BATTERY AIDED BY INSPECTION

H. S. Strutidge of Western Auto Supply Company Has Word to Say

"When the battery in a car gives the owner trouble it is usually a safe bet that the owner has not given it the proper attention and care," says H. S. Strutidge, local manager of the Western Auto Supply company.

"We have made it a point in our electric department to remind the motorist of the care of his battery, and ask him if he has tested it lately and advise him as to the general care of this important unit."

SPEED CONTROLLED BY THROTTLE ALONE

Local Federal Dealer Shows How More Tire Mileage May Be Secured

Among other factors, proper throttle control contributes to the extended life of tires, according to Walter Zosel, local Federal tire dealer.

"The more careful driver never locks his wheels except in an emergency, and he is repaid by much longer tire mileage."

Wants a Letter Dear Sir.—I am writing to you this letter and would like to know if you would put my name and address in your good paper. I am a very lonely soldier over here in Honolulu, and would like to correspond with some nice people. Would you kindly put the following verse in, and then my name and address at the bottom of the letter.

Out on a South Sea Island, Beside a rough old bay, There's a soldier a-waiting, For three years to roll away; So won't some girl send him a letter To make his time more gay.
