Valley Wheat Excellent Says Veteran Dealer It is stated by D. A. White, the veteran grain buyer and seedman, that the Willamette valley never produced a better quality of fall wheat than this season. It is hard, and exceptionally clean, and full weight, and in every way is a positive surprise

MAY PUT OFF DEER HUNTING

Postponement of Season Probably Necessary Because of Fires The deer hunting season opens in both eastern and western Oregon on August 20. Department Overburdened The entire forestry organization of the state, supplemented by several government airplane patrols, is already overburdened with handling the fire situation. The operation of hunters is always a menace to the forests if the weather is dry. Danger Imminent While there are no large fires

er, who is in conference with Governor Olcott relative to conditions in the Oregon timber areas. Governor May Asks Should the hunting season be postponed it would be by proclamation of the governor, who has authority to set aside the law of conditions, as represented to him by the state forester, warrant the action. The deer hunting season opens in both eastern and western Oregon on August 20. Department Overburdened The entire forestry organization of the state, supplemented by several government airplane patrols, is already overburdened with handling the fire situation. The operation of hunters is always a menace to the forests if the weather is dry. Danger Imminent While there are no large fires

in the state at the present time numerous small ones are reported. "An east wind for 24 hours, said State Forester Elliott, "would cause the fires to become as disastrous as they were in 1910."
