Mrs. Dodd To Give Talk on Egypt at Liberty Theater

Egypt in picture and story will be featured next week when the Salem Women's club will give a benefit entertainment at the Liberty theater. Mrs. Allee H. Dodd will give a talk on the historical and religious aspects of the country where so much interest just now centers around the tombs in Luxor. Mrs. Dodd's talk will be illustrated by slides made from pictures which she herself took there.

The lighter side of the life in ancient Egypt will be shown in the six reel film, "The Loves of the Pharaohs." The entertainment will be given two afternoons and evenings, Wednesday and Thursday, April 11 and 12.

CRESCENT

Mix Cakes Now

for baking hours later!

You can do this with Crescent because of its two leavening agents—Crescent is a powder especially made to wait for oven heat, and then to provide a perfect raise while baking is completed. Certain, and so convenient! At all grocers.

BUSICK'S

Standardized Cash Stores

It has been and will continue to be the policy of this store to try to do "Just a little more" to make the shopping of our patrons as easy as possible. In our new location we have a great deal more floor space with four additional wrapping counters which is the means of saving much time. On the Court street side of the building is a wide paved street free from car tracks where families can park their cars with ease. It is part of our "Superior Service" to load your groceries in your car or to help you in any other way. It is not a matter of just "getting your money" at this store; you must be satisfied with your purchase, you must be satisfied with the way you have been assisted in making your purchases, and you must be satisfied with the prices on our entire stock.

We Quote Prices on Twice as Many Articles as Any Store in the Willamette Valley

This in fact has a great significance, just stop and figure it out for yourself. Some stores advertise a few items at very low prices but they won't tell you the price on the bulk of their stock. Think what it means for a firm to throw practically their whole stock on an open price list; it surely must be reasonably sure of having the very lowest prices in existence to stand the gaff of advertising.

We are sending you this list early in the week so that you can have plenty of time in selecting your grocery needs. In addition to this it will be well for you to watch our advertisements in the local papers.
