## SALEM EXPECTED TO WIN TOURNNEY

### Make-Up for State Tournament This Week Is Not Yet Completed.

Not all the winners in the district basketball tournament of series have been reported in to Salem, so the make-up of the state tournament program is still a matter of conjecture. It is understood, however, that Joseph Athena, the University high

school of Eugene, The Dalles, Myrtle Point, Medford, and Salem are among the winners. Astoria will almost certainly come from the northwest district. Pendleton that was the runner-up last year, stays at home this year. So does Ashland, that won first place last year. Redmond, that got into the tournament under such a handicap of travel and of games that had worn its players out just before coming to the state meet, lost a chance for this year by the narrowest of scores in the final game with The Dalles team last week. The Eugene high school, that showed up well last year, does not appear this year. Salem was in last year, but was eliminated in the first round. Salem does not believe this can be done this year, whoever it may draw.

The tournament opens Thursday afternoon, and the winner of the first game then goes into the eight-team schedule, with the loser eliminated. Ralph Coleman of OAC and George Bohler of Oregon are to referee the series. With Salem in the running, and promising at this time to be a formidable contestant, if not the final winner, the attendance ought to break all records.

## HUNK LATHAM ON ALL STAR TEAM

### Oregon Gets One, Idaho Gets Two on Mythical Basketball Squad.

PULLMAN, Wash., March 10.—The University of Idaho, Pacific coast conference basketball champions, is favored with two positions on the mythical Pacific coast conference all-star basketball team selected today by Dr. J. Fred Bohler, director of athletics at Washington State college, secretary of the Pacific coast conference and a member of the conference rules committee. California, Oregon and Washington are given the other three places.

For the second team, Oregon Agricultural college men are given two places, with Washington, Washington State college and University of Southern California players in the other positions.

Dr. Bohler's selections follow: First team—Fox, (Idaho) forward; Tait, (California) forward; Latham, (Oregon) center; Telford, (Idaho) guard; Crawford, (Washington) guard. Second team—Gill, (OAC) forward; Friel, (WSC) forward; Hjelle, (OAC) center; Bryan, (Washington) guard; Campbell, (USC) guard.

## Valley Motor Company Recipient of Gold Star

There are 97 authorized Ford dealers in Oregon, and for the past four months they have been carrying an "honor roll" with five points on which they are judged as to their comparative efficiency. The five points are, the sale of cars, trucks, tractors, the Dearborn Independent, and the general plant efficiency, cleanliness, popularity. The sales requirements vary, of course, according to the size of the contributing territory, but all are eligible for honors, however small or how large the agency may be.

The Valley Motor company of Salem is one of nine of these Oregon agencies that has received a gold star or perfect record for the last month. It is one out of two

## SPEEDING AT 55 MILE CLIP BANKER KILLS THREE.

The motor car of Henry G. Brock, Philadelphia banker, killed Mrs. Ellen O'Donnell, 65; her son, Leo O'Donnell, 29, and Miss Mary Murphy, 18, all of North Market street, Philadelphia, as they alighted from a street car in that city shortly after midnight. Brock was found twenty minutes later, four blocks from the scene. He told the police he had been drinking ale. He was arraigned and held without bail on a charge of murder and placed under \$50,000 bail on charges of driving while intoxicated and failing to aid the injured.

## STAYTON GIRLS BEAT LEBANON

### Team on Way to State Championship After Defeating Some of Best.

In a fast and rather rough game of basketball Wednesday night between the Stayton high school girls and the Lebanon high school girls the Stayton team won by a score of 17 to 8. The first quarter seemed to anybody's game and ended with the close score of 4 to 3 in Lebanon's favor. The second quarter was a little more successful for the Stayton girls, the score ending 10 to 5 in their favor, and after this the Stayton girls continued to lead and at the same time kept piling up the score.

This puts one more victory to the credit of the Stayton team, which has not yet been defeated. The Stayton team is on the way to state championship, for it has defeated some of the best teams in the state, including Dallas, Milwaukee, Lebanon, Gervais, Turner, Scio, Mill City, Chemawa, and others.

Hereafter time out will be taken after the try for point after touchdown, as prevailed under the old goal kicking attempt, it was decided.

## "U" CONSTRUCTION PROGRAM IS TOLD

### Plan Includes New Gym, Baseball Diamond, Track, Tennis Courts, etc.

EUGENE, Or., March 10.—An extensive athletic field construction program, to be financed by the combined efforts of the Associated students and the physical education department, that when completed will provide the university with a new baseball diamond, a 220-yard straightaway track, four intra-mural baseball diamonds, 20 to 24 tennis courts, a practice football field; a soccer field and eventually a new gymnasium, was announced at the athletic department today. The main project will cover the 32 acres of sloping land on which the present football field and track are located. The plan calls for construction to cover a period of 10 years, but belief was expressed that all the projects will be completed in less time.

## TEAM NOT FOR SALE

NEW YORK, March 10.—The Brooklyn National league club is not for sale, Stephen McKeever, part owner, declared today in a statement in which he also denied the existence of several offers reported to have been made for the Dodgers within the past few days.

## PREPPERS DEFEATED

EUGENE, Or., March 10.—The University of Oregon freshmen basketball team this afternoon defeated the Washington high school five of Portland by a score of 50 to 18. Last night the freshmen defeated the Franklin high of Portland 66 to 7.

## TO SIMPLIFY GRID RULES

### Elimination of Misrepresentations Is Aim of Football Rules Committee.

NEW YORK, March 10.—(By the Associated Press)—Taking a far-reaching step calculated to simplify gridiron regulations and eliminate misinterpretations of them, the football rules committee at its annual meeting today, created an approved ruling committee charged with the task of establishing a basis for precedence in disputed issues arising from the game.

This action was characterized by members as the most important action of the committee which, after a lengthy discussion of rules made but one fundamental change in the regulations for 1923. This change was the abolishment of the on-side kick from scrimmage formation, a feature which was said to have been little used in recent years and which has been particularly difficult to rule upon when it occurred. The on-side kick from kickoff formation was not affected by the decision, however.

### Moot Questions Decided

Serving as a virtual board of arbitration, the approved rulings committee will interpret moot questions and publish its decisions annually in the form of a supplement to the regular football rules. Its findings, however, will be subject to final approval by the rules committee as a whole. The result of its work, it is believed, will establish a series of precedents to guide officials and others connected with the conduct of the game.

Most of the rules committee's deliberations today were devoted to clarifying various sections of the rules and making a number of minor changes.

### Time Taken Out

These alterations include: Imposing the penalty of 15 yards for clipping either from the spot where the ball was put in play, as the former rule provided, or the offense occurred, whichever will give the offended side the most ground; removal of the five-yard penalty where an on-side man touches a kicked ball; giving the defending team the ball if it intercepts an incomplete illegal forward pass, instead of allowing the attacking team to put in play again; and imposing for delay in starting the second half, a penalty of 25 yards, the same as that for
