PADDOCK MARKS ARE DISPUTED

Rejections of Records Made by California Sprinter Appear Imminent

NEW YORK, Nov. 20. — (By the Associated Press) — The virtual rejection of seven records submitted on behalf of Charles W. Paddock, Los Angeles Athletic club, sprinter, because of implied faulty timing and the decision to leave the question of controlling women's amateur athletic activities to the incoming board of governors, were the outstanding features of today's meeting of the American Athletic union.

Sharp controversy regarding the acceptance of Paddock's records preceded the final decision of the delegates to refer their passage to the record committee for 1923, which body will be elected at tomorrow's session.

The records claimed for Paddock were all made in one race, run at Santa Barbara, Cal., last July 4. They included what are claimed as five world's and two American records for the distances, ranging from 60 to 175 yards. They are as follows:

Sixty yards, 6 1-5 seconds; 70 yard, 7 1-1 seconds; 75 yards, 7 3-5 seconds; 80 yards, 7 4-5 seconds; 100 yards, 9 3-5 seconds; 125 yards, 12 1-5 seconds; 175 yards, 17 seconds.

The dispute over Paddock's records hinged practically on one point, the fact that only one-fifth of a second elapsed between the mark for 75 and 80 yards, Louis Goetz, chairman of the record committee, characterized this as a physical impossibility and as ground for rejection of all the records, but Lorin Andrews, spokesman for the Southern Pacific association, insisted they be accepted.

Earlier, in the day suspension of three Chicago athletic stars, Jole W. Ray, Frank Loomis and J. O. Loomis, until Decem-

ber 31, for receiving alleged exorbitant expense money from New York clubs, was made effective on the recommendation of the registration committee.

It was provided that the suspension become permanent after that date unless the funds involved are repaid as follows: Ray, \$100; Frank Loomis, \$20, and J. O. Loomis \$5.

Four other athletes were restored to good standing after long periods of ineligibility. They are Abel I. Kiviat, former long distance running star; Harry Smith, and Frank Masterson of New York, and Gardner Van Dusen of Spokane, Wash.

LOGAN IS BACK FOR BASKETBALL

Bearcat College Congratulating Itself on Healing of Player's Arm

Practically every Bearcat, old and young, is rubbing himself against every tree, every leg, and purring like a 12-cylinder motor at top speed, just like any other well-fed, satisfied cat after eating the canary and being forgiven and having a big piece of porterhouse laid out for the next lunch.

Logan is almost back in the basketball squad. He will be back this week, with both feet, and with both hands as good as ever. They thought they had lost him through his football accident that put his good right hand to the bad by a severe wrench, early in the football season that made it look as if it never would be really good again. But the doctors tied him down, carved the arm into strips for a heroic operation, glued and sewed the strips together as they should go, and now the arm is running along like a well-oiled wheel.

A Bearcat team without Logan would be like Hamlet without a ham, or the ghost scene with nothing to see or hear but a tom-

BY LOUIS RICHARD

cat on the back fence. The Bearcats are not sure just what else they are to have this year, but now that they have Logan they don't care much about the rest.

SCHAEFER WINS FROM COCHRAN

Brilliant Nursing Features Tourney Game in New York Last Night

NEW YORK, Nov. 20. — Jake Schaefer in a game filled with brilliant nursing that accentuated a lapse during the center portion of his string, defeated Walker Cochran in their match tonight in the international 18.2 balkline championship tournament. The champion, when at his best, produced some of the closest nursing seen in the tournament. The final score was 500 to 303. The defeat marked the final appearance of Cochran in the tournament in which he has won one contest and suffered defeat in four.

Schaefer closed his string with an unfinished cluster of 167. His average was 31 4-16, and his other high runs 150, 81 and 73. Cochran's average was 18 15-16 with high runs of 112, 46 and 42.

Cochran had poor breaks at critical times, but on the whole was outplayed.

Willie Hoppe, former champion scored his fourth straight victory today in the international 18.2 balkline billiards championship by defeating Erich Hagenlacher, German star, in a close match, 500 to 462. The result assured Hoppe, who has but one more match to play, of at least a tie in the tournament.

Hoppe gained his victory in a match filled with a strange medley of poor and uncertain cueing. Hoppe had an average of 22 16-22 with high runs of 117, 92 and 90. On two occasions, when juggling his cue for the shot he had to step away from the table to steady himself before continuing.

Hagenlacher made two desperate efforts to win, and but for wrong selection of shots might have done so. His average was 22, and his runs 160, 86 and 67. It marked the German's final appearance in the tournament in which he has not won a game in five starts.

Tuesday Edouard Horemans, the Belgian, and Roger Conti, the Frenchman, will meet in the matinee match and Jake Schaefer the champion will meet Willie Hoppe at night in the final match of the tournament.

In the event of a tie, which appears probable, the extra play-off matches will take place in the roof garden of the Hotel Pennsylvania.

HOOP GAMES ON TONIGHT

Commercial Basketball League Series to Open at Y. Gymnasium

At 7 o'clock tonight the Commercial Basketball league will begin operations at the Y. M. C. A. hall. There are to be three games every playing night, Tuesday and Friday, and 30 games in all will be played, the series ending on December 22—if all the teams play through the whole series as scheduled. Each team plays every night, the schedule calling for two games with every opponent during the season.

