EYES OF STATE ON CORVALLIS WHERE BIG GAME IS NEAR

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 14. — A Homecoming week-end to make the whole state resound November 17, 18 and 19, is to be built around the annual clash between the football teams of the state university and college in an effort to break the two 0 to 0 ties played in the past two years.

The far reaching effect of the Homecoming time extends to every little town in the remotest corner of the state, and to many students outside the state, according to letters pouring in to the Greater O. A. C. committee.

Caravan in Two Sections

An auto caravan from Portland made up of more than 100 cars will come to Corvallis in two sections, and reports that several private caravans are coming from southern and eastern Oregon have been received. Personal literature sent out by students has brought an unprecedented list of answers, and fraternity houses, hotels, halls and private homes will be taxed to the utmost to provide accommodations.

"Home to Victory—We'll romp on the green," is the official war cry adopted by the committee in charge. Seats in the huge grandstand are going like hot cakes, according to Carl Lodell, student body manager, and the thousands of football fans expect to see a thrilling struggle, say letters accompanying reservations.

Corvallis Prepared

Corvallis will blossom out in orange and black, everything on wheels in the city to be pressed into service, decorated in college colors, and used in a mammoth "Aggie" march and parade through the streets.

The college band will lead the parade to the bonfire prepared by the "rooks." When the flame

dies down the crowd will go to the armory, where the old time gridiron warriors will instill the "old fight" in the student body.

Freshmen and sophomores will stage their traditional bag rush Saturday morning on the east campus, and the college soccer team will meet North Pacific Dental college of Portland at 10:30 o'clock.

Luncheons Scheduled

Three luncheons at 12 o'clock Saturday will bring together most of the prominent persons of the state. Nearly 60 editors will be entertained by the student body of the college with Sigma Delta Chi, journalistic fraternity, acting hosts. Their wives will be feted by Scribe, women's journalistic society, and the entire college tea room will be turned over to Alumni for the alumni banquet.

A cross country run between the University of Oregon and the college teams will precede the football game. The parade of all letter men ever graduated from the college, and all now attending, will be one of the features of the afternoon.

Underclassmen Banned

The "Beaver Feed," at 6 o'clock will bring together many persons interested in the college—regents, faculty members, alumni, students and friends—for a grand spread in the college tea room, promises the Greater O.A.C. committee. Speeches and toasts make the occasion.

Growth in attendance at the Homecoming dance each year has made it necessary to ban underclassmen. Only juniors and seniors will be allowed to gather with the alumni and friends of the college for the dance. Underclassmen will dance in separate halls.

NOTHIN' DOIN' WOMEN SAY TO COURT CALL

in that jury box and weigh the evidence dispassionately.

Rhyme and Reason, Too

And there's another dark secret about this "proof" of woman's culpability in wishing to shirk jury duty. The men—ah, the men!

When the autumn sun's a-shining on the shiny shiny bird, and the squirrel's a-shippin' loudly with a challenge most absurd, and the apple trees are laden with their loads of golden fruit, and the smooth highway is sounding to the auto's toot-toot, and the wanderlust is tingling in each wanderluster's toes, and one doesn't care a copper where he comes or where he goes, then the men, too, think the sheriff is a scoundrel grin and black when he comes to serve a summons to the jury box and rack. They would shoot him, burn him, scalp him, drown him in the deepest sea, when he comes to make 'em jurors in his legal majesty. If they could, they'd all escape him, leaving George to do the work—and this George would be the woman whom they say's a jury shirk.

Comparison Not Fair

It is the opinion of the court that if the bars were let down as far for the men as for the women, they'd have to agree to juries of two or three in a case, for there wouldn't be enough brave, patriotic jury-serving men left at the court house to say "Gentlemen of the jury" to. The court would say

Butte Boxer Too Much for Terrin of St. Paul

BUTTE, Mont., Nov. 14.—After Joe Simonich of Butte had taken every round by a wide margin from Sammy Terrin of St. Paul, Mike Gibbons, manager of the Minnesota boxer, who was in distress, ended the fight in the 10th round by tossing a towel into the ring. Simonich weighed 145 and Terrin 147. Simonich carried the fight to Terrin from the start of the bout, which was scheduled for 12 rounds.

Farmer Lodge, 222 pounds, also a member of the Gibbons-Collins St. Paul stable, had things his own way in what was scheduled for a 10 round go with George Pappas, 188, of San Francisco, and scored a technical knockout when the fight was stopped in the second round.

Johnny Goggins, 129, of Burke, Idaho, won a six-round decision from Buster Brandon, 126, of Brandon, and Young O'Dowd scored a technical knockout over Dubois of Butte in the third round of the curtain raiser. The last two were matched for four rounds at 140 pounds.

WILL HOPPE GIVES CLEVER EXHIBITION

Cue and Ivory Artist's Dazing Speed Completely Masters Horemans

NEW YORK, Nov. 14.—Willie Hoppe gave one of his most impressive exhibitions with the cue and ivory globes tonight while engaged in defeating Edouard Horemans, the Belgian champion. It was the first appearance of the dethroned champion in the international billiards championship tournament. The appearance of Hoppe in the competition to regain the crown which Jake Schaefer took from him was marked by brilliant and sensational play as he outplayed the Belgian by the score of 560 points to 177.

