Inspired by unexpected strength in Liverpool quotations, wheat traders in Chicago took generally to tme buying side of the market at the opening. Many of the 2.25 early buyers, however, soon switched to selling because of reports that the dry area of the western wheat crop belt had been given some relief, light to heavy showers being reported throughout the entire district, with more 2.10 rain in sight. Indications of lessened car scarcity southwest counted temporarily also as a bearish factor.
