

CITY NEWS IN BRIEF

School Work Shows

An outline for the public schools of Marion county for the second quarter of 1922-23, is being prepared in the office of the county school superintendent, and is to be mailed out to all the school districts within the next few days. This indicates the progress that the schools should be making in their regular class work. In general, the Marion county schools are doing excellent work according to Mrs. Mary Fulkerson, county superintendent.

Kiwanians Meet Today

The Kiwanis club meets today as usual for the weekly luncheon at the Hotel Marion. It will be mostly a business session, with some important matters to be brought up for discussion. All

the delinquent attendance-prize orators are to be rounded up for three-minute orations on what they find in their visits to the business houses of the prize givers. Several of these speakers are due for this meeting. Miss Kathleen LaRaut is to sing, and John Carson gives the attendance prize for the day.

Members Initiated

A beautiful ceremonial initiating the new girls of Willamette university into the Y.W.C.A. of the institution was held Monday afternoon at one of the society rooms in Waller hall. Ninety of the new girls were received into the association with a regular ceremonial that marks "Recognition Day" for each successive year. The new members, clad in

white, marched into the darkened rooms, each with a lighted candle on a blue holder, the colors of the association and the emblem of unselfish helpfulness wherever the Y. W. is found.

Bible Class to Meet—Mrs. C. A. Park's Bible class will meet this afternoon in the library.

Escapes from Hospital—Fred Perry, a patient at the state hospital for the insane, escaped Sunday and has not yet been recovered.

Few Cases Filed—Not a single case was filed in the circuit court Saturday and only three papers of all kinds on Monday. This may not be the absolute minimum record for the same length of time, but officers of the court say that it approaches the record if it does not certainly constitute the smallest filing for two consecutive days. Only one marriage license was issued Saturday, and none Monday.

Card of Thanks—We wish to thank our friends for their many acts of kindness during our bereavement from the loss of our son and brother, David S. Goode. Mrs. M. M. Goode, and family.—Adv.

Two Students Register—Miss Mae Beissel of Wenatchee registered Monday at Willamette university. She is a senior, who was in the university last year. Miss Emma S. Sheilbourne of Amity also registered the same day in the junior class.

Is Literary Attraction—Vachel Lindsey, "the tramp poet," is being billed as the star literary attraction of the year for

Salem. Last year it was Edwin Markham who was hailed as the literary lion of the year, and now Lindsey is coming with as different a line as could be imagined. The Lindsey appearance is at Waller hall Friday October 27th, under the auspices of the university and the Salem Arts league.

Legal Blanks—Get them at The Statesman office. Catalog on application.—Adv.

Mrs. Davis Freed—Sarah Davis was on Monday given a decree of divorce from Doris Davis, with the custody of their two children and \$30 a month for the support of the children. Brutality and non-support are given as the grounds for the action.

Building Near Completion—All the moulds and false work have been removed from the new Bonesteel building on South Commercial street and the hot-stuff roof was being put on Monday. The building is fast approaching the completion stage. It has three full stories, with an elevator running to all three floors. The building will be of fireproof walls, concrete reinforced with steel, and the other construction is of such kind as to be proof-burning if not actually fireproof. It will be one of the notable automobile houses of the Willamette valley.

Speakers Coming—Election day is only two weeks off, on November 7. Up to date there has not been a political meeting of any kind held in Salem. Several meetings are scheduled for later in the campaign, however. Walter Pierce is to be here the night of October 27, and Congressman W. C. Hawley may speak on political subjects, before election day.

Letter is Stalled—Somebody, unnamed to date, will be expecting a letter addressed to "245 1/2 St., St. James Hotel, Room 7." The St. James hotel failed to get its name down in the Salem directory when it last moved, and the postoffice doesn't know where the letter belongs.

Experienced Waitresses Wanted—At The Gray Belle.—Adv.

Vote Counted Again—Another count of the straw ballot on governor at the Tyler drug store was made last night. It gave Walter M. Pierce, Democratic candidate, 214 votes; and Ben W. Olcott, Republican candidate, 78 votes. A ballot was taken last week at the barber shop of Newberry & Tumbleton, 173 N. Liberty street, at which a total of 74 votes were cast for the Republican and Democratic candidates for the governorship. The box was opened and the votes counted when the shop closed Saturday night, the result showing 21 ballots for Olcott to 53 for Pierce.

