

Big Ten Days Close Out of Shoes

We are going to put on a ten-day close out of high grade shoes. We have a large selection of Oxfords, Pumps, Shoes, and Boots in every style, and we are going to put them on sale for just ten days before we open for spring business.

Selling shoes is all we are going to think about for the entire ten days. Profits are going to be forgotten. We are willing to take a substantial loss on short lines to close them out, so if you are in need of shoes come in at once. See our window display for styles and prices.
