## MUDDY GRIDIRON IS IN PROSPECT

### Two Light Teams in Mire May Not Go so Good on Thanksgiving Day

What looked like genuine class in Oregon football weather was halted Monday with the coming of fog and rain. The weather had been bright and clear, and with frosts every night, and it looked as if Sweetland field were in training for a record-breaking dryness for the big Thanksgiving game between Willamette and the College of Puget Sound.

It's all off now. The field would be muddy under the present change, if it had two roofs and a floor. One of the finest items for a Thanksgiving celebration will be a pair of usable rubber boots in which to see the game.

Neither team is heavy. Both have been overpowered by the big Pacific university team, earlier this year, the northerners, however, by the larger score. Just what condition the visitors will be in is not known but the Bearcats are in the best of condition of the year, and there is practically not a sprain or bruise on them.

Stolzheim had a few log bruises from the Linfield game, though they were only temporary, and he will play Thursday. The team is light, averaging only about 162 pounds, 23 pounds less than the O. A. C. and Stanford teams, at least 10 pounds lighter than Pacific, and several pounds under Whitman, and 15 pounds less than Oregon that they met at the beginning of the season.

The game is to be called at 2 o'clock, a little earlier than most of the season's games are held, so as to be out of the way for the Thanksgiving dinner in the evening.

## Date is Set for Eastern Indoor Athletic Meet

NEW YORK, Nov. 27. — The annual inter-collegiate indoor track and field championships will be held in this city on Saturday, March 3, it was announced today at a meeting of the executive and advisory committees of the inter-collegiate association of amateur athletes of America.

The meet will be held at the armory of the 102nd regiment of engineers. It is probable that the 1924 indoor championships will be awarded to Buffalo or Baltimore as the committees are in favor of rotation, once the games are firmly established.

## SHY HUNTINGTON TO TAKE 22 MEN

### Lemon Yellow Team Leave for Seattle Fracas This Afternoon

EUGENE, Or., Nov. 27. — The University of Oregon football team will leave here tomorrow afternoon for Seattle where the annual game with University of Washington will be played on Thanksgiving day. Twenty-two men will make the trip, according to announcement of Coach Huntington. Arriving in Seattle Wednesday morning at 7 o'clock, the Oregon eleven will work out in the stadium in the afternoon in the final practice before the game. The men picked to make the trip are Terry Johnson, Spear and Bracher, ends; McKeown, Von Der Ahe, Campbell, Gooding, tackles; Captain "Tiny" Shields, Floyd Shields, Read and Byler, guards; Callison and Bill Johnson, center; Chapman and Brown, quarter; King, Jordan, Ward Johnson, Gram and Terjeson, halfbacks; Latham and Burton, fullbacks.

## Conti Leads Horemans in 1800-Point Match

NEW YORK, Nov. 27. — Roger Conti of France led Edouard Horemans of Belgium by a score of 600 to 495 in the first of two blocks of an 1800 point 18.2 ball game which began today. The match, to be continued tomorrow, virtually amounts to a contest for the championship of Europe as Conti has disputed the claim of Horemans to the title since his arrival in this country.

## VETERAN TRAINER HONORED

EUGENE, Or., Nov. 27. — Bill Hayward, veteran trainer of athletes at the University of Oregon, today was presented by the student body with a sweater with 20 service stripes on the sleeves. He has been with the university 20 years.

## LEAGUE GAMES AGAIN TONIGHT

### Three Interesting Pairings in Commercial Basketball League Series

Better-Yet Bread vs. Central Pharmacy.  
Hauser Brothers vs. Bonesteel Motor Company.  
United States National bank vs. Anderson & Brown.

These will be the pairings in the Y. M. C. A. commercial basketball league series, at the Y tonight. The games begin at 7 o'clock and last through until about 9:30—two and one-half hours of thrills like a paper of needles and an electric hot-wire, all for a dime.

The Bonesteels are the only ones that have not yet won a game; though they play a fine brand of ball and they should win some sterling victories before the series is over. The Central Pharmacy is the only other team with a double—but theirs was a double win. The other four teams have won a game each and each lost one. It is a remarkably even series, and the finish promises to be hair-raising.

## Two Tennis Leaders Are Developed in Tournament

SAN FRANCISCO, Nov. 27. — William M. Johnston, San Francisco, for the seventh time in his career, heads the list of Pacific Coast tennis stars, while Helen Willis, 17-year-old Berkeley girl, for the first time leads all other net women in northern California. Announcement of ranks was made here tonight following a meeting of the executive committee of the California lawn tennis association.

## MILL CITY WINS TWO GOOD GAMES

### High School Basket Team Defeats Gates Team by 24 to 6 Score

The Mill City high school managed to win both issues of a double header basketball game Friday night.

The high school girls won from the Mill City Women's Athletic club to the tune of 16 to 9.

The boys of the high school won from Gates high school. The first half ended 8 to 6 in Mill City's favor. Judging from the roasting the coach gave the boys between halves this was not enough of a lead. The boys went back for the second half, stacked the cards against Gates. The second canto ended Gates 6, Mill City 24.

Gates and Mill City were tied twice in the first half. The main feature of the game was that Gates was held scoreless in the last half.

A banquet was given in Gate's honor after the game, where feelings of friendship were expressed and exchanged. The banquet was held in the 4L hall.

