**CHRISTMAS** shoppers, hurrying through the busy streets, the clear toned bell of the Salvation Army lassie, watching the black iron pot which awaits the kindly contribution of the busy and yet thoughtful ones who would help others at this happy time, happy children picking out their gifts, all of these indicate that the Christmas season is here once again.

Miss Marion Wyman of Lincoln, Nebraska, has been chosen by the board of directors of the Y. M. C. A. as general secretary. This is the result of action taken by the board at the monthly meeting yesterday. It is not known yet that Miss Wyman will accept but is hoped that she will and can arrange to begin work here January 1.

Miss Wyman has been girls work secretary at Lincoln, Nebraska and the work here will be for general secretary with charge of the girls work. The position has been vacant since the resignation of Miss Miriam E. Anderson, who had been general secretary since the first of December, 1921. Miss Anderson resigned September 1.

Mrs. Susie Nicholson has been acting general secretary while since school reopened Mrs. LeRoy Myers, former girls work secretary, has been in charge of the girls' work.

Mrs. David W. Eyre was hostess Saturday evening for the members of the Thursday Bridge club, and their husbands at a dinner party on the occasion of Mr. Eyre's birthday.

An unusually attractive basket of red rose buds and heather centered the pretty dinner table. The Christmas colors of red and green were carried out in the living rooms with great bouquets of red carnations and greens.

Mrs. T. A. Livesly and John J. Roberts won the high prizes for the evening's bridge game. The guests for the evening included Mr. and Mrs. T. A. Livesly, Mr. and Mrs. O. C. Locke, Mr. and Mrs. John J. Roberts, Mr. and Mrs. Tom Smith, Mr. and Mrs. John McNary, Mr. and Mrs. Henry Meyers, Mr. and Mrs. William Walton, Mr. and Mrs. Frederick Lampert, Mrs. George Rodgers and Dr. William Lytle.

Holiday colors will bring a festive air to the Missionary tea which the Woman's Foreign Missionary society of the First Methodist church will give today at the home of Mrs. E. C. Hickman.

Hostesses for the afternoon will include Mrs. H. H. Vandevort, Mrs. Ronald Glover, Mrs. F. A. Legge, Mrs. Inez Fleming, Mrs. W. H. Hertzog, Mrs. C. E. Wilson, Mrs. W. D. Smith, Mrs. D. E. Carrier, and Mrs. Hickman. Mrs. J. B. Littler will pour during the tea hour and Mrs. Blaine E. Kirkpatrick will assist in serving.

A program will be given in the Hickman home. The program will be as follows: Devotions... Dr. J. D. McCormack Solo... Mrs. D. W. Riddle "Handicaps of Progress" Mrs. C. E. Powell Piano Solo... was among the old timers. His part last night was shorter and snappier than last year. He closed with "I Love a Lassie."  
A new comer was Fred Taylor, full blooded negro, who has ambitions for more serious things than just the life of a clown. To prove this he does "An Act from Uncle Tom's Cabin" which proves his real place in the minstrel.

**Arthur in Charge**

The "King of the Harmonica" who did everything on the simple mouth organ from playing with the instrument half down his throat to "Imitation of the Shasta Limited on its way to Salem," made a decided hit and was called back again and again to give some new frill to the old tunes.

**Mail Orders Come**  
Tickets in the balcony only are available for tonight and the rest of the week according to Percy M. Varney, parole officer who is in charge of the show. **BIG EATERS GET KIDNEY TROUBLE**

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat often too much red meat, and fill our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become clogged and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus often ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful, effervescent lithia water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.
