Salem Kiwanis Club Is Still Second in Race

According to the latest tele-graphic service from the seat of war, the Salem Kiwanis club isn't yet the victor in the international contest. With the reports in for the eighth meeting, the Woodland club of Chicago seems to lead by 1-10 of one per cent. If they hold up to 10 per cent for the 31st and 10th meetings, they will still hold their microscopic lead. But

if they should stumble the very least bit—even one man—and Salem has just one more 100 per cent meeting next Thursday, Salem will win. At the worst, Salem will be second.

The Kiwanians are to feed themselves on a turkey dinner Tuesday, as a mark of their own satisfaction with themselves. On Thursday night the Rotary club pass them the debt it owes for the attendance contest between the two clubs.
