

### NO HEART BALM IS ALLOWED GIRL

#### Jury Returns Verdict Against Plaintiff in Dornberger-Frank Case

It only took the jury which judged the case of Mary Dornberger against Albert Frank in the circuit court yesterday afternoon, for alleged breach of promise, about one half hour to decide that Mary was not entitled to any damages. She asked \$6,000 heart balm.

According to testimony Mr. Frank at one time had announced his desire of wedding a German girl. At that time Miss Dornberger was residing at Ephrata, Wash. She learned of Mr. Frank's matrimonial hopes through a mutual friend and immediately moved to Marion county where she became acquainted with Mr. Frank. A whirlwind courtship followed, she alleged, during the course of which she inferred that she was about to become his wife. When the rosy bubble burst however and she learned that Mr. Frank did not intend to marry her she brought suit for "breach of promise." Mr. Frank steadfastly denied that he had ever asked Mary to become his wife. The case was tried before Judge Percy Kelly.

### FLOWERS EQUAL ANY IN WORLD

#### Much Activity Seen at Local Greenhouses at the Easter Season

Easter betokens flowers and all kinds of floral beauty, and the people of Salem are privileged to see as five flowers as anywhere in the world for this season. Flower-raising is a business, but it is also an art in it producing the wonderful blooms that are being shown in the Salem florist stores.

A Statesman representative went out this week to the Breithaupt greenhouses east of town. There are 12,000 carnation slips growing for the fall trade, and almost as many of the older plants for the trade at this time. They are blooming prodigiously under the genial influence of the hot water heat and the natural heat of the last few days. There are 600 Easter lily plants. Each one bears from three to seven blooms. These have been held back in cool

### GOODS MADE HERE TO BE DISPLAYED

#### Elaborate Display to Appear Monday at Light and Power Offices

"Made in Salem" week is to be observed with an elaborate display at the office of the Portland Railway, Light & Power company, 237 North Liberty, beginning Wednesday.

The company has signed up 38 Salem manufacturers who have agreed to exhibit their goods and several others have verbally offered to contribute, so that they are sure to have at least 45 exhibitors. There are 25 others who might become interested before the week is over.

A wide range of manufactures will be exhibited. From vinegars to perfumery from cascara to mush, from toothpicks to wooden toys up to giant mill timbers, they range in bewildering profusion. There are clay bricks and cement bricks; gloves, boots, shoes, clothes, cheese, bedding, furs, iron and brass castings, heavy lathe work and watches, prunes, printing, candy, broom handles, steel fences; almost everything that one can eat, wear, smell, play with or hear.

The company is preparing to clear out all the sales samples from its spacious salesroom, and open it for this "Made in Salem" exhibition. There are industries that not one person in 10 knows exists, some of them have grown to real magnitude right under the city's nose, and only a few people are aware of their presence. The object of the campaign is to interest Salem in its own resources, and to acquaint everybody with his neighbors.

The "Made in Salem" campaign begins Monday, when the Chamber of Commerce serves a straight local luncheon.

### Big Easter Cantata Will Be Presented at Silverton

#### (Silverton, Or., March 30.—(Special to The Statesman.)

The last practice for the community Easter cantata will be held Saturday night at the auditorium. This cantata which contains 40 voices will be one of the musical events of the season at Silverton. Those who have been present at rehearsals speak especially favorably of the women's chorus and of the solo work. There are 13 solos in the cantata. Those taking the solo work are Mrs. M. G. Gunderson, Mrs. N. K. Hitchens, Mrs. Mary Hoge, Mrs. Gordon McCall, Miss Marie Corhouse, Miss Esther B. Larson, Miss Gladys Smith, Mrs. G. B. Benson, Mrs. D. J. Murphy, Tom Corhouse, Gordon McCall, E. A. Booth, Rev. J. A. Bennett.

Mrs. Edson Comstock is pianist and Mrs. Veda Bennett director.

No admission is to be charged as the cantata is a community affair but an offering will be taken to defray the expenses. The members of the cantata

have expressed their desire for a permanent community choral society and it is thought probable that such a society will be formed. If so, it is the plan of the leaders to secure a great many more voices. The voices for the Easter cantata were chosen from the various church choirs of the city. There are a great many other vocalists at Silverton who are not affiliated with any church. It is the intention of the society to induce these to join if the organization is perfected.
