"The Silent Call."

OREGON
Norma Talmadge and Eugene O'Brien in "The Voice From the Minaret."

LIBERTY
Colleen Moore in "Affinities."

Norma Talmadge and Eugene O'Brien will be seen for the last time today at the Oregon in "The Voice From the Minaret," a Robert Hickens story. In this picture these stars appear together for the first time in three years.

The final scene of "The Silent Call," the Trimble-Martin production presented by H. O. Davis and released through Associated First National Pictures, which commences a three-day engagement at the Bligh theater here today were filmed at great personal danger to the players, director and photographers. These scenes were made in the heart of the mountains Sonora region in California and will doubtless give the stargazers some of the most convincing thrills they have ever enjoyed.

There is an exceptional cast in "Hurricane Gal," produced by Allen Holubar, which is coming to the Oregon tomorrow.

Dorothy Phillips who created such a sensation in "Man-Woman-Marriage," is the star, with a role peculiarly fitted to her talents. She is cast as an untamed girl of the sea, in command of a smuggling schooner.

Robert Ellis, who recently forsook directing pictures to become leading man, plays opposite Miss Phillips, Wallace Beery, the screen's "most hated villain," plays the Swede mate. James O.

BROWN is the kindly old "Cap'n" Gertrude Astor in a striking contrast to Miss Phillips as the society girl of the story, William Fong, a San Francisco Chinese peanut vendor, who makes his bow on the screen in this production, has the role of the cook on the schooner. Jack Donovan and Frances Raymond complete the cast.

One of the fastest-moving pictures ever shown in this city, opens today at the Liberty theater. The name of it is "Affinities," from the story of the same name by Mary Roberts Rinehart. Colleen Moore and John Bowers are the featured players.

Four Speeders Arrested on Salem Streets Sunday

Last Sunday, although cold, was a great day for speeders. A total of four were rounded up during the day and evening by the local police department. They were:

- T. M. Curry, charged with speeding 29 miles per hour. He was released on \$10 bail.
- E. G. Johnson of Ladd avenue, charged with speeding 30 miles per hour, was released on \$50 bail and cited to appear before Judge Poulosen February 7.
- Lowell M. Lambert, route 7, 31 miles per hour, released on \$10 bail.
- Bernard Snow of Portland, 30 miles per hour, released on \$20 bail.

Concert

By MARQUERITE GLEESON

THE YMCA auxiliary benefit concert last night was one of the most successful affairs of the kind given this season. The new organ was especially enjoyed and the numbers played by Prof. T. S. Roberts were especially well presented.

Mrs. Ward Willis Long and Mr. Donald Riddle sang solo numbers for a most appreciative audience. Miss Bruce Putnam played her own composition "Romance," which was given in splendid form.

The Whitney Boys Chorus was a special feature and delighted the large audience. A male quartet and a solo by Prof. E. W. Hobson was supplemented with a reading by Lloyd Waltz.

The concert was a benefit for the fund pledged by the auxiliary toward the boys secretary's salary.

The program was as follows: Grand March—"Aida".... Verdi
Prof. T. S. Roberts
Whitney Boys Chorus—H. C. Epley, director:
a "We Are Sailing"
b "Old McDonald's Farm"
Lead by Walter Lemkin
Solo—"Spring's Awakening".... Soloist
Dudley Buck
Evangeline Buriette Long
Reading—"Brothers".... Benson
Lloyd Waltz
Solo—"Spirit Flower".... Tiftom
Emory W. Hobson
Aria—"Depuis le Jour" from Louise.... Charpentier
Ruth Emery Riddle
Piano solo—"Romance".... Bruce Putnam
Solo—"Until Dawn".... Male Quartet
Fred Brassfield, H. C. Epley, S. E. Wolfe, C. E. Knowland.

Mr. and Mrs. Clarence Bishop of Portland and Miss Frances Broughton of Dayton Wash. were week-end guests of Mr. and Mrs. C. P. Bishop. Miss Broughton is a student of the Anne Wright seminary at Tacoma.

The Story Telling section of the Arts league will not meet this week.

The Business and Professional woman's club will meet at the Grey Belle Wednesday for dinner at 6:30.

Mrs. Ada Wallace-Unruh will talk on Children's Farm Home before the Women's Home Missionary society of the First Methodist church, Wednesday. Mrs. Fred Thompson will be hostess for the women.

Mr. and Mrs. Ben Pade were hosts Thursday evening for a charming dinner party honoring Mr. Pade's mother, Mrs. G. Pade, who celebrated her 73d birthday. Centering the table was a beautiful cake with 73 lighted candles. Covers were laid for 20 guests. Miss Hazel Valentine assisted Mrs. Ben Pade with the serving.

Those present were: Mrs. Emil Valentine and Miss Valentine of Amherst, S. D., Mr. and Mrs. David Greig and family of Salem, Mr. and Mrs. R. Schubert and family of Salem, Mrs. G. Pade of Salem, Mr. and Mrs. Ben Pade of Salem.

