LIBERTY
Last times today. Henry B. Walthall and Harry Carey in "The Kick-Back;" also Ruth Roland in "The Timber Queen."

BLIGH
Today: Hippodrome vaudeville, and Wm. S. Hart in "The Cradle of Courage," Mack Sennett comedy.

OREGON
George Beban in "The Sign of the Rose," and a real funny two- reel comedy.

GRAND
Starts today: Harold Lloyd in "Doctor Jack," twice as good as "Grandma's Boy."

will probably be known as "Dr. Jacks," when the new Lloyd comedy is exploited throughout the country. Now playing at the Grand.

That emerald-eyed monster "Jealousy" takes on an international aspect in "The Kick-Back," Harry Carey's first great production at the Liberty theater. As "White Horse Harry," Carey becomes entangled with Mexican soldiers. A Mexican girl whom he befriends helps him escape from jail and gives him a locket, which he wears about his neck. When he returns home his own sweetheart, having been warned by Harry's enemies that he was paying attention to a Mexican girl, sees the locket and accepts as true the mouthings of his foes. Then enters the green-eyed monster, and the excitement begins in earnest.

Theatergoers everywhere associate the name of George Beban with "The Sign of the Rose." Few players are so closely linked with any play, with the possible exception of David Warfield and "The Return of Peter Grimm." This is because Beban has played "The Sign of the Rose" on the stage for many years and in many lands. First as a recitation, later elaborated into a vaudeville play, let which toured this country and Europe; then as a four-act play which enjoyed equal success; and now as a motion picture. Small wonder the author-actor is enabled to put more than his heart and soul into the picture. It is, in fact, more like a page out of his own life. Yet off the screen he bears no resemblance to an Italian. At the Oregon.

TROUBLED WITH WEAK KIDNEYS
'Have been troubled with weak kidneys since childhood,' writes Mrs. G. Hyde, Benzonia, Michigan. "Now past forty and have had terrible backache and that tired out feeling, hardly able to do my work. By using Foley Kidney Pills accompanied with Foley Cathartic Tablets I soon felt like a new person." Backache, rheumatic pains, dizziness and blurred vision are symptoms of kidney trouble. Foley Kidney Pills give quick relief.—Adv.

When Dr. Peck had the story of "Dr. Jack" outlined to him by Lloyd, he laughed heartily, for it brought to his mind "Dr. Sunshine," as one of Chicago's foremost specialists in children's diseases is known.

"Dr. Sunshine" effects his cures just as Lloyd does in "Dr. Jack." Sunshine, a little candy, and wonders are worked by this noted Chicago physician, in his own peculiar way. In his medicine case—or what should be his medicine case,—he carries jars of jelly, lollypops, and most everything else but medicine.

Lloyd had never heard of this doctor before his visit from Dr. Peck, who assured him, however, that in his many years of practice he had met many physicians who

Reception Will Be Given Polk County Farm Agents

DALLAS, Or., Dec. 22.—(Special to The Statesman).—County Agent and Mrs. Paul Carpenter who will leave Dallas shortly after the first of the year will be tendered a reception by the Polk County Farm bureau and other county citizens in the W. O. W. hall in this city next Friday. The affair will be in the nature of a banquet and will take place at noon, with C. G. Irvine as toastmaster. A number of other prominent workers in the farm bureau will also make addresses during the course of the affair. Mr. Carpenter has been county agent for Polk county for the past three years and during his stay here has made many warm friends among both city and rural districts. He leaves this field of labor on account of the discontinuance of the office, the citizens of the county having voted at the recent election opposing a tax or the support of the office.

6 Men, Half Dead, Found Off Atlantic Coast

NEW YORK, Dec. 22.—Nearly 1000 miles off the Atlantic coast the freighter Menominee, plowing its way through heavy seas toward New York, found a lifeboat containing six men half dead from fatigue and lack of food, according to a wireless message received today from the Menominee.

The men, members of the crew of the fishing schooner Gordon Rudge of St. Johns, N. F., abandoned their craft after a long and bitter struggle with storms on the return trip from Torrevieja, Spain, with a cargo of salt fish.

Y. M. C. A. BIG COUNTY UNIT

Association Sponsor for 14 Boys' Groups, Membership Totals 290

The Marion county Y. M. C. A. is now sponsor for 14 organized groups of boys with a membership aggregating 290, according to the annual report of Edwin Sociolofsky, executive secretary. In addition to these boys there are 40 men actively identified with the county work pro-

gram as members of committees or leaders of groups of boys. During the past year the county association brought speakers into the county for 12 addresses before high school students and other groups of boys with attendances aggregating more than 5000. Five father and son banquets were held during the year with attendance aggregating 380, and 171 mothers and daughters assembled at two banquets sponsored by the county association. Two community sings and three high school sings were promoted by the county organization as a part of the year's program. As a result of the work of the Willamette deputational team which visited two towns in the county, and eight meetings conducted by gospel teams during the year 28 decisions were recorded and seven

boys united with the church. Secretary Sociolofsky has outlined a most ambitious program for the coming year, in which he has the assurance of the hearty cooperation of the county committee. Greater stress is to be placed upon the Bible study work of the various groups of boys and a continuous effort will be made through personal work to bring the boys and men affiliated with the 'Y' movement into Sunday school and church relationship. While the activities of the county organization have been largely confined to school groups heretofore, Secretary Sociolofsky plans to organize one or two strictly rural groups during the coming year.

Edward Preston Chosen Head of Dallas Firemen

DALLAS, Or., Dec. 22.—(Special to The Statesman).—At the last monthly meeting of the Dallas firemen held this month officers for the ensuing year were elected as follows: President, Edward Preston; secretary, Donald Hayes; treasurer, Fred B. West. Arrangements were made for holding the annual banquet of the firemen which will take place some time after the first of the year and a committee was appointed to have charge of the affair. The Dallas fire department which is a volunteer organization is one of the best drilled departments in the state and during the next year plan to conduct courses of study in fighting fires at each monthly meeting.

There may not be so much harmony among the Fascist fellows after they begin to apportion the offices.

The wet program to date seems to consist mainly of light whines and tears.
