PANCHO VILLA WINS BATTLE

Abe Goldstein, New York Bantamweight, Defeated at Madison Square

NEW YORK, Nov. 16.—Pancho Villa, Filipino holder of the American flyweight championship, went out of his class tonight and defeated Abe Goldstein, New York bantamweight, in a 15-round contest at Madison Square garden.

Villa received the judges' decision after decisively outpointing and outpunching his heavier rival.

Villa Aggressor

Villa was the aggressor during the first three rounds. Sparring with cat-like grace, he jabbed Goldstein steadily and landed several hard lefts to the body. He drew blood from his opponent's nose in the second round. The pace quickened in the third round and both exchanged hard body blows. Goldstein seemed content to stay on the defensive.

Villa had the better of a rapid fire exchange in the fourth, landing several slashing lefts to Goldstein's head and body.

Both Fists Used

Goldstein shook Villa with two left hooks to the jaw in the fifth after a slow session of sparring. The Filipino scored with both fists repeatedly in the sixth as he carried the fight to Goldstein, who had landed few telling blows so far.

The next three rounds were slow. Villa shot over his left effectively several times in the seventh, while Goldstein missed a number of swings on the Filipino's jaw. Goldstein jabbed Villa repeatedly with his right in the eighth, but apparently with little effect. The Filipino swung wildly in the eighth after Goldstein landed a hard right to the jaw, but came back with a piston-

like attack to his opponent's body.

Fight Gets Faster

Villa set a faster pace in the 10th and 11th, driving with his left to Goldstein's body as he ducked and danced around his opponent. Goldstein whipped over his left and crossed with his right to the jaw several times in the 12th, his first real blows in several rounds. The Filipino rushed the fighting at the bell and forced a fresh stream of blood from Goldstein's nose.

Goldstein blocked most of Villa's rushes in the 13th, but not without absorbing considerable punishment as his opponent directed a two-handed attack to the head and body.

Villa Furious at End

Villa had the best of the exchange in the 14th, his hard lefts and swinging rights keeping Goldstein on the defensive throughout. Villa started the 15th furiously, driving Goldstein about the ring as he shot over damaging lefts to face. He shook Goldstein with a wicked hook to the chin. The final bell rang with Villa pounding both fists to Goldstein's body.

BEARCATS PLAY PACIFIC TODAY

Bonfire and Rally Held Last Night—Big Send-off for Team Today

The biggest bonfire of the year was held last night on Sweetland field when the Bearcats and kittens had their grand pow-wow preparatory to pulverizing Pacific this afternoon. If they can only play as successful football as they can build bonfires, there won't be enough chips left of Pacific to reconstruct a synthetic toothpick. A college education is one of the most wonderful things a-going—when it can teach 560 young people, practically untrained in kindling fires, to make such a magnificent bonfire as this one was.

The Bearcats, 20 strong, and their friends to the number of 125 or more, are to go today by way of Oregon Electric to make an imposing showing before the P. U. crowd at Forest Grove. The team is in fine condition, and has had time to put on some fancy stuff that ought to give the enemy a mighty kick when it is tried. Coach Bohler has perfected some new plays that may be used.

But apart from this fancy new stuff, there is the old football—gag—Cramer through the line, Zeller through the line, Sherwood and Stoelzeise tearing 'em up like tissue paper and dragging the ball carrier along after them, and so on—the regular cave man football that always wins something. Pacific is a bit the heavier, and probably the better seasoned as a whole team, but Zeller and Patton and Cramer and Isham bring enough experience to help steady a new team wonderfully.

Pacific is said to play a particularly good game on passing, while Willamette has not done well in that style of game. But if the line will give him a chance, Zeller is counted on to show some of the finest running ever displayed on a football field. Most backs carrying the ball are easy to overhaul on a long run. Nobody ever touched Zeller after he got clear of the ruck.

A number of pep talks were made at the bonfire by Bearcats and by others. "Fat" Zeller told them that this was his fourth year, and they were going to legislate him out of the game—but not until the Bearcats had buried their fangs clear to the hilt in the largest portion of Pacific's anatomy. SIX TEAMS ARE WORKING HARD

Commercial League Series Brings Much Speculation from Local Fans

Six teams of fast basketball men are working at the Y. M. C. A. getting ready for the big Commercial league series that is to open Tuesday night, Nov. 21.

