AGGIES MUST SHOW FIGHT

Opinion of Sporting Writers Appears to Favor State University

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 15.—(Special to The Statesman).—The Aggies will have to show more fight than they have shown in any other game this season if they win their annual game with the University of Oregon in the opinion of many sport writers who attended the W. S. C.-Oregon game. The fact that Oregon excels in forward passing, the Aggies' weakness, is causing considerable worry in the Aggie camp.

Rutherford will run his men through four of the heaviest days of practice this year. "Dad" Butler reports the squad to be in the best of condition, with the exception of Herb Rich, the Aggie center, who is still having trouble with bad knees.

Gill Going Good
Luke Gill, the stellar halfback, is in the lineup and is going as good as ever. "Evy" Miller will play the other half, and "Reg" Tousey will preside at full. Dick Garber will play quarter with Hughie McKenna, far-famed for his slippery work, in reserve.

Rutherford is worrying little about the line. Scott and McPadden, ends, will give Oregon the benefit of their two years of experience and 190 pounds of avoirdupois. Captain Lacey and Mickelwaite will play tackle, and Ed Clarke and Ash guards.

Center Not Placed
Just who will be the Aggie center is unknown, but if Rich falls to recover in time it is probable that Hjelte, the powerful basketball star, will face the Oregon line when the whistle blows. Should any of the first string men be injured this week, Rutherford has a combination of substitutes to fill their places.

Ticket sales for the game indicate a large attendance. Four days are left for the sale, and a large percentage of the best seats has already been sold.

JAKE SCHAEFER YET UNDEFEATED

Roger Conti, French Champion, Beaten by American Billiard Wizard

NEW YORK, Nov. 15.—Jake Schaefer maintained his position as an undefeated contender in the international 18.2 balkline billiards championship tournament here tonight. He outplayed Roger Conti, the Frenchman, 500 to 251 points.

That was not all. Schaefer equaled the average of 55.5-9 that Willie Hoppe set last night as the record average of the present tournament. He also set up a new record high run for this competition with a massive compilation of 195. This run had been immediately preceded by 129. The champion had another run of 94. All of his play was rapid and he favored the short rails throughout.

Conti began poorly. He was not in the same stroke as a year ago when he defeated Schaefer in the tournament at Chicago. The Frenchman later strengthened his ball to ball billiards to finish with an average of 31.3-8 and high runs of 107, 87 and 43.

Standing of the players:

Player	W. L.	High Run	Aver.
Schaefer	2	0	195 55.5-9
Hoppe	1	0	134 55.5-9
Cochran	1	1	140 31.5-15
Conti	1	1	141 31.3-8
Horemans	0	1	79 19.6-19
Hagenlach	0	2	178 31.6-15

Some news that seems almost too bad to be true has been handed down to the Willamette basketball players. Albert Logan, the flashy forward of last year, one of the most promising players on the whole Pacific coast, may not be able to play at all this season.

Logan came in from his summer's work on the farm, stronger as a horse and active as an antelope. He wanted to get into football, though he had never played the game, and Coach Bohler let him in. He was fast enough and had a good enough head for the game to make the team in his first year. But several weeks ago he hurt his arm and just now the doctors have splinted it up and told him that the game is all off, at least for the present. As captain of the squad, he will still have the right to order the rooks around, but for the present, he will not be able to play.

This is a genuine disaster to the team prospects for the year. It leaves only Patton and Caghill of the year's first flying quintet to form a nucleus of a 1923 team. Patton has come through the football season without damage, and promises to do even better at the hoop game than he did last. So, too, has Caghill, and he looks much better for basketball than a year ago, but the two are pretty lonesome as a team.

Regular gymnasium work was started Wednesday at the new city hall gym, on the third floor of the city hall. Shower baths and dressing rooms have been provided, the windows have been screened to save them from breakage, the floor has been oiled and marked off for the game, and it promises to be as good a floor as any team could wish. The lighting is a bit garish, but the room itself is entirely satisfactory.

Coach Bohler has not yet seen nearly all his basketball aspirants at work, nor had a chance to measure their abilities. Just what the new year has brought is still a dark problem. There were some good players left over from varsity team but who practiced last year, who did not make the steadily enough to gain some good experience.

McKinney, Emmel, Baggott, are of the fresh team a year ago, who can be counted on as good prospects. Emmel especially looks like a winner. Irving Shepherd, who made a great record at Chemsawa, is in to try for center. He is said to be fast and accurate and with a real head for the game.

