By MARGUERITE GLEESON

APRIL brings the real spring-time this year and is ushered in and Easter time with music week. A number of social affairs will be special features of the coming weeks. Spring garden parties, and the usual spring-time bridge parties will hold more than a fair share of the interest of society maids and matrons during the coming weeks.

One of the pretty musicales was the Sunday afternoon affair at which Prof. and Mrs. T. S. Roberts and Miss Lena Belle Tartar were hosts. More than 75 guests called from 3:30 until 5 o'clock.

Among those taking part were: Maud Engstrom, Marion Roberts, Dorothy Kesar, Rena Hartley, Mary Miller, Annie and Myra Gleason, Louise Findley, Maycie Hunter and Donald Schamp.

Great baskets of daffodils and graceful Easter lilies lent a delightful springtime atmosphere to the lovely Roberts' studio home. Grace Elizabeth Holman and little Benlah Roberts opened the door for the guests.

Assisting the hostess were Louise Findley, Maud Engstrom, and Mycie Hunter.

More than 20 of the younger music pupils took part in a recital last night at the Chamber of Commerce rooms. The young musicians were students of ten teachers and represented violin and piano instructors.

A feature number was the Japanese Love song, which Elizabeth Bonnal and Samuel Harrison gave in costume.

Miss Aloha Oglesby, at 2304 Hazel avenue, has had as her guest for the past week Mrs. A. Mielke, of Oregon City. Mrs. Mielke returned Saturday morning to her home.

Mrs. O. A. Thomas of Seattle, is a guest of her parents, Dr. and Mrs. W. T. Kantner, for two weeks. She arrived Saturday.

The Whitney Boys chorus with the assistance of 50 members of the Portland chorus will give a concert in the armory April 23. This is to raise the first money towards the new YMCA building.

Mr. and Mrs. U. G. Shipley are spending several weeks traveling in California.

One of the entertaining musicales opening music week, was the piano recital given by three advanced piano pupils of Elma Weiler at her residence studio. Those assisting on the program were: Mary Schoettie, violin and Nellie Schwab.

The program was as follows:
Butterfly Grieg
Dorothy Hutchison
Andante Margart
Mary Schoettie
To the Rising Sun Toregason
Lapland Idyll Toregason
Lucie Crockett
Village Fete Heller
Hunting Song Heller
Warriors Song Heller
Dorothy Hutchison

Witches Dance Mac Dowell
Helen Pettyjohn
Thy Name Mary Knight Wood
Nellie Schwab
Accompanists: Elma Weiler, Mildred Drager.

The process of costuming the performers in the operetta, "A Nautical Knot" is well under way and a pleasing variety is being worked out by the members of the class and the director. There will be sea of fairs in uniforms with stripes, sailor boys in blue and white sailor suits, pirates, old, ugly and marred and dashing young dudes from the town. Pretty girls in bright and airy summer frocks with hats and parasols and a trio of flirts in brilliant costumes will sharply contrast with the costume of sailors and pirates. Suits for the freak artists have been ordered from a Seattle firm and will be here within a few days. All will be in readiness for a snappy dress rehearsal Thursday night. The operetta will be given Friday evening in the high school auditorium.

The full cast follows:
Julia, the Belle of Barnstapool Ruth Tacker
Nance Mary McCone
Barnabas Lee Mark Waldespeil
Joe Stout James Smith
Bill Salt Donald Edmundson
Jim Spray Edward Burnside
Ned Bluff Marvle Roth
Jack Bruce Bruce Spaulding
Frank William Sippell
Della Maude Gwynn
Dora Alma Kenton
Daisy Madeline Watson
Sailors, artists, townspeople

SALEM FOLK LIKE ROBIN HOOD PLAY

All Comment Heard Is in Praise of Wonderful Fairbanks Production

During the Fatty Arbuckle sensation trial, there was much discussion in Salem as to the morals and the teachings of the screen and movie life. There was an extraordinary unanimity of wish that "They'd put out some pictures that are above criticism."

Well, it's here; Robin Hood and the Crusades and Richard the Lion Hearted. As clean as the breath of love; as grand as the cause that led a million men across the continent to rescue the tomb of their Lord from the impious hands of the Moslem invaders; as beautiful as a dream; and as costly as the world war—almost.

The marvel film is being shown at both the Oregon and the Grand, so that everybody can have a chance to see it. And it is indeed something to remember. The "hard-boiled" operator of one of the machines, who sees "millions" of shows every year and to whom ordinary pictures are as thrilling as a gargle, followed this whole film like a bloodhound and then hunted up the city library for some early English histories to see if they actually did do it that way back in the times of Richard. "By George, they did, and here's the book to prove it," said the gratified historian.

The Statesman was much interested in learning just how this play affected its attendants; and here are some of their words:

Dr. James Lisle—It is a wonderfully beautiful and clean play, picturing a time in history that thrills every Anglo Saxon.

Judge L. T. Harris—A very fine show—well worth the money.

Miss Kathryn Gunnell—I like the production, so well I am going again. I saw the premier presentation in Hollywood and I saw it again in Los Angeles. The photography is unequalled in any other picture I have ever seen.

Thos. Kay Bishop—That's what I call "some show."

Lou. Aldrich—Outdistances the stage productions of "Robin Hood" in its manner of clear presentation.

"Stuffy" McDaniels—It is just music on the screen.

Governor Pierce—Positively the greatest film show I have ever seen. It is a most delightful picture. I enjoyed every bit of it.

Ex-Governor Olcott—It is wonderful. I will go again, just to take my three boys, of course, and I know I will have to get them all bows and arrows after they have seen it.

Judge John Scott—It is fine. A most delightful story told in a delightful way.

