

College Women Will Hold Big Conference Here

A conference of Oregon branches of the American Association of University Women will be held in Salem April 21 at which delegates from Eugene, Corvallis and Portland will be guests of the Salem branch. Plans for the national convention of the association to be held in Portland July 16 to 21 will be discussed.

Five delegates from each branch will be present. Those chosen from the local group to represent Salem are Miss Frances M. Richards, president of the Salem branch, Mrs. George H. Alden, Mrs. Carl Gregg Doney, Mrs. Claude A. Downs, and Mrs. Roy Klein. Alternates chosen are Mrs. W. L. Kuser, Mrs. Grover C. Bellinger, Mrs. Luther Chapin, Mrs. C. A. Kells, and Mrs. J. M. Dever.

A Willamette university exhibit will be prepared by the local branch for display at the national convention which is to be held in Portland in July. The exact nature of the exhibit and what it will contain and how it will be presented is to be determined by the committee appointed by the president at the meeting of the association, yesterday.

The exhibit committee is composed of Mrs. Carl Gregg Doney, Mrs. George H. Alden, Mrs. B. F. Franklin, Mrs. Grover C. Bellinger and Mrs. Frederick H. Thompson.

Following the business meeting a program of local and present day interest was given. Miss Kathleen LaRau, sang "Danny Boy" and "For Bilboa." Mrs. Martin Peterson gave a talk on Egyptian lore and biblical history.

The local branch of college and university women desire to interest all women in Salem or vicinity who are eligible for membership and an active campaign will be made between now and the next meeting date for more members.

Miss Richards said last night that many were not sure as to who were eligible for membership and asks all who are in doubt to ask for information.

All women who are graduates of colleges granting Bachelor of Arts degrees are eligible for local membership and those who have had two years work in accredited colleges are admitted to associate membership. A number of colleges and universities in the northwest have been placed on the locally accredited list in the northwest and this makes all graduates of the Oregon Agricultural college eligible for membership. Willamette is also included in this list.

Mileage books have again been placed on sale by the railroads. And then come in good, all right, provided one is going somewhere.

Important To All Women Readers of This Paper

Thousands upon thousands of women have kidney or bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. You may suffer from the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be dependent; it makes any one so.

But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.—Adv.
