## CALIFORNIA WINS GREAT TRACK MEET ON CHICAGO FIELD

CHICAGO, June 17.—(By The Associated Press)—California, fresh from victory in the eastern intercollegiate track meet, triumphed over the flower of America's collegiate stars on Stagg Field today, winning the honors in the second annual inter-collegiate association athletic meet with 28½ points by scoring in eight of the 15 events.

The individual honors of the day also went to a Californian, Johnny Merchant, who hung up one of the day's nine new records and alone scored eleven points with victories in the hammer throw and shot and a fourth in the broad jump.

Honors were distributed from coast to coast, Penn State following the Pacific coast athletes with 19½ points for second place. Notre Dame was third with 167-10, while Illinois, regarded as a favorite with California, was fourth with 147-10 points. Iowa bagged points for fifth place and Grinnell, due entirely to the performances of Leonard Paulu, the sprinter, tied for sixth place with Michigan with 10 points.

Georgetown and Mississippi A. and M., each got seven points while Pennsylvania was eighth with 6. Altogether 28 of the 54 institutions broke into the point column.

**Merchant Does Well**  
The coast athletes scored two firsts—both weight events won by Johnny Merchant tied for first in the pole vault, took second place in the quarter broad jump and javelin and annexed several miscellaneous points.

Merchant's individual record was fairly equalled by the brilliant work of Paulu of Grinnell, wounded war veteran who shattered the collegiate dash records in both the century and the 220-yard events although his score fell short of the Californian's by one point.

After clipping one-tenth of a second from the 100-yard dash record, stepping the distance in 9.9-10 seconds, Paulu broke the 220-yard mark by 4-5 of a second besides winning the race in 21.4-5 seconds from fast competition.

**Time Is 22 Flat**  
All the heats were run in 22 flat, three seconds faster than last year's record.

Merchant broke the hammer record with a throw of 161 feet 4 inches, after winning the 16-pound shot with a heave of 44 feet 4-2 inches. Later in an exhibition the husky coast lad swung the ball 165 feet 1 inch but the mark did not go on record.

Penn State contributed a new collegiate record when Shields won the mile in 4:20 2-5 cutting three seconds from the mark held by Ray Watson of the Kansas Aggies. Later in the meet, Watson, now running under the club, ran a special race with Joe Ray of the Illinois Athletic club beating the Chicago veteran by inches in 4:21.

**Desch Nosed Out**  
Another 1921 collegiate champion was relegated to second place today when Brookings of Iowa nosed out Desch of Notre Dame in the final stretch of the 220-yard low hurdles in the fast time of 24 1-5 seconds, three-fifths of a

second slower than the world's record.

In the pole vault eight men still survived the trials with the bar at 12 feet, last year's winning mark. Norris of California and Landowski of Michigan finally tied for the event at 12 feet 6 inches. Sparrow of Oregon ran into hard luck in his trials, but just to show the 15,000 spectators he could negotiate the height, he vaulted 13 feet in an exhibition. In another trial at 13 feet, 6 inches, Sparrow jarred the bar off the supports after he had safely topped it at a height of one inch over the world's record.

**Jumper Makes Record**  
Legendre, noted eastern star from Georgetown, jumped 24 feet 3 inches in the broad jump for a new record.

Lieb of Notre Dame added a new record to the list by hurling the discus 144 feet 2 1-2 inches and Huffman of Michigan ended the record smashing with a throw of 202 feet 3 inches in the javelin.

Sheldon of Penn State won in the mile. Rathbu of Ames was winner of the two-mile race in the western conference meet, pulled ahead at the finish of the two-mile today by fifty yards after setting the pace all the way. Another man who showed his heels to all competitors during the whole race was Cochrane, a long legged runner from Mississippi A. and M. who won the quarter in :49 7-10.

## ENGLISH MATCH OPENS MONDAY

Many of Most Formidable American Golfers Will Compete Abroad

NEW YORK, June 17.—Three of the most able of the many formidable professional golfers of the United States will tee off in the qualifying round of the British Open Championship which opens Monday, June 19, at Sandwick, England over the ancient links of the Royal St. George's club here, in an attempt to again defeat the British at their own game "in their own backyard."

