contribute of his enthusiasm and cooperation.

## TRUE AMERICAN

The power and strength and bigness of American citizen ship is told dramatically in the incidens of a public funeral
ceremonial at Portland on Memorial day when the last of ceremonial at Portland on Memorial day when the last o Oregon's National Guardsman to return in eternal silence
from the battlefields of France was laid to rest. This man, Sergeant Schaefer, died in battle, after heroic
service. He was fighting for his country with comper abandonment of his own life and limb when he receivec
mortal wounds. In the solemn procession that followed him to his last Navy, a General of the Army, the Governor of the state the Mayor of Portland, consuls of allied nations, the Granc
Army, the National Guard, the overseas veterans, the Army, the National Guard, the overseas veterans, the Amer
ican Legion-all mourners at the bier of this young man who And we see the true spirit of Americanism in it all when e reflect that young Schaerer was a native of the countr he was fighting against. He came to America from Austria
and he caught. the spirit of this country so that he stood
