

### KIWANIS AFTER BIG ENDEAVORS

Some Things That Salem Needs to Be Object of Club During Year

A committee of five far-sighted, forward-looking members of the Kiwanis club, will report on at least five big, outstanding Salem problems that Kiwanis could consider as worthy its best intensive work for the next year or two, and then the Club will vote to adopt at least one of these subjects as a definite goal for its endeavors.

The carrying of the recent school bond election was characterized by Rev. Ward Willis Long yesterday as a triumph for the things that Kiwanis stands for, though he said that the movement had the same endorsement and support from all clubs of like nature. He proposed that the Club should adopt some big, worth-while development plan, and the appointment of a shifting committee to pick out these big things was the result of his address.

The Salem Ladies Double quartette favored the audience with two delightful selections, that were heartily applauded. Then the club itself sang some of its Kiwanis songs.

The attendance prize for the day, a fine carving set, the gift of Kiwanian Doughton, was first drawn by Herb Stiff, but he waived his claim on the ground that he had been too lucky in the past, and it went to Elmo White on the second drawing. The whole club accepted his invitation to dine with the Whites and test the new cutlery.

### Stamey Brothers to Build New Laundry at Silvertown

SILVERTOWN, Or., April 26.—(Special to The Statesman.)—Silvertown is to have a new laundry. It will be built by the Stamey Brothers, who now own the Silvertown laundry. It is to be of concrete and steel and will measure 40 by 72 feet. The location of the new laundry will be on Jersey street beside the old one. New and modern equipment, including a larger boiler and new ironer, is to be installed. It is expected that the new building will be completed by the middle of June.

### SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out...

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.—Adv.
