**MISS GENE BELLE** was the guest of honor at a pretty birthday party and shower Wednesday evening. Mrs. Harvey L. Newcomb was hostess for the affair which was held at the home of the bride's mother, Mrs. Henry S. Belle.

Orchid and yellow was the color scheme used throughout the rooms of the Belle home. Lavender sweet peas and asters with golden rod were the summer blossoms used. A large Japanese parasol with yellow streamers hung over the table.

A huge birthday cake decorated with lavender icing centered the table. A single large yellow candle was on the cake. Mrs. Henry S. Belle cut the ices and Mrs. Newcomb cut the cake. Miss Thelma Young presided at the punch bowl and Mrs. C. E. Stricklin assisted in serving.

A delightfully informal evening was enjoyed by the guests. Musical numbers were enjoyed, and the guests spent some time sewing for the guest of honor.

Miss Belle is to be married at a quiet home wedding early in September to C. W. Thompson. She has been for several years secretary to A. C. Barber, state insurance commissioner. Mr. Thompson is in the state treasurer's office.

Guests invited to honor Miss Belle Wednesday evening included Mrs. Leon Barrick, Mrs. Floyd Edgerton, Mrs. C. J. Kurth, Mrs. Luanna Reeves, Mrs. Mildred Brooks, Mrs. C. E. Stricklin, Mrs. Henry S. Belle, Miss Myra Wheeler, Miss Martha Swart, Miss Fay Hendrickson, Miss Elva Haas, Miss Jessie Harritt, Miss Frances Gelatly, Miss Eunane Graig, Miss Edith Kuney, Miss Carolyn Hurst, Miss Kathryn Slade, Miss Helen Ballard, Miss Flora Turnbull, Miss Mary Chadwick, Miss Jessie Miller, Miss Clara Ahrens, Miss Bessie Donaldson, Miss Marie Briggs, Miss Evelyn Stevenson, Miss Cora Talkington, Miss Thelma Young, Baby Joan Newcomb, and little Maxine Reeves.

Last Friday Mr. and Mrs. William Sigmund and daughters Miss Eugenia and Miss Wilda, drove to Portland to help celebrate the fiftieth wedding anniversary of Mrs. Sigmund's brother and sister-in-law, Mr. and Mrs. W. S. Barzee. They were accompanied home by Mrs. Sigmund's sister, Mrs. H. B. Arnold of Spokane.

**Separate Bureau of U. S. Dept. Is Promised**

CORVALLIS, Aug. 3.—Spirited applause during the National Home Economics conference in session here came last night when a letter was read from Henry C. Wallace, secretary of agriculture, stating that home economics work is to be made an independent federal bureau. C. W. Pugsley, assistant secretary of agriculture, read the message, which follows in part:

"We have in mind to greatly strengthen the scientific work of the department as it may be related to home economics. Ultimately I have in view making the home economics work an independent bureau ranking with the other bureaus of the department and placing at the head of it a woman of executive ability, thorough scientific training and broad and sympathetic undertaking of what is needed to make such a bureau most helpful to the women of the land."

Dr. Alice Blood, head of the home economics work at Simmons college, Mass., is the choice of the nominating committee for president. Miss Richardson of the federal board of vocational education at Washington, D. C., is recommended for vice president, and Miss Mary Sweeney, present president, is to be run for councilor at large.

In cars furnished by townspeople the visitors yesterday were shown the country surrounding Corvallis, while the local Chamber of Commerce served dinner on the college campus beneath the trying tree.

"Extension Work for Women" is the subject of a talk which C. W. Pugsley, assistant secretary of agriculture, gave last night. He left immediately after to continue his tour of the Willamette valley. Dr. Caroline Hedger, of Chicago, spoke on "What the Community Owes the Child."

So successful was the banquet of Omicron Nu sorority, home economics fraternity that the eighty-two members present voted to make it an annual affair. The girls of Oregon Agricultural college instituted the custom at this time.

It is estimated that the total number attending the conference runs over 600.

The Egyptians are trying to build a constitution. It may be constructed without straw, but it won't last long.
