Market Closes at Half Cent Net Gain-12,000,000 Bushels Bought.

CHICAGO, March 12 .- Reports that 12,000,000 bushels of Canadian wheat had been purchased for shipment to Europe helped to lift wheat prices today to the highest point which the May delivery has reached in a fortnight. The market closed at half to 1c net gain, with May \$1.201/4 to \$1.20 %, and July \$1.15 %. Corn finished % to %c up; oats unchanged to %c off, and provis-

ions varying from unchanged fig-

ures to 10 cents higher. Although wheat showed a down ward tendency during the early tic winter crop, but this was partly offset by an upturn in Liverpool quetations and by a falling Oklahoma had failed to receive any moisture of consequence.

It was chiefly evidence of better demand from Europe, however, that lifted the wheat market to the day's top prices. Offerings of May wheat in particular became scarcer and with bidding led by houses that were the principal selfers on Saturday, the price ran up rapidly and showed but little reaction when the profit taking sales upon a bulge tool place.

Corn developed independent

strength at times in the absence

of any aggressive selling. Re

ceipts of corn were smaller than

expected. Slowness of eastern de

mand tended to ease the oats market. Notwithstanding weakness hog values, provisions sympathiz ed with the action of the corn market and averaged higher in
