Helped His Back

Backache, rheumatic pains, dizziness and blurred vision are symptoms of kidney trouble. "My husband had a bad back," writes Mrs. M. McCullough, Easton, Pa. "When he sat down he could hardly get up and then he would be drawn over to one side. He tried Foley Kidney Pills and they cured him." Foley Kidney Pills quickly relieve kidney and bladder trouble. Sold everywhere.

Very Important Letter Is Waiting for Someone

Somebody might find a letter belonging to herself at the post-office. The sleuths and crystal-gazers of the department have been trying to read the inscription, and have about given it up, but it looks approximately like "Mrs. Claud Grived Frisino Monmouth, care Davis Store." Maybe the above isn't right at all, but it might be of importance to some one. Nine letters out of 10 of the very few that ever go wrong are misdirected.

The Salem postoffice is enjoying a let-up in general delivery mail, as the tourist season begins to taper off a bit. Hundreds of travelers have their mail directed to Salem, knowing that they will eventually get here during the season, and sometimes it piles up by the trunkful and the bale. Many of them have already finished their touring peregrinations, and are fleeing for home to take up the white man's burden of paying the vacation bills. They have collected their mail and their last "forward" has been written and wiped off the books. The tourist mail adds only worry, and no new revenue, to the local office.

The C. O. D. business of the postoffice is growing into one of the busiest sections of the whole establishment. Many automobile parts are ordered from Portland, on which the price is not quite known. An order can be phoned in and the parts sent by C. O. D. mail, with sometimes only a brief wait. The C. O. D. service costs only 10 cents extra. A special delivery stamp, for 10 cents, can be added and the packages will be delivered any time between 6 a.m. and 11 p.m., without waiting for the regular twice-a-day mail deliveries.

The C. O. D. service extends to the rural routes as well as in the city.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur As Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.—Adv.

HOME BUILDERS

Face the Facts

You **MUST** pay rent unless you **OWN** a home.

If you pay \$30 rent for 120 months you will pay \$3,600 for the privilege of living in the other fellow's house and then you'll begin all over again and pay rent for another 120 months.

The landlord won't deed you a home, even for a thousand months' rent; AND THAT'S THE TRUTH!

YOU CAN OWN A HOME paid for with rent, there are a dozen different methods through which you, Mr. Wage Earner, can acquire a home of your own. Do not delay, **INVESTIGATE**. Call upon any of the firms whose names appear below, they will be glad to assist you with reliable information as to how you may accomplish the acquisition of a home of your own.

**DO NOT BUILD UPON THE SANDS OF RENT RECEIPTS;
BUILD UPON THE SOLID FOUNDATION OF YOUR OWN
HOME**

This is the last of a series of ten advertisements which have appeared weekly in The Statesman. The "Own Your Home" movement is nation-wide in its scope and these advertisements are printed to stimulate home building in Salem.

WHY I LIKE MY HOME

Story Contest for Children Under 16

\$2.00—First Prize

1.50—Second Prize

1.00—Third Prize

.50—Fourth Prize

HERE'S your opportunity to see whether you have in the family an embryonic Mark Twain, a Francis Hodgson Burnett or an advertising man or woman. Through the generosity of a number of our merchants several prizes have been offered on "Why I like my home" and it gives the children a chance to tell in their own words just why they like their home surroundings.

We don't want to make too many suggestions about the essays for it tends to limit the imagination of the child, but we want to emphasize the fact if there is a romping dog, or a friend of the child's, he might very well find a place in the story. Same way with the cat—sweetheart next door—the child's garden—play room—dad's garage—the family automobile—the interior of the house, the attic, papa, mama, auntie and grandparents are all proper subjects for partial discussion.

In other words, have your child or child friend write on "why he loves his home"—why his home is dear to him—all of us grown ups know what "Home Sweet Home" means—but few know the child's idea of it.

The best stories will be paid for with prizes enumerated in the heading—every child has a chance—for the age of the kiddie will be taken into consideration. The best stories will be published in the Statesman.
