# BEACHES ARE IN READINESS

## More Than Ordinary Precautions Taken in Providing Accommodations

The Tillamook beaches which are the nearest to Salem of all the coast resorts are expecting a large number of Salem folks before the Fourth of July which will be appropriately observed there.

Bus lines connect by Hebo and Tillamook with all coast points from Salem, which makes the connections especially good.

**Other Points Celebrate**  
Rockaway and Pacific City will celebrate the fourth in a special manner and a number are arranging to spend the holiday there. The tourists bent on snapping pictures will appreciate the facilities to be had for developing their films at the Rockaway studio. The cottages at Rockaway are being put in order for the coming summer guests.

Bar View and Garibaldi have unusually good beaches with some fine cottages. The garage facilities are considered unusually good at both places.

**Oceanside Opened**  
The beach formerly known as Maxwell Point is being opened under the name of Oceanside. Rosenberg Brothers of Tillamook are in charge of the resort. An agate beach is one of the attractions at this place. Good fishing will appeal to many who are going to the seashore for the summer.

At Happy Camp, Netarts, Mr. Hadley, who is in charge, has spared no expense to provide new cottages and tents for his guests. The furniture in all of the cottages is new as are the cottages themselves. Drinking water is available at a number of springs. There is also lots of trout fishing and plenty of crabs.

**Playgrounds Feature**  
Pacific City has an unusual attraction in its playground. Other features which appeal to the visitor is its good fishing, in both the river and on the beach. It has good roads and stage connections may be made through Hebo.

Miss Maurine Digerness have returned from a two weeks' motor trip to Grants Pass.

Mr. and Mrs. I. G. Ingram have moved to an apartment in the New Hosmer apartment house.

Miss Edna Johnson is at Salem taking the teachers' examinations. From there she will go to Mouth to attend summer school.

Alvin Hovart, a graduate of the '21 class of Oregon Agricultural college has accepted a position of managing the acreage in the Lower Columbia district which be-

longs to the Newell & Van Allstine Real Estate company.

Harry Romig of the Silverton high school teaching force has gone to Seattle to attend summer school at the University of Washington.

**AFRAID THEY MIGHT**  
If ever a man had a "hunch," Phineas Clark had it—a sneaking, subconscious feeling that nothing was as wonderful as the salesman claimed that what-you-call-it company's stock was. It just couldn't be. He knew he should ask somebody at the bank about it—or even an older business man. But they might confirm his feeling—and he didn't want them to! So he forgot his "hunch," withdrew his savings, and invested. Yes, Phineas is young yet, and can make that money up in a few years. Next time he'll probably obey his "hunch."