W. A. Pettit, who has been with Governor Olcott in eastern Oregon for the last week, returned to Salem Sunday evening and left again yesterday for St. Helens where Governor Olcott spoke last night.

Mr. and Mrs. Frank Brown of Dallas spent Sunday in Salem.

Another Oratory Class May be Found Necessary

The threat that Salem would soon be "lousy with orators" promises to be fulfilled in the very near future. So fetching has been the idea of the Y. M. C. A. course in public speaking, that not only was the first class of 25 filled within one day, but enough other applications have been made to fill almost a whole second class. The hope is that instead of classes of 25, two classes of 20

DIED

ERICKSON—Mrs. Mary Erickson, 72, died early this morning at the family home, 2660 Oak street. Besides the husband, August Erickson, the deceased is survived by three sons, Ernest, Victor and Robert, and one daughter, Mrs. Lloyd Stiffler, all of Salem. Extreme changes of weather during Fall cause many colds and coughs. For quick relief from throat, chest and bronchial trouble, coughs, colds and croup use Foley's Honey and Tar. School district No. 8, Malheur county, at 5 per cent, less one-fourth of 1 per cent.

Three Rushing Parties at Willamette University

Three different rushing parties were given Saturday night by the Chresto Literary society of Willamette university. One was at the Chresto hall, one at the home of Mr. and Mrs. J. B. Littler on Chemeke street and the third at the Chestnut farm. Halloween decorations were used at the different places. Thirty couples were entertained at the Chresto halls on the Willamette campus where games and acquaintance forming plays were held. Merle Bonney was director of activities, Miss Grace Jasper receiver of guests and Miss Irene Berg in charge of the refreshments. The Littler home on Chemeke street was attractively decorated with fall leaves, red buds and berries. The unique feature of the evening was the auto-service

station staff. Two young men dressed in the regulation service station costume gave the guests favors of autolike design. A hay-rack party was given the guests at the Chestnut farm. Thirty couples were transported there from Lausanne hall. The decorations were of cornstalks, autumn leaves, pumpkins, and different harvest offerings. Halloween features were also in evidence. Miss Helen Hoover was in charge of this group with Albert Logan director of activities. Edward Warren entertained with a solo.

Why Teeth Show

In pictures—and everywhere today
Millions are removing film

Have you noted how most pictures now show pretty teeth? And how countless people, wherever you look, show beautiful teeth when they smile nowadays?

Those are results of this new way of teeth cleaning, which millions now employ. Now we urge you to try it at our cost, and to start today.

Try combating film
Until last year, nearly all teeth were kept clouded by a film. And 49 in 50 people suffered from film attacks.

Film is that viscous coat you feel. It clings to teeth, gets between the teeth and stays. It forms the basis of dingy coats, including tartar, unless you constantly combat it. Stains are absorbed by that film.

It also holds food substances which ferment and form acid. It holds the acid in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

Thus most tooth troubles are now traced to film. And all those troubles were constantly increasing, despite all care of the teeth.

Old ways ineffective
No ordinary tooth paste effectively fights film. In fact, tooth pastes based on soap and chalk even make the film more clinging.

So dental science has for years been seeking film combatants. Two effective methods have been found. Able authorities proved them by many careful tests. And now leading dentists almost the world over advise their daily use.

A new-type tooth paste has been created, based on modern research. The name is Pepsodent. In that tooth paste are embodied those two film combatants—one to curdle the film, one to remove it.

Careful people of fifty nations are now using this new method, largely by dental advice. To millions of homes it is bringing a new dental era.

Brings Added Charms and Quickly

You will see the Pepsodent effects, amazing and delightful, after very little use.

Present the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of this viscous film. See how teeth whiten as the film-coats disappear.

New beauty, new charm, comes with those whiter teeth. Also new safety, new cleanliness. Not by scouring teeth in any harmful way, but by fitting the film for easy removal.

This means too much to you and yours to be longer overlooked. Cut out this coupon now and present it at your store.
