THE OREGON STATESMAN, SALEM, OREGON

that it will help to pay any considerable proportion of the cost of the institution-

Can never get within forty blocks of lifting that burden from the shoulders of the taxpayers— A burden of \$357,920 for the next two years, according

to the budget demand.

If this \$30,000 had been expended in flax spinning mainery, with that much more and \$15,000 besides, and a small sum for a large flax warehouse outside the walls, that plant would now be equipped so that it could pay the whole expenses of the institution-

And without competing with any established business in this state.

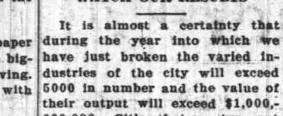

The writer believes the cannerymen and fishermen of Oregon would be glad to furnish this much money, on deb-

And the industry would soon pay back all the money, with interest.

If such an arrangement can be made, there need be no riation at all, unless for a larger revolving fund than e \$34,000 that will soon be on hand.

The whole cost can be absorbed very quickly-

And then never again, with good management, will ere be necessity to put that institution in the budget esti-
