## OXFORD CREWMEN BEAT CAMBRIDGE

Twenty-Year-Old W. P. Mellon of New York Guides Crew Up Thames

**PUTNEY, Eng., March 24.**—(By the Associated Press.)—Twenty-year-old W. P. Mellon of New York stroked Oxford's crew up the Thames to triumph this afternoon in the 75th Oxford-Cambridge race over the four and one-quarter mile course from Putney to Mortlake.

The American stroke pulled the dark blue eight ahead of Cambridge at the start of the grind and held them all the way, answering with fine judgment every challenge of his opponent. Behind him sat young English oarsmen and another American, R. Keith Kane, at No. 4, who last year pulled a blade for Harvard, but when Oxford crossed the finish line three-fourths of a length ahead it was Mellon who was the hero of the event that had brought a half million spectators to the banks of the Thames. It was the first time in his life he had ever rowed in an inter-varsity race.

Mellon, though the lightest oarsman in either shell—weighing 155 pounds—stood the severe mental and physical strain wonderfully. After coming to a halt at the end of 20 minutes and 54 seconds of probably the hardest toil he ever knew, the New Yorker rested his head on his hands a moment in a posture of fatigue, but he quickly smiled at the swarm of surrounding craft come to cheer the crew with whistle blasts and shouts of the passengers. The rival stroke, T. R. B. Saunders, however, lay flat back, deaf to the shouts from thousands of throats.

**NEW YORK, March 24.**—Chase Mellon, prominent New York law-

yer and father of W. P. Mellon, American youth who stroked the Oxford eight to brilliant victory today over Cambridge in the historic English rowing classic, received enthusiastically news of his son's share in the triumph.

## Another Frenchman Here to Try Luck in the Ring

**NEW YORK, March 24.**—Following the footsteps of his countryman, Georges Carpentier, who came to this country and captured the world's light heavyweight championship several years ago, Eugene Criqui of France, holder of the European featherweight title, arrived today aboard the liner Paris in quest of pugilistic laurels here.

Criqui is under contract with Tom O'Rourke, matchmaker of the Polo Grounds Athletic club, for three matches in the United States.

Criqui is 31 years old and has a record of 104 ring battles in 13 years.

In the World war a German bullet tore away part of his jaw while he was peeping over the parapet of a trench. The shattered portion was reconstructed, however, and his boxing was not impaired by the loss.

## BASEBALL

**MOBILE, Ala., March 24.**—(Exhibition.)—R. H. E. Philadelphia A. . . . . 9 11 0  
Mobile Southern . . . . . 5 5 4

Wright, Bayne, Kraft, Danforth and Seversid; Collins; Love, Bryan and Lingle.

## UNAWARE OF FRAME UP REPORTS; HEAD UP REPORTS; HEAD

President of Chicago White Sox First Hears Confession of Pitcher

**CHICAGO, March 24.**—(By The Associated Press.)—Charles A. Comiskey, president of the Chicago White Sox, whose baseball team was nearly broken to pieces after the 1919 world series scandal, in a deposition taken for use in the suit of Joe Jackson for \$100,000 damages to be heard within ten days in Milwaukee, testified, it was learned today, that not until pitcher Cicotte made a confession of the alleged "sell out" was he able to obtain any direct confirmation of reports or a "frame up." The Cicotte confession occurred in September of 1920.

Prior to the playing season of 1920 Mr. Comiskey testified that Jackson had been signed for three years at a salary of \$8,000 a year, a \$3,000 increase and that Oscar Felsch and Charles Risberg also had been given contracts at increased salaries.

After Cicotte made his statement, he said, Comiskey suspended the accused players.

Then the state's attorney had the accused ball players indicted on charges of conspiracy and they were tried and acquitted.

Jackson, Felsch and Risberg all have filed suit for \$100,000 each for back salary and damage to their reputation against Comiskey and the American league baseball club.

## SQUIRE EDGE GATE — Timothy Is Very Obliging

with Coverly of Stanford at the finish. Martz' time for the 440 yards he ran was 48 1-5 seconds, according to coach Lean B. Cromwell of the Trojans, a new record for the U. S. C. track.

## KANSAS WINS MEET

**KANSAS CITY, Mo., March 24.**—(By The Associated Press.)—The University of Kansas won the 223 Missouri Valley conference indoor track and field championships here tonight in the second annual conference indoor meet, scoring 29 points. Nebraska was second with 20 points.

Maidenhood precedes womanhood as the flowers precede the fruit; and how swiftly the generations of flowers pass!

## Thye-Grant Wrestling Match in Portland Draw

**PORTLAND, Or., March 23.**—Ted Thye, claimant of the light heavyweight wrestling title and Tom Grant of Spokane went to a draw in their match here tonight. Thye took the first fall in one hour, four minutes three seconds with a wrist lock and Grant won the second fall in 11 minutes five seconds with a headlock. As there remained but six minutes left to wrestle following the second fall and as neither man could get the deciding fall in that time the match was called a draw. Thye weighed 168 1-2 pounds to Grant's 175 1-2.

## Stanford Defeats U. S. C. 75 to 56 in Track Meet

**LOS ANGELES, March 24.**—Stanford university defeated the University of Southern California in their track meet here today 75 to 56. Cardinal athletes swept the field in four events.

Otto Anderson was high man for the Trojans, scoring 18 of USC 56 points by winning both hurdle races and the broad jump and placing second in the 100 yard dash. Paddock and Norman Anderson each made 10 points.

Aside from the running of Paddock the biggest thrill of the meet was in the relay where Martz, the last Trojan runner, cut down a lead of 15 yards and tied

## WILLAMETTE WINS AT WHEATON, ILL.

Decision in Debate Accorded by Professor Mode of Chicago University

The Willamette affirmative debate team, composed of Rodney Alden, Robert Notson and Robert Littler, debating on the subject, "Resolved, That the United States should enter the League of Nations," received a decision over Wheaton college, Illinois, last night, according to a telegram received at a late hour from Robert Littler, manager.

T. G. Mode, professor at the University of Chicago, decided in favor of the affirmative. Most of the negative points refuted were said to have been unanswered and the affirmative was judged superior in delivery. The negative's substitute plan of a world court was successfully refuted.

This is understood to have

been Wheaton college's first defeat in two years. The Willamette team will leave Chicago Monday.

The Scientific American offers a reward of \$5000 for a real ghost. We presume the sort of a ghost that is supposed to walk in every newspaper office Saturday night would scarcely do—Exchange.

## Willamette Homes Vacant During Easter Vacation

Because of the week's vacation for Easter time, Willamette university is practically deserted this week. Most of the students left for their homes Friday. An even larger proportion of the students are out of town than left during the Christmas vacation, it is understood. The fraternity and sorority houses are practically deserted, and Lausanne hall hasn't enough girls left to decently intimidate a ghost. Class work is to be resumed on April 2.

The campus improvement force has started in for its spring campaign of campus beautification. The planting of trees and rose bushes is to be carried on steadily, and the Willamette campus

is to be made into one of the prize beauty spots of the city. It has been proposed to take down the old athletic field fence and leave the field open, to be policed when there are pay games making it far more sightly than the present staring whitewashed boards. It would allow of some grading that would revolutionize the general appearance of the whole campus.