SILVERTON, Ore., Feb. 5.—(Special to The Statesman)—Mrs. Helen M. Wrightman invited a few friends to her home on West Main street Friday night after the "Daddies" reception at the Eugene Field auditorium to meet Miss Frances S. Hays of Portland who was the speaker at the reception and who is a house guest of rs. Wrightman.

Mrs. J. A. Campbell entertained a few friends at an informal tea Saturday afternoon honoring her house guest, Mrs. Georgia Starr Morse of Brownsville, who gave several violin solos at the reception given by the Parent-Teachers association at Silverton Friday night.

SILVERTON, Ore., Feb. 5.—(Special to The Statesman)—The "Daddies" reception, given at the Eugene Field auditorium at Silverton Friday night by the Parent-Teachers association was very well attended. The program was given as announced with the exception of the talk by ayor L. C. Eastman who could not be present. However, B. T. Youel gave the presentation speech and presented the high school with a silver stop watch to be used for the athletic events. The clock was a present from ayor Eastman. Mrs. Helen M. Wrightman, president of the Silverton Parent-Teachers' association, afterwards filled Mayor Eastman's place on the program. The chief speaker of the evening was Miss Frances S. Hays of Portland who spoke on "Parental Responsibility from the Standpoint of a Social Worker." The violin solos by Mrs. Georgia Starr Morse of Brownsville were enthusiastically received.

The stage was decorated with pussy willows, ferns and cut flowers.

July 16 to 23 will be the dates of the annual national convention of the American Association of University Women, which will be held in Portland.

It is expected that this gathering will bring to Oregon several hundred representative college women from all sections of the country. The deliberations will be presided over by Miss Ada L. Comstock of Smith college, national president. Mrs. Aurelia Henry Reinhardt, president of Mills college, who has visited in Oregon and who has many friends here, is vice president of the association, and it is expected that she too will be among the distinguished guests. Committees are already at work on the plans for the convention which promises much from the standpoint of interest and inspiration.

The OAC has postponed the February meeting until February 15, because of the charity ball which comes this week.

Mr. and Mrs. Ralph Kellogg have moved to Portland, where Mr. Kellogg is chemist with a medical firm.

Freight Car Shortage Is Gradually Reduced

WASHINGTON, Feb. 5.—Gradual reduction of freight car shortage on railroads continues to be reflected in current reports of the car service division of the American Railway association. On January 22, the total shortage amounted to 72,754 cars, a decrease under January to 588 cars. At the same time there were 26,485 cars declared to be surplus at points where no special requirements appeared.

CHILDREN'S FARM HOME

Of the W. C. T. U.

Hundreds of Children between the ages of 5 and 15 are waiting for a chance to have a home (not an institution) where they can make real citizens of value.

Think of it! Many normal boys and girls have been placed in the training schools, feeble minded institution and such places because no other provisions have been made. What can you do? Just this: When the solicitors call make the biggest pledge you can. If all do this our quota for Salem will be assured, or, offer your services to act as solicitor to any pastor in the city, or to the Salem office, 228 Oregon Bldg.

This Gift

Will show you how folks get those whiter, cleaner teeth

Go ask for a test of this new way of teeth cleaning. It means too much to miss. You see prettier teeth everywhere today. Learn how people get them. Do this now. Millions of people of some 50 nations enjoy these benefits. Get them for yourself.

Film makes teeth dingy

That viscous film you feel on teeth is their chief enemy. It clouds them. It clings to teeth, enters crevices and stays. Film absorbs stains, then forms a dingy coat. Tartar is based on film. That's why teeth lose luster.

Film holds food substance which ferments and forms acids. It holds the acids in contact with the teeth to cause decay. That's why few escaped tooth troubles.

Germis breed by millions in film. They, with tartar, are the chief cause of pyorrhea, now so alarmingly common.

Now they curdle film

Old brushing methods did not effectively combat film. As a result, nearly all people suffered from it.

New dental science knows two film combatants. One acts to curdle film, one to remove it, and without any harmful scouring. Able authorities proved these methods by many careful tests. Then a new-type tooth paste was created, based on modern research. These film combatants were embodied in it for daily application.

That tooth paste is called Pepsodent. To millions of homes it has brought a new dental era.

Advised the world over

Careful people the world over now use Pepsodent, largely by dental advice. It has supplanted in millions of homes the methods of the past.

Avoid Harmful Grit

Pepsodent curdles the film and removes it, without harmful scouring. Its polishing agent is far softer than enamel. Never use a film combatant which contains harsh grit.

Corrects old mistakes

Research also proved that old methods brought undesired effects. They destroyed the alkalinity of the saliva. That is there to neutralize mouth acids, the cause of tooth decay.

They reduced the starch digestant in the saliva. That is there to digest starch deposits which may otherwise ferment and form acids.

Pepsodent brings just opposite effects. It multiplies that alkalinity, multiplies that starch digestant. Thus it gives manifold power to these great natural tooth-protecting agents.

This test will show

The results of this test will amaze and delight you. Make it—watch the changes that occur.

Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coats disappear.

Compare the results with old methods—by what you clearly see and feel. You will gain a new conception of clean teeth.