Hoppe maintained close formations throughout the contest. Much of manipulation was ballkine nrtling of the truest type. While not entirely free and fluent of stroke, for there was a propensity to fiddle on occasions and especially when attempting a masse.

Hoppe's employment of English angles and speed so completely mastered Horemans as to leave him hopeless, trailing after the early innings.

Hoppe's average was 55 5-9, the best of the tournament so far, and his high runs 134, 99 and 97. Horemans did not employ his famous masse with the usual success. His average was 19 6-9, and his best runs 70, 62 and 25.

Champion Senegalese Also Taboo in Italy

ROME, Nov. 14.—All efforts to arrange a bout between "Bat-tling" Siki and Giuseppe Spalla of Milan have resulted in the closing of the doors of every boxing club in Italy against the Senegalese.

The Italian boxing federation, learning that Siki's friends in Milan, where he is well known and has appeared several times, were making overtures for a bout between him and Spalla, informed all promoters in Turin, Milan, Naples and Rome that their licenses would be revoked if they staged a match in which Siki participated.

Claims Article Biased

Mr. Edge's petition alleged that the defendants "had caused to be published a scurrilous and inflammatory article, with false and misleading headlines, calculated to excite prejudice" against the sixteen charged with subornation of perjury. "In the minds of the jurors then in attendance on the court," to make it impossible for Edge and the others to "have a fair and impartial trial."

The petition further alleged that the article in question had been the culmination of a "campaign of propaganda" against Codd, his attorneys and witnesses, commencing immediately after the acquittal from the murder charge.

Stabilization of Mark Said to Be Impossible Until Reparations Suspended

BERLIN, Nov. 14.—(By the Associated Press)—The German note to the reparations commission made public here today contends that final stabilization of the mark can only be possible after the reparations question has been definitely settled in accordance with Germany's capacity to pay.

Since Germany cannot await such a final settlement, she proposes a provisional one, but even to achieve this foreign assistance must be forthcoming. The Reichbank is declared to be in readiness to place 500,000,000 gold marks at the disposal of the government for the purpose of stabilization.

Offers Terms

The project, it is set forth, depends upon the following conditions.

1.—Germany must be freed for three or four years from all payments in cash or kind under the treaty of Versailles, although she will continue to make deliveries in kind for the devastated areas so far as these do not entail any increase in her floating debt.

2.—Germany considers she should receive a minimum of 500,000 gold marks from foreign banks.

The foregoing conditions the Reichbank considers necessary prior to giving the gold from its reserve. The money to be advanced by the Reichbank and by the foreign banks would be administered by an independent board. When the progress of stabilization is sufficiently advanced, the German government will issue an internal gold loan.

Budget Claimed Unbalanced

Half the proceeds of the internal loan and the full yield from the foreign loans will be utilized to cover the payments in cash and in kind due under the Versailles treaty, and the other half of the proceeds of the internal loan will be applied to the requirements of Germany's own budget.

These measures, it is declared, will enable Germany to balance her budget, check the increase in her floating debt and discontinue discounting treasury bills with the Reichsbank.

Wasserman Found Dead in Tub Preceding Failure of New York Bond House

NEW YORK, Nov. 14.—The financial affairs of the stock brokerage firm of Wasserman Brothers collapsed dramatically today after the head of the firm, Jesse A. Wasserman had committed suicide in his uptown home.

Shortly before last midnight a maid found Wasserman lying partly submerged in his bath tub, with a bullet in his brain and a revolver nearby.

House Falls

At noon today the failure of Wasserman Brothers was announced from the rostrum of the New York stock exchange. Shortly thereafter co-partners in the concern, fearing a run of creditors, accepted without protest the appointment of a receiver in an involuntary petition in bankruptcy filed in federal court by a client to whom the firm owed \$42,000.

Unsecured liabilities were estimated at \$750,000 while available credits of about \$500,000 with which to meet outstanding claims.

What you should pay for a rubber boot

When you buy boots you should pay enough to get a pair that will give you most wear per dollar. Buy them as you would tires. Cheap boots which last only one season actually cost more in the long run than a better pair you can wear for several seasons.

Be sure it's Pure Virgin Rubber

Be sure you get pure virgin rubber, Virgin rubber, you know is new, lively rubber that has never been used before. It never takes on a dull lifelessness, color that reflects inelasticity. It is never honey-combed with the small cracks which become big cracks.

Goodyear Gold Seal boots are made from pure virgin rubber.

We vulcanize the layers of fabric and rubber by a special vacuum pressure process. We put the ribs and reinforcements where the bending and the wear come. Gold Seal boots are crack proof!

We first made Gold Seal boots back in the seventies

to withstand the grueling use of miners and fishermen. Today they are still the standard.

Gold Seal boots outwear ordinary boots.

Good stores all up and down the Pacific Coast sell them in various weights and heights. Men who are out o'doors a great deal wear Gold Seal oiled clothing, too.
