

### BATHING GIRLS WILL PARADE

#### Seaside Plans Fourth of July Feature With Five Hundred Entries

A bathing girl parade, in which it is estimated there will be 500 entries, will be the big feature of the Fourth of July celebration at Seaside, according to E. S. Prouty, chairman of the committee on the celebration.

Plans are now being made to arrange the details of the parade and entries for that contest will be received. Substantial prizes are promised to the winners of the contest. The first prize will be a \$300 lot on the ocean front the Montana Warrenton Development company being the donors of this prize. The second prize will be \$50 cash, given by the Oates Baths. The third prize will be \$25 cash, given by John Tait of the Troy Laundry, Astoria.

The committee in charge of the arrangements are now making their plans for the bathing girls parade and telegrams are being sent to San Francisco for bathing suits for the event. Seaside expects to enter 50 contestants in the parade and Astoria and Portland are invited to enter their bathing girls. Efforts will be made by the committee to get 500 girls in the event. Those in charge of the entertainment for the "Fourth" say the bathing girls parade will be the biggest feature of the celebration and the biggest event of its kind ever staged in the Northwest.

The committee reports that it has raised several thousand dollars to assure the success of the celebration and plan on doing everything in big shape. Another of the features of the day will be the night marine parade on the river. A number of decorated boats, lighted for the occasion, are scheduled to take part in this event. Dancing, a carnival of sports, speeches and other features have been arranged for the day. The complete program will be announced later.

### Pacific City Preparing For 3-Day Celebration

A three day celebration beginning with Sunday July 2nd is being planned by the management of Pacific City beach, Tillamook county's popular summer resort. It is the intention of the management to prepare a program of such a scope that the guests will

#### Gompers Closes Convention Saying Labor 100 Per Cent for Government

(CINCINNATI, June 24.—By the Associated Press.)—Adoption of a program calling for a non-partisan political campaign this fall to elect the friends of organized labor and an overwhelming defeat of the radical forces that favored recognition of the Russian soviet government, marked the closing session today of the American Federation of Labor convention.

Labor's political stand was adopted without discussion, including a resolution calling on all union men and women to endeavor more actively into politics with the purpose of "ultimately controlling the machinery of our national government," by capturing the Republican and Democratic parties, but the Russian question stirred up spirited debate that was ended only on account of the parliamentary maneuvering of yesterday having shut off the flood of oratory.

The declaration against the soviet was the third taken by the federation and was a victory for the administration forces, led by President Samuel Gompers, who in a formal statement tonight declared the action on the Russian question was of "special significance" because "not a single local union has been overlooked by the propagandists for soviet brutality and anarchy."

#### Politics Left to Committee

The federation's political campaign as avowed by a committee report that was adopted, provided that the general conduct of the campaign should be left to the executive committee of the federation.

The approach of sine die adjournment apparently made the delegates refrain from debate and finally they hurried the end by directing that unfinished committee reports be incorporated in the convention proceedings, and if any required action, that such

be amply entertained at all times during the three days. Pacific City's wonderful natural attractions will pay any one for making a trip there at any time, but supplemented with a large program a trip at this time is especially desirable.

be taken by the executive council. This was regarded as tantamount to blanket endorsement of the committee reports, the only one of importance that was not presented being that of the special policy committee on industrial court laws which was certain to condemn such legislative enactments.

#### Mass of Business Disposed

Aside from the political and the Russian questions the convention disposed of a mass of miscellaneous business in a hurried fashion. For the 17th time, the claim of jurisdiction of the glass workers over the making of molds for glass containers was affirmed by the convention, the decision being against the machinists.

Two congressmen were praised by the adoption of a committee report, which said they had "thwarted a scheme of reactionaries in the house of representatives to appropriate money for the department of justice to prosecute or rather persecute labor and the farmers under the anti-trust act." These congressmen were Representative Noan, Republican, California, and Representative Johnson, Democrat, Kentucky, and the convention voted an expression of thanks for their work.

#### Joining With Farmer Favored

Efforts by organized labor to join hands with the farmers for mutual benefit was approved by the convention in adopting a committee report directing the council to continue to "that it can in furtherance of such educational work as will acquaint the farmers with the issues that not only affect the wage workers but the farmers as well."

A resolution also was adopted, putting the federation on record in opposition to "blanket legislation" for the repeal of laws that discriminate against women. In adjourning the convention President Gompers praised its work, referring especially to the action against the Russian soviet as "fundamentally righteous." He also declared that the convention had demonstrated that organized labor "stood 100 per cent in support of the American government and institutions."

### Several Social Events Are Held at Silverton

SILVERTON, Ore., June 24.—(Special to The Statesman.)—Several social events of interest have been held at Silverton during the past week. Probably the largest of these was the tea given at the home of Mr. and Mrs. M. C. Woodward by their daughter, Miss Catherine Woodward, who recently returned from Mills college. The tea was given in honor

of Miss Amelia Montgomery of Vacarville, Cal., who is a house guest of Miss Woodward. Assisting the hostess in receiving were Miss Maurine Digeress, Miss Dorothy Hubbs and Miss Eleanor McClaine, all of Silverton.

About 60 guests called during the afternoon. Among the out-of-town guests were Miss Catherine Carson and Mrs. Cliff Irwin of Salem, Miss Mary Gill, Miss Dorothy Metcham, Miss Frances Baker, Miss Dorothea Short and Miss Helen Short, all of Portland, and Miss Alice Wittenburg of Oakland, Cal.

Another event of social interest was the dinner given at the home of Mr. and Mrs. H. J. Leaf in honor of their son, Raymond. The invited guests were Miss Amelia Montgomery of Vacarville, Cal.; Miss Louise Vardy of Portland, Mrs. J. F. Steward of Sa-

lem, William Woodard of Westport, Or.; Henry Fritzlot, John Woodward, Richard Slater of Salem, and the following group from Silverton: Miss Catherine Woodward, Miss Inez Fry, Miss Eleanor McClaine, Miss Maurine Digeress, Miss Dorothy Hubbs, Knut Digeress, Carl Williams and Raymond Leaf.

#### Doney Main Speaker at Monday Lion Club Lunch

The "club" members of Salem's new Lions club were treated to more than the usual amount of entertainment at their Friday luncheon when they listened to a program of music and readings by Dr. Carl G. cmfwyupetaairhuud followed by an interesting talk by Dr. Carl G. Doney.

Miss Marie Scroggins of Spokane accompanied on the piano by Miss Corner, gave two exceptionally well rendered vocal solos and Miss Martha Mallory of Willamette university gave a group of readings which were greatly enjoyed by the club members.

Dr. Doney's talk was on education in which he emphasized the importance of religion in education. Allan Kafoury was chairman of the day.
