Game and Track Meet Cancelled Due to Rain

Because of the rain Friday night when it looked as if the rain never would let up, the baseball game and general track meet that was scheduled for Saturday between the high school and the Salem Indian school was cancelled. After dinner the sun came out bright and warm, so that the Willamette university track, where the meet was to have been held, was in the best condition of the year, but there was nobody there to play upon it. The meet will probably be set for a later date.

The Willamette university baseball team went down to Eugene Friday for a two-game series with the state university. Heavy rain caused the cancellation of Friday's game, and as the field was still sopping wet the second game was cancelled also.

Silverton High School Wins From Canby Team

SILVERTON, Ore., April 21.—(Special to The Statesman.)—Silverton high school defeated the Canby baseball team at Silverton Friday afternoon with a score of 18 to 0. Every man on the Silverton team made one or more hits and the same number of runs. The Silverton batteries were Welch and Blazer and for Canby were Helms and Barth.

The track meet which was scheduled for Friday afternoon was postponed until next week because of the weather.

Silverton high school will play Independence next Friday.