Under the present arrangement, there will be three full games each playing night, Tuesdays and Fridays. At that, the series will run for more than a month, counting the final playoff. Each team meets each other team for two games, and the two high teams will meet for the third time before it is all over.

The railbirds who like to pick the winners and tell their friends all about it have gotten all gotten the hysterics guessing on the winner. All the teams are showing up so well, with varying kinds of excellence, that the guessing range runs from the top to the bottom of the list. There are star players in all the teams, and all are working almost equally hard in practice.

The Central Pharmacy team is perhaps the lightest of the lot, being composed mostly of last year's fast Salem high team, "Pick" Lenon, Petram, Daue and others. The Better-Yets have more height, weight, experience, though they also have two of the Sociolofskys who shone for Salem high last year.

The Anderson and Brown team has Ted Girod and E. Lieske, of the fast Waconda team of last year; Homer Hulsey, G. Harra, H. Kelly of Salem high, and G. Cadwell, all of whom are fast and hard. The Bonesteel brothers in the Bonesteel team show up well, along with the rest of their fast team mates.

It ought to be a dead heat from first to last, with only luck to decide who gets the lead. The games are to be played on the Y. M. C. A. floor.

run of 244 for the international 18.2 balkline billiard championship tournament in his match against Erich Hagelacher, German, at the Hotel Pennsylvania today. Horemans also had runs of 162 and 60 while his opponent had runs of 120, 78 and 94. The final score in favor of Horemans was 500 to 301. Horemans finished his string with an average of 25 10-14. The German's average was 21 7-14.

The two games scheduled for Friday bring together Roger Conitt, the Frenchman, and Erich Hagelacher, the German, in the afternoon match. Jake Schaefer and Edouard Horemans, the Belgian, meet in the night contest.

Victory of 500 to 162 Built up on Two Massive Runs Last Night

NEW YORK, Nov. 16.—Willie Hoppe won his second match in the international 18.2 balkline billiard championship tournament. His victory of 500 to 162 over a Wiker Cochran was built up on two massive runs of 192 and 169. The third best run was 63. The average of the former champion was 55 5-9. Cochran fell to an average of 20 2-8.

Throughout his many runs, Hoppe chiefly favored rolling carams of the somewhat free-handed variety. His stroke appeared unsuited to sustained nursing. The result was brilliantly played carams which his skill at cushion and position made possible.

SMEAR OREGON IS AGGIE PASS-WORD

Students Say It in Classes When Prof. Calls Roll—Ready for the Fray

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 16. — (Special to The Statesman) — Oregon Agricultural College is eating, sleeping, drinking to one thought this week, "Smear Oregon" is the cry heard on every side. From classroom to dining table this is the password of the Aggies.

The time-honored "here" has been relegated to the land where the dodo has flitted and has become as extinct as this once popular bird in classes. When "roll" is called "Smear Oregon" are shouted from Alphas to Omegas.

Co-eds in one sorority house ask to be excused from the table with these words, receiving the emphatic reply from the heads of the family board, "We will." Impromptu rallies are being held between classes, while students waiting for the prof to arrive substitute Aggie fighting songs for the last minute cramming.

Three thousand tin horns have been ordered and will be placed on sale Thursday by the pep committee. Three thousand separate and distinct notes are expected to blend Friday night into one blast of noise which will sweep the Lemon and Yellow opponents off their feet.

With only three days remaining before the boom of cannon, summoning Aggies, "old grads," and other O.A.C. visitors to the rally Friday night, literally opening homecoming with a bang, the committee on decorations is getting its plans lined up.

Engineers will decorate the stadium and Bell field so that the crooks may be relieved of their usual task of bedecking the entire campus in the college colors and devote more time to erecting the annual holocaust.

Of course, William Gibbs McAdoo is not a candidate for president in 1924. He is simply tramping down the grass throughout the middle west for exercise. Certainly.—Exchange.