Otto Paulus—Such productions as this are well worthy of public support, as they tend to educate toward the literary classics. This production has a very distinctive literary flavor.

Miss Beryl Holt—I am so enthused after seeing it that I can only say it is just beautiful.

H. R. Worth—A very fine production. I enjoyed every bit of it.

Ivin Martin—A very enjoyable show. Seeing the opera many times adds double interest for me.

Mrs. Louis Griffith—One of the best historical shows I have ever seen.

John H. Carson—A very enjoyable show. Fairbanks is at his best in this, I think.

Los Angeles Robber Will Be Taken to Los Angeles

Extradition papers were issued by Governor Pierce yesterday for A. H. Brownlee, under arrest in Portland and who is wanted in Los Angeles on three charges of highway robbery.

Robberies of which Brownlee is accused were of diamonds and furs and aggregate about \$2500. The most spectacular of these was the holding up of a Mr. and Mrs. Burnham, cafe operators of Venice, Cal., the robbery taking place on Washington boulevard while they were driving on the night of March 2 from Los Angeles where they had attended a theater. Mrs. Brownlee's costly fur coat and diamond jewels valued at about \$1200, were taken.

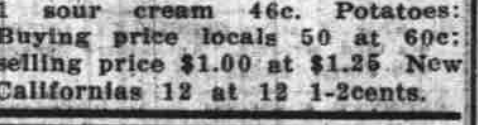

Mrs. Burnham saved her diamond rings by dropping them into the bottom of the automobile. The pair was held up by Brownlee and others after their car had been crowded into a ditch by the robbers who were in another auto.

C. W. Catlin, a Los Angeles county deputy sheriff, will take Brownlee south.

DRIVE OF BEARS BRINGS REACTION

Union Pacific Is Principal Target Aimed at to Bring Reaction

NEW YORK, April 2.—A sudden bear drive on railroad shares, with Union Pacific as the principal target, brought about a sharp reaction in today's stock market after an initial period of strength. One of the most significant developments of the day was the raising of the bankers asking price for time money from 5 1/2 to 5% per cent, the highest rate since October 1921, indicating the increased demand for commercial credit.

All sorts of rumors, some of them confirmed, were current in the financial list as a reason for the selling of Union Pacific. These included a possible cut in the dividend below 10 per cent which expert observers do not believe is justified in the current earnings; speculative disappointment over the failure to increase the dividend on New York Central stock, a large block of which is owned by the Union Pacific; prospect of a reduced earnings, the increasing diversion of traffic through the Panama canal because of lower rates by the water route and the testimony of Chairman Lovett before the interstate commerce commission to the effect that the railroad consolidation proposed by Hale Holden would effect the so-called Hill roads to the detriment of the Harriman group.

Industrials also were hard hit. Maxwell Motors "A" was one of the new conspicuous strong spots, one sale of 52,000 shares representing the last block of stock held by local banks which spoke charge when the company was reorganized two years ago. Current earnings of the company are reported to be at the rate of \$35 a share.

Call money opened at 5 1/2 per cent and advanced to 6 before the close. The time money market was quiet. A large volume of new commercial paper made its way into the market with prime names reported as about evenly divided between 5 and 5 1/2 per cent.

Due to the Easter Monday holiday abroad, trading in the foreign exchanges was quiet, with no important changes in rates. Demand sterling held steady at 4.87 1/2 and French francs hovered between 6.61 and 6.65 cents.

One would imagine that Old Posey, leader of the renegade Utah Indians, is no daisy.

SERVICE BOARD GIVEN CREDIT

Oregon Commission Said to Have Started Natron Cut-Off Operations

John E. Benton, solicitor for the interstate commerce commission, directly credits the Oregon public service commission with getting immediate action on the construction of the Natron cut-off. The Southern Pacific company, through the Central Pacific, has applied to the interstate commission for authority to construct the road.

In a bulletin of the interstate commerce commission dated last March 27, and which has been received by the Oregon commission, Mr. Benton says:

"The Southern Pacific has made the first move towards constructing the Natron cut-off in Oregon. It has caused the Central Pacific to apply to the ICC for a certificate of convenience and necessity. This is the direct result of the Oregon commission's action in the consolidation case, where it opposed the control of the Central by the Southern unless the Southern should be required to build the Natron cut-off, which is vitally necessary for the development of eastern and southern Oregon. As the result of that contest, the Southern Pacific, by formal vote of its directors, made a part of the record, pledged that it would build the extension."

The second round match of F. T. Anderson of Columbia, who lost the title last year to Hunter, with Jack J. Linderman of Montvale, N. J., was again postponed because of Anderson's absence with the Columbia university tennis team on a southern trip.

All the seeded players except Anderson have passed the fourth round successfully.

Champion Hunter Beats Whitlock at Lawn Tennis

NEW YORK, April 2.—Although closely pressed in every game, most of them forced to deuce, F. T. Hunter of New Rochelle, New York, defending champion, today defeated George C. Whitlock of New York, 6-1, 6-3, and advanced to the fourth of the men's national indoor tennis tournament.

The second round match of F. T. Anderson of Columbia, who lost the title last year to Hunter, with Jack J. Linderman of Montvale, N. J., was again postponed because of Anderson's absence with the Columbia university tennis team on a southern trip.

All the seeded players except Anderson have passed the fourth round successfully.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre With Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, you can tell, because it's done so naturally, so evenly. Comparing this mixture, though, home, is messy and troublesome. At little cost you can buy any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just damp a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray has disappeared, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though it disgraces, is a sign of old age, and as we all desire a youthful and attractive appearance, busy at once with "Wyeth's Sage and Sulphur Compound and 100 years younger.—Adv.