Classy Series in Prospect

Preliminary practice indicates that this ought to be the classiest series of games ever played in Salem. There are more than 40 players in the league, most of them having had college or long high school experience. There is little on which to base an estimate of the comparative strength at this time, and even the first one or two nights might not determine who is going to lead, for a 10-game series may bring a shocking lot of upsets. There are enough known stars in every team to make it certain that there will be a thrill in every game.

Coaches Will Referee

Roy Bohler and Leslie Sparks of Willamette are to referee the series, arranging their work so that each one will have part of an evening on the floor. Both these men had been requisitioned for places on the teams, but were barred on the ground that they are making athletics a business, and so are not eligible.

The games are free to all comers, and crowded houses are expected all through the series.

Prohibition Machine May Be Changed

WASHINGTON, Nov. 20.—Dramatic changes in executive and field personnel of the prohibition enforcement machine are under consideration now by Commissioner Haynes and other government officials, it was learned today. In several instances the plans being considered call for a practical reorganization of existing forces from top to bottom.

Reorganization already decided upon will result in new appointments to the higher posts in the enforcement bureaus of seven or eight states, it was indicated today. Officials here were not prepared to announce details but it was learned that the shake-up will be especially pronounced in New Jersey, Maryland, Illinois, Wisconsin, Indiana, Massachusetts and Pennsylvania and to only a slight less degree in Louisiana and another southern state.

Salem and Albany showing only one defeat each.

Corvallis plays a good team game, but so does Albany. They might readily play the Corvallis boys to a defeat, and then there would be no single champion—it would be a three way honor.

Salem has had a week of rest, and will lose nothing thereby. Ringle is expected to be back in the game at end, and Adolph will probably play the other end, being called back to kick whenever a kicking play is given. Patterson is expected to play at full, he having made good at that position, especially as a line-bucker. With Lillegren up at end when Adolph goes back to kick, the line has one of the fastest men of the team to go down on a kick, and one of the surest, hardest tacklers to guard against a long return run. There will be little or no shifting on the rest of the line, it is understood.

Amateur Athletic Union Asked to Join Federation

WASHINGTON, Nov. 20.—The board of governors of the National Amateur Athletic federation of America, decided at a meeting here today to invite the Amateur Athletic union to join the federation and, in turn, voted to seek admission to the American Olympic association.

Recognizing that certain differences exist in the constitutions of the federation and the athletic union, the board of governors empowered a committee to meet representatives of the athletic union and to work out the necessary changes that the union may become a constituent member of the federation.

LEWIS BEATS TODD

LONDON, Nov. 20.—Ted "Kid" Lewis of Eng and tonight defeated Roland Todd, also of England, in a 20-round fight for the middleweight championship and the Lonsdale belt.

TICKETS GO FAST

LINCOLN, Neb., Nov. 20.—Two hours after being placed on sale this morning, tickets for the Nebraska-Notre Dame football game to be played here on Thanksgiving day, were exhausted.

STOCK TRADE IS PICTURED

Comprehensive Exhibit Being Planned for Chicago International Show

CHICAGO, Nov. 20.—(By the Associated Press)—A comprehensive picture of the animal industry of the North American continent will be presented in the displays at the International Livestock exposition, to be held here December 2 to 9, under plans of the management.

Cattle will be gathered from every agricultural region of the country. The finest hogs produced from California to Georgia and Delaware will be found under a single enclosure. Premier flocks of sheep scattered from New York to California and from Oklahoma to Ontario, will strive for supreme honors. The horses will be representatives of the most famous strains of the continent.

Government Has Exhibit

An educational exhibit treating many phases of agriculture will comprise an entire section of the show, to be prepared by the United States department of agriculture.

Individual entries in almost every line of stock already have exceeded all previous records in the 22 years' history of the show. Thirty-three distinct breeds of

livestock will be represented in the 843 classes of the exposition and more than \$100,000 will be distributed among prize winners.

An added feature will be the First National Boys' and Girls' Club exposition under the direction of Ivan L. Hobson, states relations service, department of agriculture. The annual tour of 500 champion club members from 20 states will be conducted during the week of the show for the fourth consecutive year.

Special Fare Allowed

An open rate of fare and one-third for the round trip with a minimum excursion fare of \$2, will apply on tickets sold from points in Minnesota, North Dakota and South Dakota, east of the Missouri river, Winnipeg and points in Montana, on November 20 to December 5, and from other points on December 1 to 5. Final return limit is December 11.

Daugherty Impeachment Goes Before Committee

WASHINGTON, Nov. 20.—The impeachment charges against Attorney General Daugherty will be discussed at the regular meeting of the house judiciary committee Thursday, Chairman Volstead said today. He indicated that the charges of Representative Keller of Minnesota, might be taken up next week, instead of after December 4, as originally planned. The method of procedure in the case will be considered at a meeting Thursday.

EUGENE ELEVEN HERE SATURDAY

Salem High School in Training for Football Game With Old Rival

Salem high school is preparing for the game Saturday with Eugene high here in Salem, that will wind up their regular schedule for the year, though they have a Thanksgiving game outside their own district, at Astoria.

Albany came back last Saturday by beating Eugene 13 to 0, after Salem had walloped the Albany team to a finish earlier in the season. Corvallis beat Salem by a small score, and trimmed Eugene 18 to 0. From comparative scores, using Eugene as the medium of comparison, Albany ought to be as strong as Corvallis. Should Albany beat Corvallis, and Salem beat Eugene, which is a practical certainty, it will leave a three-cornered championship in this district, Corvallis,
