PETER JUNE LEADS FIELD

Main Lick, Favorite, Finishes Fifth in Grand Circuit Classic

KALAMAZOO, Mich., July 20.—(By the Associated Press.)—Close finishes in which the winners of the four events were crowded all the way and forced to go the limit in order to annex each heat was the feature of today's grand circuit racing bill.

An average time of 2:06 2-3 was made in the 12 heats raced. The big upset of the day was in the 2:07 trot when Main Lick, the favorite, finished fifth in the three heats, with Pop Geers' Peter June leading. King Watts was second in the first mile, but was obliged to give way to Miss Ella Todd in the remaining heats.

After winning the first mile of the \$3000 Columbia hotel purse for 2:13 trotters with the Laurel Hall, Walter Cox was obliged to draw the eastern colt on account of lameness, after which Tommy Murphy drove Princess Etawah to victory in straight heats. The Murphy mare finished behind the Cox entry in the opener. Voltage and Walter Sterling split the third honors.

The best time was hung up in the 2:12 pace when the southerner J. J. Abaccaya, the favorite, traveled the second heat in 2:04 1/2. The Thomas entry took the race in straight heats with King Bingen and Robert M taking turns at hurrying the winner along down the stretch.

Lee Tide and Noble Argot were even up favorites in the 2:19 trot. The Cox entry traveled true to expectations by taking two of three heats, finishing second to Frederick K in the opening mile while the best the Geers horse could do was trail the pair, except in the second mile when the Memphis horse came in second in a closely bunched finish.

The crowd was the largest that ever attended a grand circuit meeting here on Thursday.

SUHR ELIMINATED IN COURT CONTEST

Marshall Allen of Seattle Is Declared Junior Champ; Marion Is Featured

SEATTLE, July 20.—Marshall Allen of Seattle eliminated Herbert Suhr of San Francisco, Calif., junior champion in the last 4th round singles match of the Washington state tennis tournament this afternoon. The match was the most spectacular of the day, Suhr flashing brilliantly through the struggle. The Harvard star is in the lower bracket semi-final of the men's singles tomorrow afternoon.

Harold VanDyke Johns, Seattle champion, won an exciting close contest with Wybert Mansel-Smith. Mansel-Smith had Johns in a hole, two sets to one, when the first rest period was called.

Arnold Marion of Seattle avenged himself for his recent defeat at the hands of Beardslee Merrill of Spokane, eliminating the inland empire junior champion in straight sets in the junior singles event. Marion will meet Harry Shaw tomorrow afternoon for the state title.

MURPHY'S SPEED IS CHALLENGED

Supremacy of Speed Demon to Be Given Test August 8 at Santa Rosa

SANTA ROSA, Cal., July 20.—Supremacy of Jimmy Murphy, California automobile race driver, as leading speedway racer of the nation, will be challenged on the Cotati bowl, near here, Sunday, August 8, in two races, one for 100 miles and the other for 50 miles.

Murphy has won so many races this year that already he has obtained an unbreakable hold on the 1922 racing championship. However, Tommy Milton, who won the title in 1921, is going to try to beat the Californian at Cotati and also set up new records for the distances.

Other drivers to enter will be Bennie Hill, Harri Hartz, another California driver, Roscoe Saries, Frank Elliott, Eddie Hearne, Joe Thomas, Ralph de Palma and Jerry Wunderlich, all well known. Partial destruction of the San Francisco speedway at San Carlos by fire recently leaves the Cotati track the only automobile race course in northern California and it is believed that large crowds will come here from all parts of this section for the contests.

Hoover Not to Enter National Oar Meet

DULUTH, Minn., July 20.—Walter M. Hoover, world's single sculling champion, will not compete in the singles event of the golden jubilee regatta of the national association of amateur oarsmen, to be held in Philadelphia August 3, 4 and 5, it was announced today by the rowing committee of the Duluth Boat club.

The committee decided that it would not be fair to permit Hoover to enter the regatta even though he had expressed his willingness, because of the fact that he has not been in training since July 8, when he won the Diamond sculls on the Thames.

WASHINGTON TO URGE SUPPORT

Administration is Desirous That Mexican Government Support Oregon

WASHINGTON, July 20.—Administration officials were reported today as being desirous that the Mexican government take whatever steps it deems necessary to make effective the expressed policies of President Obregon on questions which have impeded and are impeding recognition of that government.

It was declared emphatically that the situation was entirely clear as to the relations between the two countries and fully understood by Adolpho De La Huerta, Mexican minister of finance, as a result of his recent conversations with President Harding and Secretary Hughes.