## Little Scotch Veteran Has One Good Arm Left

SAN FRANCISCO, Nov. 27. — Walter C. Hagen, British open golf champion and former American champion and Joseph H. Kirkwood, former open golf champion of Australia, arrived here tonight. They will tour California golf clubs for five weeks, giving exhibitions.

## Hannah B. Dorks Granted Divorce from Her Husband

In a decree handed down by Judge George G. Bingham of the circuit court Saturday, Hannah B. Dorks was granted a divorce from Harry Dorks, given the custody of the minor child and allowed alimony to the extent of \$30 a month.

In the divorce complaint it was alleged that the plaintiff Harry Dorks had constantly associated with one Alice Simmons of Eugene, had written and received from her a number of love letters and had finally informed his wife that he did not care for her any more, and wished that she would get a divorce so that he might marry the Simmons girl.

The Dorks were married in Covington, Ky., in April 1895. It was not until 1918 however that the defendant alleged that her husband became infatuated with the Eugene girl.

## WILLAMETTE HAS INNINGS AT CLUB

### Music Furnished by Quartet and Soloist; President Doney Speaks

Those who attended the Chamber of Commerce luncheon Monday were well entertained by the Willamette quartet singing. The four singers, Edward Warren, Jack Vincent, Fred Bolton and P. M. Blenkinsop, can roll out some music that would captivate any audience. Byron Arnold is their accompanist and a player of exceptional quality. Their "The Trumpeter" made a tremendous hit.

Mr. Blenkinsop sang two solos, "The Gladiator," a big, brave, warrior's song, and "Friend of Mine," a less martial but gripping song that was in its way fully as effective. Some singers sing little tiddly-winks, bo-peep ditties, in light, slenderly-sweet voices that are unobjectionable in no particular way—only that they aren't worth a tinker's dam. Mr. Blenkinsop sings of the bigger things, and he sings them appealingly big and well. They make such voices, with such perfect control, such accuracy, only once in a decade, and they don't ever get into all communities—there aren't enough of them to go round.

The music was introductory to the address of Dr. Carl G. Doney, president of Willamette, who presented the university's Forward Movement in its endowment campaign, and then showed that such an education as that given by an institute like Willamette is a personal and national asset for every good citizen. He urged the importance of carrying on one's own life into the future, by providing for the right training of young men and women in such institutions as Willamette.

## Seattle Hockey Team Wins Its Second Game

VANCOUVER, B. C., Nov. 27. — The Seattle team tonight easily won its second game here of the Pacific Coast Hockey association season, defeating Vancouver 8 goals to 4. Riley of the visitors had increased his speed since his previous appearance here, and Briden, his team mate made two goals, one unassisted. Mickey Mackay starred for the home team.

The man or woman who successfully dodges the taxicabs and the automobiles ought to be able to do the same with the income tax collector. Agility is required for these outdoor and indoor sports.

## ASIA TRAGEDY SAID TERRIBLE

### Thousands Clamor for Aid That Cannot be Furnished — Winter Kills Many

CONSTANTINOPLE, Nov. 27. — (By the Associated Press.) — Another human tragedy that promises to rival the Smyrna fire is developing in northern Asia-Minor. The tide of a quarter million Christian inhabitants is sweeping in full flood to the fringe of the Black sea and the Mediterranean.

The refugees are clamoring to be saved. The American naval base at Constantinople is deluged with S. O. S. calls from the flotilla of destroyers patrolling the Mediterranean and Black sea coast of Asia-Minor, which are crowded with Christians fleeing from the Turk.

Winter Kills Many  
Appeals come from every part of Anatolia where white Christian communities are migrating and where the American Near East relief is working heroically to overcome almost insuperable obstacles, including the removal of orphans for great distances to the sea.

Cryptic radiograms received today announce that a "critical situation was appearing with surprising suddenness; the whole interior is blanketed with snow, adding immeasurably to the misery of the refugees.

From Mediterranean coastal towns came moving pleas for succor from tens of thousands of orphans.

American Employment and Payroll Records Gain  
WASHINGTON, Nov. 27. — Increases in employment, per capita manufacturing industries for the year were shown in comparative figures made public today by the department of labor.

Seven industries reported employment increases and six decreases in October, 1922, compared with October, 1921, and a like number were listed as having advanced their total payrolls, the increase more than offsetting the decreases.

Payroll increases in the year include iron and steel 65.2 per cent; automobile, 41 per cent, and leather 21.8 per cent. The largest decreased payrolls were those of men's clothing, 17.9 per cent; cotton manufacturing 13.8 per cent, and silk 13.3 per cent.

## PALMITO ISLAND LAND INVOLVED

### Suit Brought by Mr. and Mrs. W. L. Mercer to Recover Payments

A temporary restraining order against the Ladd & Bush bank was issued by Judge George G. Bingham yesterday. It was issued on the petition of attorneys for Dr. W. L. Mercer and Lottie Mercer, who filed suit against Ena M. Harper for recovery of money paid on land, which it is alleged was falsely represented.

The restraining order is to prevent the bank from turning over to Mrs. Harper four promissory notes given by the Mercers.

The complaint states that the land, which is located on the island of Palmito del Verde, was falsely represented as to character and fertility as well as to health conditions.

Acting on the strength of representations made the Mercers state that they entered into a contract with Mrs. Harper to buy