BEARCATS WILL MEET PACIFIC

Non-Conference Honors at Stake in Saturday Game at Forest Grove

What will be the whole university and all its traditions will be part of the delegation to Forest Grove, Friday, when the Willamette Bearcats go to meet the Pacific university football team. Willamette has been mopping the Pacific regularly for the past 10 years until 1921, when Coach Frank sprung a surprise and won a clean victory from the Jason Lee lads. It was a bitter humiliation, but the Bearcats had to swallow it.

This year Willamette has played a very light schedule, but through it all has had an eye on the Pacific game. Both teams have been beaten by Oregon. Pacific whitewashed the College of Puget Sound and Willamette almost beat Whitman 9 to 7. They ought to be of fair equal strength on comparative scores. The advantage of position is with Pacific, playing at home. The best of heredity, the superiority complex, should be with Willamette.

If the whole university does go over it will have enough yellers to make a formidable showing. A few good yellers are worth a lot to a team and it looks as if there will be enough of the visitors to make the moral support almost a standoff.

The Bearcats have one more game here at Salem with the college of Puget Sound or Thanksgiving day, two weeks from today.

The Salem Cherrians have been invited also as an escort and have accepted the invitation.

SALEM CAR MAN KNOWS THIEVES

Miller Recognizes Pictures of Robbers Who Held Him up in October

Charles Miller, Salem street car motorman, stated yesterday that he recognized the men who held him up October 18th and deprived him of \$7 as Wayne Dimmick, alias Dave Mason and Ernest Crabtree, alias C. E. Stevenson. They were recently captured in Portland and their pictures published in the Portland papers. Mr. Miller said that both men wore masks rather low on their faces and that because of this he was able to identify the Portland pictures.

The men covered Miller as he was changing his trolley at the end of the South Twelfth street run at about 11:30 p.m. on the evening of October 18th.

Dimmick and Crabtree have been wanted for several years and recently confessed to the Portland police of eight robberies, among them the Salem streetcar holdup and the Hopewell and Perrydale holdups.

Patton and Wagar Put on Successful Mystery Show

Monday evening, November 13, Patton-Wagar staged and pulled off one of the most successful shows ever seen in Parkersville community. The school children were delighted with the "Great tough show," and many of the old folks who hadn't laughed in many years, indulged in several roaring laughs. Mr. Patton and Mr. Wagar have a way of presenting mystery and phenomena which takes well with the people.

The two-room schoolhouse was crowded beyond seating capacity. After the close of the main show Mr. Patton called for three young men from the audience, which was quickly responded to; then he proceeded to give some hypnotic demonstrations which were very successfully creating much laughter.

Committee to Investigate Mine Disaster to Report

SAN FRANCISCO, Nov. 15.—The special committee appointed by Governor Stephens to investigate the causes of the Arzon mine disaster, in which 47 miners lost their lives last September, and to suggest means by which such accidents may be averted in the future, finished its public hearings today.

Its report is expected to be ready for Governor Stephens by December 1. The committee, which is composed of A. B. C. Dohrmann, San Francisco, merchant; W. J. Loring, owner of large mining interests in California, and J. T. Williams of Grass Valley representing the interests of the miners, will meet tomorrow to begin preparation of its report.

HARDING BEGINS WORK ON MESSAGE

Congressional Speech Expected to Deal Chiefly With Marine Bill

WASHINGTON, Nov. 15.—President Harding, after a conference today with Chairman Lasker of the shipping board, began work on his message to the extra session of congress.

The message is expected to be devoted almost entirely to a discussion of the pending merchant marine bill, as it has been asserted at the White House that the president's desire to have action on this measure expedited was the main reason for calling congress in session two weeks in advance of the regular meeting. Other legislation such as the desirability of amendments to the transportation act, may be touched upon by the executive, but it is generally believed by congressional leaders with whom the president has talked recently that presentation of detailed views on other subjects than the merchant marine bill will await the annual message to be forwarded upon the convening of congress in regular session December 1.

The president in beginning work on his message, had before him a large amount of data supplied by Chairman Lasker, all of it showing the present situation with respect to the government's war built tonnage and the necessity of prompt action by congress in the matter of a permanent policy. Mr. Lasker is expected to have several conferences with the president during the writing of the message.

"Me," said Tommy.

Timothy N. He took this step after it was reported that the authorities placed little value on the affidavit obtained by him from Mrs. Nellie Russell, stating that Mrs. Gibson was at her home at the hour she claims to have witnessed the murders.