It was done successfully last year by John Hutchinson, of the Glen View Club, Chicago, who, obeying his heart after deciding first not to make the trip, has returned to defend his title. With him are "Long Jim" Barnes, of the Pelham County club, United States Open Champion, and Walter Hagen, Western Open Champion and title-holder of the American Professional Golfers association.

**Big Three Enter**  
This trio is "The America's Big Three." Last year American professionals and amateurs swarmed

over the course at St. Andrews, enabled to compete by their friends at home who took up a nation-wide subscription to send them. This time Hutchinson, Barnes and Hagen are the only three American professionals of repute there in contrast to the many British players who will stream across the Atlantic later for the American championship.

As the defending champion Hutchinson is the cynosure. He is represented by his admirers as not in the same superb form he displayed last year when he won the classic after a thrilling match with Roger Wethered, an amateur. Jock's card was sprinkled with birds and miracles. If the Chicagoan attains his best form expert British opinion anticipates that he may carry the crown again back with him.

### Hagen Has Reputation

Hagen is regarded as one of the very best match players in the United States. His principal reason in going to Sandwick was to make the first leg of the round-the-world tour that he has planned with Joe Kirkwood, the Australian trick shot star, who, they say, can make a golf ball do everything except talk a Scotch brogue.

"Long Jim" Barnes and Hagen made the "longest-distanced professional golfing tour ever undertaken during the winter, encircling the United States and playing principally in the sunshine tournament of Southern California and the Pacific coast. Should Barnes win he will be the golf master of two continents.

### Odds Against Americans

Their progress to the final round, however, will not be without obstacles. There are J. H. Taylor, Sandy Herd, George Duncan, Abe Mitchell, Harry Vardon, Ted Ray and a list of British golfing luminaries that blinds the eye. The odds are against the

Americans but odds don't mean much in a tournament between acknowledged masters.

The British Open Championship has been a fixture of the Empire since 1860 except for the war years, 1914 to 1920. Willie Parker, at 174 strokes, was the first victor at Prestwick where the tournament was held for 12 years. In the more than half a century preceding names illustrious in golfing history have been carved on the mythical scroll. James Braid, in 1908, made the lowest score of the 72-hole program since 1892 with 291.

Actual championship plays will begin June 22 after the finish of two qualifying rounds. The winner will score the lowest aggregate number of strokes for four 18-hole rounds for a total of 72 holes.

## COAST DRIVER BEATS RECORD

Jimmy Murphy Averages 102 Miles an Hour on Uniontown Speedway

SPEEDWAY, Uniontown, Pa., June 17.—Jimmy Murphy, the Pacific coast driver, today won the 225-mile universal trophy automobile race on the Uniontown speedway, averaging 102 miles an hour, the fastest time ever registered here.

Murphy jumped into the lead on the 116th lap after Tommy Milton was forced out when his machine threw a wheel and crashed through a grandstand guard rail. Murphy's time was 2:12:15.13. Ralph Mulford was

close on the heels of the winner, finishing in 2:14:12.77 an average of 100.75 miles an hour while Jerry Wunderlich, who was third, crossed the line in 2:14:44.33 for an average of 100.25 miles.

Milton took the lead at the start and averaged 104 miles an hour until the accident. Then Harry Hartz showed the way, but gave way to Frank Elliott when his oil line went out of commission. When Elliott dropped out because of engine trouble, Murphy took the lead and retained it until the finish.

I. P. Fetterman finished fourth while Ora F. Hable was flagged for fifth place with a few miles to go. The other drivers dropped out as the race progressed. Milton, who needed today's race as the third leg to claim the universal cup, declared that "I'll have another fling at it next year."

Milton's accident occurred in the same spot where his car was burned in 1919.

## Miss Mary Schultz Will Give Silverton Program

SILVERTON, Ore., June 17.—(Special to The Statesman)—The Parent-Teacher association has secured Miss Mary Schultz, a New York violinist who is spending the summer with her parents in Salem, to give a concert in the Eugene Field auditorium at Silverton June 26. The concert is for the benefit of the Eugene Field auditorium. The funds will be used for a piano. James Hutchinson of Portland will act as accompanist. The decorations will be in charge of Mrs. R.
