## LILLIGREN AND FALLIN CLEARED

Two Salem Basketball Players Declared by Board to be Eligible

Grant Fallin and Frank Lilligren, players on the Salem high school basketball team who were protested by Dallas high school, were exonerated Saturday at a meeting of the board of control of the State Interscholastic Athletic association which met at the office of J. A. Churchill, state superintendent of schools.

The protest against Fallin was that about two years ago he participated in a boxing match for which he received money. The board found that Fallin was influenced by the advice of older persons, who told him he would not be professionalized by accepting the money, and that when he later discovered that he would be he returned the money received for the bout.

Lilligren was protested on the grounds that he played as a member of the Chemawa Indian school while a student of Salem high school and under an assumed name. The board had passed on this case once before and it was held that this decision should stand, namely that Lilligren played in the game under orders of Superintendent Harwood Hall of the Indian school and that he played only under a nickname. It was held that Mr. Hall had charge of all persons living at Chemawa.

## California Track Team Wins From Southern Cal.

BERKELEY, Cal., March 31. University of California's national championship track and field team downed the University of Southern California Trojans 81 to 50 on the California oval here today.

Charles Paddock, world's sprint record holder from the southern school, today conclusively proved his right to that title when, from a flying start, he ran the 100-yard dash in 8 9-10 seconds, believed to be the fastest time ever recorded.

Southern California's stars far outshone the Berkeleyans but their scarcity of second and third place men proved their undoing. In only one event, the 440-yard dash, did the Trojans stagger their big rival by running away with all three places.

In five events, the half mile, mile, two-mile, high jump and javelin, California came out with all three places, for a total of 45 points in these events alone.

## AVIATORS SET UP NEW SPEED MARKS

Records Made Far Eclipse Those Made by French Early in Week

DAYTON, Ohio, March 31.—In a spectacular aerial derby, army aviators from McCook field today set a new world speed record for 500 and 1000 kilometers distances, far eclipsing those made this week by French aviators at the Villa Sauvage airrome.

Unofficial figures tonight showed that Lieutenant Alexander Person completed 500 kilometers in one hour, 50 minutes 7-10 seconds, making approximately 169 miles an hour and that Lieutenant Harold Harris and Captain Pilot Ralph Lockwood traveled 1000 kilometers in four hours, 52 minutes 35.24 seconds, averaging around 126 miles an hour.

DAYTON, Ohio, March 31.—Lieutenant Pettier of the French army was the holder of the 500 kilometer record with a time of two hours, 43 minutes, 51 3-5 seconds, and Lieutenant Carrier of the 1000 kilometer distance whose time was six hours 39 minutes 40 2-5 seconds.

In addition to the 500 kilometer mark, set by Pearson, Harris and Lockwood also are credited with exceeding the French record for that distance, are four other McCook field aviators.

Eleven ships took the air shortly after one o'clock today in an effort to beat the French records. Seven were to try for the 500 kilometer mark and four for the 1000. Five of the planes finished the 500 kilometer distance and four of the others were forced down.

Aviators who beat the French record for 500 kilometers and their time are: Louis Melster, two hours, 32 minutes, 48.44 seconds; average speed of 122 miles an hour. Lieutenant Arthur Smith, two hours, 32 minutes, 31.88 seconds; an average speed of 122.1 miles an hour. Lieutenant H. H. ## VETERANS MEET AT WOODBURN

Thursday April 5 Date for All-Day Session and Basket Banquet

On Thursday, April 5, the Marion County Veterans' association will meet at Woodburn for an all day session. The Salem delegation will leave here by train shortly after 9 o'clock in the morning, and get there in time for the business session which will continue up until noon.

Following this will come the big dinner, which is to be a noteworthy event. It is to be a basket spread, with all the women asked to bring of their best to make it a big time. They have always had such a spread as makes the old vets perfectly sure that they fought for the privilege of eating just such dinners for 50 years in peace.

After dinner, the Woodburn members will put on the literary and musical program, and after this is the regular campfire where everybody is a star performer.

The Marion County Veterans' association has several affiliating member organizations, but it urges all patriotic orders, whether or not they are now members, to join in for this celebration. All are welcome. The association meets regularly the first week of every April in Woodburn, the first week of August in Silverton, and the first week of December in Salem. Annual memorial services for the departed of the year are held at the April session.

Gideon Stolz of Salem is president.
