TUBERCULOSIS IS NEW GERMAN PERIL

BERLIN, Feb. 13. — Tuberculosis has made such heavy inroads on Germany's population recently that cries for additional financial aid are going up repeatedly from the official and unofficial relief agencies.

A short time ago more funds were demanded for the state insurance department which ministers to the tubercular. Its aid extends this winter to 50,000 families. One of the department's regulations requires that, before a family can claim its benefits, at least one member must hold a state insurance policy.
