The cause is just. The need is urgent. The time is now. All is going well with the enthusiasm and willingness of the workers. But the undertaking is large. It calls for the completion of the fund of a million and a quarter of dollars by the night of December 20th; only a little more than a month away

It is to be presumed that there is no violation of confidence when it is stated that about a half million dollars are yet to be pledged-that is, definitely pledged.

> O R'E GON AGRICULTURAL COLLEGE, Corvallis, Nov. 16.-(Special to the Statesman)-A cash present of \$85 and considerably more in decorating material was th egift of the merchants composing the Corvallis Chamber of Commerce, who have taken an active part toward putting homecoming festivities across, according to Zelta Feike, alumni secretary. The city will be decorated for three days, and trimmings of a Portland firm specializing in decorating of city streets shops will be used

The business portion of Corvallis and Monore, Madison and Jefferson streets, leading to the campus, will be bedecked in orange and black, with banners welcoming "old grads" and visitors to the city. Campus decorations are under charge of the rook class, with the exceptions of the Bell field, which the engineers will decorate.

The new commerce building will be the "homecoming headquarters." Signs over the campus will direct the homecomers to the building, and it will be made the center of operations. All luncheon parties not otherwise directed will meet there. The lower hall will be converted into a reception room. Rest rooms for women will be arranged in some of the class rooms, and badges of

recognition, tickets to the alumni banquet and the homecoming dance will be there for the alumní

## **Production of Mills** 2 Per Cent Under Normal

One hundred and forty-three mills reporting to West Coast Lumbermen's association for the week ending November 11, manufactured 93 790,103 feet of lums ber; sold 88,766,219 feet; and shipped 82,954,345 feet.

Production for reporting mills was 2 per cent below normal. New business 5 per cent below production. Shipments were 7 per cent below new business.

Fifty-four per cent of all new business taken during the week was for future water delivery. This amounted to 4,666,219 feet. of which 36,45,219 feet was for domestic cargo delivery by rail amounting to 1,370 cars.

Fifty-one per cent of the week's lumber shipments moved by water. This amounted to 42,694. 245 feet, of which 35,851,162 feet moved coastwise and intercoastal: and 6,843,183 feet export. Rail shipments amounted to 1.342