It is understood to be recognized by the Washington government that continuance of the present situation is fraught with possibilities of incidents which might develop into less friendly relations between the two governments, particularly in view of the application of the Mexican agrarian policy to the land held by Americans under valid titles in Mexico.

The Cardinal point upon which the Washington government has insisted at all times is the security of valid American titles in Mexico to property of whatever nature. It was again explained today that this was the chief aim sought in the treaty of amity and commerce suggested to President Obregon, but which he found himself unable to accept. If the security sought is accomplished by means of regulatory acts of the Mexican congress or through decisions of the Mexican supreme court interpreting Article 27 of the Mexican constitution, however, the ends of the United States would be as well satisfied, it was said.

WANT ADS. IN 1700

In the reign of William III the John Houghton, who combined the business of apothecary with that of a dealer in tea, coffee and chocolate, commenced an advertising paper which he called "A Collection for the Improvement of Husbandry and Trade." In those old days the editor of the paper and the advertiser frequently spoke in the first person singular while the advertiser also often spoke through the editor. The issues of this curious publication contained many advertisements regarding the musical profession, of which a few specimens taken at random will serve to give a tolerably good idea of the style then prevalent:

"I want a negro man that is a good house carpenter and a good singer."
"If any young man that plays well on the violin and writes a good hand desires a clerkship, I can help him to £20 a year."
"I want a complete young man that will wear livery to wait on a very valuable gentleman, but he must know how to play on a violin or flute."

"I want a genteel footman that can play on the violin to wait on a person of honor."
"If I can meet with a sober man that has a counter-tenor voice, I can help him to a place worth £30 the year or more."
Musical Times, London.

MAY SMASH MAJOR LEAGUE INDIVIDUAL BATTING RECORD.

Batting at a .430 clip, George Sisler of the St. Louis Browns may break the individual records of Hugh Duffy and Tyrus Raymond Cobb this year. Duffy, playing with the Boston team in 1904, averaged .438, which still is the National League's high water mark, while Cobb established the top mark in the American League in 1911 when he rolled up a percentage of .420. Sisler's average in 1920 was .407, the Browns' star playing in 154 games in which he lined out 257 safe hits.

MRS. MALLORY PEEVED OVER NEWS REPORTS; STILL THINKS SHE CAN WIN TENNIS TITLE

NEW YORK, July 20.—Unconvinced that she is not a better tennis player than Mlle. Lenglen, who defeated her recently at Wimbledon, Mrs. Molla Mallory, American champion, came home today, vowing that she will go back to England next year. "If I am alive," in the hope of again meeting the French star, Mrs. Mallory admitted she was "in a temper when newspapermen questioned her as the ship came up the bay. She at first declined to make a statement, declaring she had been "misquoted so often I am afraid to open my mouth." Finally she authorized the quotation:

"The better player won." She denied everything that had been published about the banter reported to have been exchanged between herself and Mlle. Lenglen after the match, denouncing these reports as "lies, lies, lies."
"The newspapers are the vilest and dirtiest things in America and if they don't let me alone they will drive me out of tennis and back to Norway," she explained.

At the solicitation of Dean Mathey, American player who accompanied her, she withdrew her characterization of the American press. Mrs. Mallory said she could be quoted as saying that Mlle. Lenglen is the most marvelous woman tennis player in the world. Clapping her hands in prayerful attitude, she said "I swear it on the Bible. Is that what you want me to say?"

Nothing to Say
Mathey pleaded with the interviewers to "remember that Mrs. Mallory is a woman and hot-tempered."

Asked what she wanted to tell the public concerning her defeat, Mrs. Mallory frowned and said: "I have nothing to say. What can I say? I did not ask to meet her again. I didn't say anything."

LE HAY IS SUSPENDED

Bastian, Burdick Win Tennis Championship

CLEVELAND, July 20.—Fritz Bastian and Ralph H. Burdick, Indianapolis national clay tennis champions, and Donald Boyd and Stark Frambes, Columbus, were today's winners in the first round of play in the inter-city doubles tennis tournament for the championship of the United States.

The smothering attack of the Indianapolis duet was too much for Walter Westbrook and Theodore Lightner, Detroit, whom they defeated in straight sets, 6-4, 6-0, 9-7.

"His death was sudden and unexpected, wasn't it?"
"It was sudden, but we can't say that it was unexpected after he told us that he was making whiskey for his own use."—Detroit Free Press.
