

MOVIE GOSSIP

OREGON
Rudolph Valentino in "All Night."
LIBERTY
Tom Mix in "Romance Land," also "Leather Pushers."
BLIGH
Hickman Bessey Co. presenting "The Orphan Girl."
Wm. S. Hart in "The Whistle."

The last sun has shown on "Romance Land." Tonight at the Liberty theater, this unique photoplay will close its successful run. Tom Mix has surpassed him-

self again. Few screen actors have ever succeeded in turning out a more finished product. Nor have the others in the cast lagged far behind the best work offered in motion pictures.
See "Romance Land" if you want to enjoy a screen story of exceptional merit.
There is a laugh in every foot of "All Night," in which Rudolph Valentino and Carmel Myers are co-starred at the Oregon theater. Without a doubt it is one of the breeziest and snappiest farces ever shown on the screen. It

abounds in unusual situations and yet it is so delicately handled that there is nothing in it that the entire family cannot enjoy.

Screen patrons who like to see clever kiddies on the screen, will find William S. Hart's Paramount picture, "The Whistle," at the Bligh theater today, thoroughly to their liking. There are three famous juvenile players in the cast supporting Mr. Hart, and all acquit themselves with real artistry. The picture is said to be one of the best of the Hart repertoire to date.

The Hickman Bessey Stock Co. are presenting their show at the Bligh theater this week, a rural comedy drama in three acts entitled "The Orphan Girl." The scene is laid around the office of a little country hotel and Mr. Hickman in his rural old man type furnishes an endless chain of laughs. This play will be presented again tonight and tomorrow night.

Everything else may change in the world of concrete and spiritual things, but one thing remains as always: a hero's qualifications. To enumerate them is almost superfluous, but their finest embodiment may be seen in the Bligh theater's next feature, "Trapped in the Air," starring Lester Cuneo.

PORTLAND MAN CHOSEN
SILVERTON, Or., Jan. 30.—(Special to The Statesman.)—A special meeting of the city council was held Monday evening at which C. Ruhlman of Portland was selected as city engineer to replace Mr. Hubbs, who recently resigned.

SALEM INDIAN SCHOOL GROWS

Start Work This Week on New Boys' Building—Cost to Be \$50,000

Work was begun this week on the new boys' dormitory building at the Salem Indian school. The appropriation was made available last fall, and the department advertised for bids for the construction. The bids, however, exceeded the amount of the \$50,000 appropriation, and the department rejects them all. Later, Superintendent Harwood Hall was ordered to call for material bids, with the idea of the department itself undertaking the construction. The material was all located, and just now the department has begun the actual construction of the building.

This structure is to be 224 x 40 feet, two stories high, of plain brick construction with a two-story lavatory wing on the back and a like wing at the front for executive office and other administration purposes. It will be of plain dormitory construction, thoroughly sanitary and up-to-date in every way. It is to fall within the limits of the \$50,000 appropriation. Robert H. Bradley, superintendent of construction for the Indian department, is in charge of the work. It should be finished in time for next fall's use, and it will furnish accommodations for more than 200 boys.

Girls' Dormitory Also
Another important addition to the school, recently authorized by congress though the money is not available until July 1, is the new dormitory for the smaller girls. For this building, \$35,000 was appropriated. The structure is to be of brick, two stories and basement. Superintendent Hall is of the impression that it might be arranged by the department to advertise for bids and let a contract before the money is actually available, and let the contractor arrange to finance the construction until July, when the federal money becomes available. This would allow the building to be finished in time for use for the fall term of school, when it will be sorely needed.

The Salem Indian school has had a remarkably successful year, with no epidemic diseases, very little scattered illness, and an exceptional school progress because of the good health conditions. The new central heating plant has added much to the comfort of the dormitories and has made better work possible in many cases. This central heating plant is sufficient for all the new buildings that are to be added to the school colony.

Last Woman Convict Released from Prison

The last of the women inmates of the Oregon penitentiary under state custody was liberated Monday when Governor Pierce granted a pardon to Myrtle Hayes, who still had two months of a one-year term to serve for forgery. She was convicted in Multnomah county. The pardon was granted on

ACID IN STOMACH SOURS THE FOOD

Says Excess of Hydrochloric Acid is Cause of Indigestion

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation; then our meals sour like garbage in a can, forming acid fluids and gases, which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast, while it is effecting, and furthermore, to continue this for one week. While relief often follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of stomach sufferers with excellent results.—Adv.

promise of the woman's sister to take her to California and was recommended by the district attorney and the trial judge who handled the case. The governor said another reason for granting the pardon was that it will now be possible to discharge the matron at the prison and save the state \$100 a month.
Mrs. Louise Wurtzbayer, who slew her husband at Chemawa is still in the prison, but is a federal charge.

BRUSH COLLEGE

The Parent Teachers' meeting was well attended and much enjoyed last Friday night.

Mr. Fowel of Vancouver is visiting at the Jaeger home.

Twenty-two grangers from here attended Pomona Grange at Ga Grove Saturday.

Mrs. M. C. Pettys entertained her friend, Mrs. Emma Murphy-Brown of Salem last Wednesday evening, and Mrs. M. P. Adams also entertained her with a party Thursday evening.

The Sweet Briar club will meet with Mrs. Al Steiner next Wednesday.

The regular grange will meet in the school house next Friday night. At this time the women will give a program to compete with one given by the men in February.

Jack Mitchell was a guest of relatives here last Thursday, having driven up from Portland.

The Brush College Helpers have postponed their meeting until next week.

Reuben Neff is now making his home with Mr. and Mrs. John Schindler.

Carol Loose and Lois and Helen Gorsline who are attending high school in Salem, lost

last week as a result of being vaccinated.
Mr. and Mrs. J. Hadespek and Mr. L. Himmel returned Wednesday after spending several days in Portland and Vancouver. Miss Beattie Bueh spent one day last week visiting friends at Zena.
Mrs. Blodgett and Mrs. Utley have returned home after spending a week in Portland and Oregon City.
Mr. and Mrs. Seire Buell of Portland spent the week end here with their parents.
A series of cottage prayer meetings will be held in this neighborhood, beginning Tuesday evening at the home of Mr. and Mrs. McCall.
Margaret Cutler who has been in Salem, has returned home to spend the remainder of the winter with her parents, Mr. and Mrs. F. Singer.
Frank Winslow is ill with pneumonia.
Echo Kruger of Salem spent Friday evening with Mr. and Mrs. U. J. Lehman.
Miss Antonia Bayer has returned home from a visit in Portland.

Decrease is Shown in Oregon Grain Movement

A report of the grain inspection department of the public service commission shows that during the period from July 1 to December 31, 1922, the department inspected 11,665,501 bushels of wheat and 100,662 bushels of barley. The wheat inspected was a decrease of 10,566,321 bushels as compared with the corresponding period of the previous year when the total was 22,231,822 bushels. The decrease is attributed mainly to lower production. Practically all of the wheat was consigned to foreign ports.
