Story of Caves Told-

The photos and the descriptions of the Oregon Caves in Josephine county as given in the last issue of The Oregon Magazine show a veritable wonderland that ought to make people wonder what kind of a joyful mood Mother Nature was in when she dug the giant holes and tunnels and lined them with sparkling marble crystals and grotesque statuary. It is a beautiful picture of wonderland, and it's worth two bits

Demonstration of an entirely new kind of soap

Takes the place of bar soap for the regular family wash

Soap for the family washing different from anything you have ever used.

Soap so pure and cleansing that just soaking clothes in its big lasting suds loosens the dirt. Only a few pieces need to be rubbed—the very dirtiest. This is why Rinso is taking the place of bar soap in the family wash.

Rinso suds work down into every fold and fibre, loosening the dirt without weakening a single thread. Use enough Rinso and you'll find that, at every step of the family wash, Rinso saves time and work. As remarkable for the family wash as LUX is for fine

laundering. Be sure to see this demonstration. Learn the easy

way to do your hardest job. Special Demonstration Prices:
