"You probably have heard that they don't like me at the Carlton club. The fact seems to have added to the number of my friends, not only at Leicester but all along the route. I have never witnessed such remarkable demonstrations.

"We won the war together and peace was being helped by all sections. We were pulling through together and now the Carlton club orders-party first. No wonder some of the ablest and most experienced leaders in the Conservative party protested against that order and declined to carry it out."

The Liberal assocolation at Nottingham presented Mr. Lloyd George with an address to which the little Welshman replied that he was standing for national unity while at Sheffield he told the crowd that gathered about his car that the Carlton club had deliberately wrecked the organization which won the war.

General Election Certain LONDON, Oct. 20 .- (By the Associated Press)-In the still highly speculative political situation tonight only two facts stood out as definite-that there will be almost immediately a general election and that parliamentary ratification of the Irish constitution is safely assured.

Andrew Bonar Law, who is to lead the new government which will take the place of that of David Lloyd George, in a message to an evening newspaper confirmed his intention to advise King George immediately to dissolve parliament and added that " this fact would give ample time to deal with the Irish legislation. He did not indicate, however, whether the present parliament would re assemble according to schedule on November 14 to deal with the Irish question, or whether general elections would be held immediately and the Irish
