

TED THYE WILL REFEREE BOUTS

Chemawa Indians and Oregon City High School Grapple Tonight.

Chemawa Indians are to take on the Oregon City high school wrestling squad tonight at Oregon City for a finish tournament. The Indians have had the instruction of Ellis White, former Salem high school wrestling captain, and he reports that they have made remarkable progress. They came near wrecking the whole Salem high and the Oregon City high teams last year, with very little instruction other than what nature taught them. White was then on the Salem team, and while he won his own heavy-weight event, most of his team mates were not a fraction as lucky. He says that the Indian boys are showing real class this year, and he expects to clean up as many victories as he has met.

The team to represent the Indian school tonight will be made up of Captain Hawk, 145 pounds; Hansen, 145; Pettelin, 135; Donnelly, 125; Fannin, 120; and Elye, 110. Other capable substitutes will be taken, so there will be no shortage of material for anything that may happen.

Ted Thye, instructor in wrestling at the Multnomah Athletic club in Portland and American light heavyweight champion, will referee the bouts.

SALEM HI WINS FROM SILVERTON

Score Is One-sided, Though Both Teams Have Good Records for Season.

Salem high school won from Silverton basketball team last night at the armory by a score of 52 to 16. The visitors put up a beautiful, game fight, and their guarding was generally good, but usually in the end the better playing experience of the Salem team would slip a man through their line for another goal. Salem holds the ball better than do the visitors, there is less fumbling, and the comparative experience shows on the floor.

More fouls were called on the visitors, but they did not evidence anything other than earnest play. They were not malicious. It cost Silverton heavily to make them, for Reinhart, though not at his top form for shooting, converted eight of them into points. In no game of the year has the ball traveled more yards during the evening. It was fast from the first tip-off.

Silverton has played 16 games with the one last night and has won 11 of them. Coach Fenekas, Silverton, will lose his whole team this year, for every member of the team is a senior to graduate in June.

Salem has lost three out of the 19 games played, one to McMinnville and two to the Oregon freshmen. The total Salem score is 584 points to 353 for all opponents. Of these points Reinhart leads with 216. Okerberg has 172, Brown has 84, Patterson 42, and Lillgren 40. Adolph and Fallin, who have played in a few of the games have good scores for the time they were in. The friendly rivalry between Patterson and Lillgren has been one of the interesting features of the year. Patterson still leads by three field baskets.

Silverton still has three games to finish the year's schedule: with Oregon City at Silverton tomorrow; at Independence March 9 and at Dallas on either the 16th or 23rd.

Salem has one more game, the deferred game with Dallas, here at home next Thursday.

BASKET TEAMS AT CHEMAWA FETED

Annual Social Event at Indian School Best Ever, Says Superintendent.

An interesting social event at the Salem Indian school last night was the annual banquet to the girls' and boys' basketball teams, marking the closing of their year's schedules. The affair was served by the domestic science department of the school.

Those present, besides the players, were Superintendent and Mrs. Harwood Hall, Chief George Bent and Mrs. Bent, and Coach Downey of the boys' team and Coach Mrs. Downey of the girls'. Mrs. Downey is a graduate of Salem high school.

Superintendent Hall reports that he has attended many student receptions of various grades but the toasts and talks last night set a new, high mark for their ability and spontaneity. The evening was hugely enjoyed. Following the event, the basketball team came in to see the Salem-Silverton game at the armory.

The boys' team has played a rather heavy schedule, winning better than 50 per cent of all its contests. The girls played five outside games, winning three, playing one tie, and losing one.

HIGH BASKETBALL TEAMS IN CONTEST

Sixteen Squads of High School Players Vie in State Tournament.

SEATTLE, Wash., March 1.—Sixteen teams of high school players representing as many Washington cities and towns participated here today in the preliminary games of the state basketball tournament being held under the auspices of the University of Washington. Semi-finals will be played tomorrow and finals for the state title, Saturday.

In today's contests Clarkston defeated Yakima in a close game 14 to 11. Smith, then prize Yakima forward was taken out of the game in the first few minutes of play because of an injured eye. Hoquiam lost to Almira by 17 to 16. Almira led all the way up to the last three minutes when the Grays Harbor boys staged a rally which came near winning the contest for them.

Chehalis took Burlington into camp 15 to 10, the work of the Chehalis forwards, Tesereau and Peckingham were too much for the Burlington lads. Displaying some of the neatest floor work and most accurate shooting of the day's play, Walla Walla won from the fast Vancouver team 26 to 15. The other results were:

Auburn 20, Granite Falls 14; Eatonville 23, Lynden 20; Bothell 29, Chelan 7; Prosser 20, Endicott 14.

When one's head begins to rise above obscurity, when the first rays of the orb of glory arrive, the shadows in which happiness loves to linger soon fade.

CHEMAWA DEFEATS PORTLAND QUINT

Waterfront Athletic Club Is Drubbed by Indians in Basketball Game.

The basketball team of the Salem Indian school of Chemawa Wednesday night defeated Waterfront Athletic club team of Portland on the Chemawa courts by a score of 35 to 20.

Chemawa, which has a successful team this season, easily had the lead at all junctures of the game.

George was high point man for the Indians with 19 scores to his credit and De Poe was next with eight. For the visitors Shipley was first with nine points opposite his name on the score book.

DON SIEFARTH TO BE BROUGHT HERE

Dallas Youth Absolved of Blame for Slaying of Companion at Spokane.

Don Siefarth, Dallas youth, who accidentally killed his companion, Willie Post, also of Dallas, while the two were in railroad yards at Spokane a few days ago, will be brought to Salem and returned to the state training school from which institution he was paroled more than a year ago.

W. L. Kuser, superintendent of the training school, said that Siefarth would be admitted again to the school. He was at first accused of killing his companion intentionally, but information from Spokane says that he has been absolved of blame for the other boy's death.

HELP KIDNEYS BY DRINKING MORE WATER

Take Salts to Flush Kidneys and Help Neutralize Irritating Acids

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, acidulous sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Begin drinking lots of soft water, also get about four ounces of Jad Salts from your pharmacist and take a table spoonful in a glass of water before breakfast. Continue this for two or three days. This will help neutralize the acids in the system so they no longer are a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon-juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by acid irritation. Jad Salts causes no bad effects whatever.

Here you have a pleasant, effervescent, lithia-water drink which may quickly relieve your bladder irritation. By all means have your physician examine your kidneys at least twice a year.—Adv.
