Judge Frederick W. Houser, who took the bond, had just previously issued an order increasing the bail of 35 of the other defendants from \$500 to \$1,000 on his volition. The judge stated in the order that "good cause" had been shown the court for regarding the \$500 security as "inadequate."

### GIVEN MORE TIME

The 35 were given until next Monday to raise the additional \$500. The remaining defendant, Kleagle Nathan A. Baker, has been confined in the county jail since his arraignment last week, having been unable to raise \$5,000 bail. Judge Coburn voluntarily increased Coburn's bail from \$1,000 to \$5,000 this morning when the ex-grand goblin appeared to plead. Coburn arrived here earlier from Atlanta, Ga., where he had been in conference with Klan leaders at the organization's national headquarters.

### A COLLEGE COSTS

"There has been created a distinct college cost. Young people are afraid to say they have not attended a university.
