Architect's Representative Presents Gymnasium Plans

A representative of Architect
Doyle of Portland, commissioned
to design the new Willamette
gymnasium, was in Salem Tues-
day. He brought down some ad-
ditional ideas for the gym plan
as it had tentatively been agreed
upon, and they are being con-
sidered by the local authorities.
Mr. Doyle himself has been in
New York City for the past two
weeks or more, but is expected
home the first of next week.

Following his return, when he
will bring the results of a care-
ful study of important eastern
gymnasiums, the elevation and
large-scale plans for the new Wil-
lamette structure will be pre-
pared for final approval. Immedi-
ately following, the plans will be
made public, for calling for bids.

northwest colleges have abol-
ished their athletic fences, and have
improved their campus appear-
ance by the removal. Willa-
mette campus could be made into
a thing of real civic beauty, by
the removal of the unsightly fence.

A contract was made this week
for the grading and seeding of the
Lausanne plot, and the establish-
ment of an adequate road to the
south and east of the Hall. This
will add greatly to the appear-
ance of the place.

PROF. CONKLIN TALKS TO CLUB

Drowsy Subject, But Live
Address Featured at Ki-
wanis Luncheon

Prof. Edmund S. Conklin of the
department of psychology, Uni-
versity of Oregon, spoke Tuesday
at the Kiwanis club luncheon, in
place of President Campbell who
was ill and unable to be present
as expected.

Mr. Conklin took up the ques-
tion of "Sleep." The tired feet-

ing that precedes normal sleep
is not a curse but a blessing, he
explained. It is a warning, a
guide, and not a punishment. The
pseudo-scientist who figures that
he can override the laws of na-
ture and dope himself up on hot
coffee or booze or even trip
alone, is only kidding himself
and check the normal
operation of sleep and rest, he
goes just that much farther down
hill and maybe he won't ever
climb back up.

Fred Erixon drew the atten-
dante prize, an order for \$5 given
by "William Blackstone Ford."
Fred turned the cash over to the
Associated Charities for its help-
ful fund.

Kiwanis is now probably in
second place in its standing in
the national attendance contest.

A figure of 98.75 per cent atten-
dance is now in sight if the boys
keep coming as they are doing
now. They even hope to win first
place over all the Kiwanis clubs
of the nation.

The Oregon Glee club appeared
and sang several numbers.

Successful Finances Are Shown by Chamber

Some interesting financial fig-
ures are taken from the last fi-
nancial report of the Salem Cham-
ber of Commerce, covering the
month of March. In 1921 the
March membership receipts were
\$727.54; March 1922 showed
\$853.09, and the March just
closed had \$943.34. This shows
a gain of 9 per cent in two years
from membership receipts alone.
The total disbursements for

the month were \$1,017.53, in-
cluding a payment of \$245.32 on
note and interest on the old club
account. This old debt is being
cut steadily, so that the next few
months should see the club free
of all such obligations. This is
a financial achievement, for the
club owed \$6000 a little more
than a year ago. The club din-
ners have been doing much to
keep up a keen interest. It is
being found that by putting on
the high class spreads that have
been the vogue for the past num-
ber of weeks, and selling it all

CONTINUING OUR POLICY, since moving into our new store, we are sending you this list of groceries so that you may buy early in the week. While it has always been customary with most people to buy the bulk of their groceries on Saturday we ask that, as many as can, get their groceries early in the week. You will get better service and it will be doing our clerks a great favor because after all they are only human. Saturday we were very rushed all day and some of the boys didn't get a chance to eat their lunch until after two o'clock. Some folks had to wait quite awhile to be waited on and we couldn't give the class of service that we like to so if some of you who have cultivated the habit of shopping of Saturday will change to some other day we'll all be happy.

Our wide parking space on the Court Street side affords everyone a chance to park and choose their groceries at ease. You will find price tags on every item and a courteous clerk to help you with your buying, he will then carry your purchases out and put them into the car for you.

Our sanitary store, low prices, convenient display and courteous service forms a combination that has won many thousands of satisfied customers.
