GRANTS PASS, Ore., May 26.—The body of John Samuel Peck of Dallas, Ore., was picked up in the nets of local fishermen last night on the lower Rogue river. The body had apparently been in the water for several weeks.

Gold can buy houses, jewels, paintings and tapestries; but it cannot confer culture on the possessor. A rustic in a palace, though it be his own, is still a rustic.

RATHBUN EMPLOYED AS COACH AT W. U.

A definite contract has been entered into between Willamette university and Guy L. Rathbun now of Corvallis, for him to come to Salem as professor of physical education in the university. His work will begin with the fall term of the university the middle of September.

Another contract has been made for Mrs. Aletha Rathbun to take charge of the physical work for women in the university, her services to begin at the same time as her husband's.

Coach Rathbun has been assistant professor of physical education at OAC for three years, and has had the special assignment of wrestling coach and assistant in football. At Indiana State university, under Coach "Jumbo" Stiehm, he was head coach of track, baseball, swimming, wrestling, basketball, and in charge of physical training. He has been physical instructor for 17 years, in YMCA, high school, and college work. He has 28 district, state and national championships for his teams.

As wrestling coach at OAC, he has developed men who have beaten the best in the United States. Robin Reed, national amateur 135 and 145 pound wrestler, is one of his boys. They have cleaned up the whole northwest with their wrestling teams, year after year.

Mrs. Rathbun has a family of four children. She was a college and high school physical instructor before her marriage, and comes with the highest recommendation as a physical director for women. She is a choir and solo singer, and a good "fellow" whose influence with the college girls is expected to be of supreme value. The family has been affiliated with the Presbyterian church.

Since the announcement that Coach Roy Bohler would not consider a return to Willamette, the Rathbun friends have been active in his behalf. His recommendations have been so uniformly excellent, and his personal acquaintance through his athletics at a near-by town, that he has been always a prominent figure in the negotiations for a new coach.

With the official announcement that a contract has been agreed upon, Willamette will know exactly what to hope for and boast about in getting ready for next year's activities. There is a fine lot of good athletic material already partly developed through the indefatigable efforts of Coach Bohler.

Baseball's Highest Paid Bat-Boys Now Shortstop

ST. LOUIS, May 26.—The development of Howard Freigau as the St. Louis Nationals' regular shortstop is one of the chief topics of discussion in fandom. Freigau, who served as a bat boy part of last season, is regarded as one of the most promising recruits to come up in the majors here in years.

He is but 20 years old. His hitting has been timely, and his defensive play has been described as spectacular.

He was born at Dayton, Ohio, and signed by the Cardinals while attending college. He was turned over to the Syracuse Nationals, but was recalled late last season. Not being in the line-up, he voluntarily handled the bats and was referred to as the "highest paid bat-boy" in baseball.

This season he has been placed regularly at short because of the incapacitation of John Lavan by illness.

Public Invited to Attend Commencement, Chemawa

A general and personal invitation is extended to the public to attend the graduating week exercises at the Salem Indian school this week. This afternoon a review and dress parade will be held on the campus, and in the evening the Rev. Blaine E. Kirkpatrick of Salem will deliver the annual baccalaureate address. There will be athletic programs Monday and Tuesday afternoons, and both these evenings the annual play will be presented, especially for the benefit of the public. The commencement services are to be held Wednesday night with Governor Walter M. Pierce to deliver the diplomas and make the principal address.

During the afternoon the school will be open for a general inspection of the buildings and the results achieved from the year's work.

Jackson, son, joined with Mrs. Jackson in the petition which alleges that Jackson had been in ill health for some time and is incapable of attending to his business affairs.

BEARCATS WIN TRACK MEET

Willamette Cleans Up On Pacific and Three Other College Teams

The Willamette Bearcats took a sweet and complete revenge on Pacific Saturday, at the non-conference track and field meet at McMinnville by winning the meet with a total score of 63 points. Pacific, the next highest of the five colleges, represented, could accumulate only 54 points. Linfield had 19 1-2 points, Columbia university of Portland 18 1-2 and Albany college 3 points for one second place.

The Bearcats, having already won the meet by a safe margin did not enter a team in the mile relay, which was won by Pacific. Willamette had lost this same event to Pacific at their recent dual meet, by a fluke and a very narrow margin. It was about an even chance that Willamette could have run Pacific to a tie, or a defeat. But it was decided to forego this event and come home with the big victory already won.

Logan of Willamette did some wonderful running in the distance, taking first in the one and two-mile events. He and Laird, his teammate fairly killed off Black, the Pacific distance star, taking both first and second. The Willamette sprinters did not fare well. There have been no real sprinters in Willamette this year—but from the quarter up its cardinal and gold runners have showed high quality.

Stolzheise of Willamette walked the husky Wes Schulmerick of Columbia in the shot-put, and the discus events. He lost first in the javelin throw, to Emerson of Pacific.

Strevey of Willamette took first in the broad jump at 20 feet, 11 3-4 inches. Logan took the high jump in good form and Jack Vinson first in the pole vault.

Wright of Willamette ran a beautiful dead heat with Bennett of Pacific in the freshman half-mile. The black haired Bearcat freshman is one of the most promising runners that Willamette has had in years.

This victory puts Willamette well out in front of all the smaller Oregon colleges, for field and track work, and wipes out several other kinds of stings for the year just closing. It is the last athletic event of the year, save a baseball game with Chemawa, early this week.

Dutch Tasto Wins Third Orange O at Corvallis

Oregon Agricultural College OREGON AGRICULTURAL COLLEGE, Corvallis, May 26.—Hilbert C. "Dutch" Tasto, of Salem, senior in commerce at the college, has won his third orange "O" as a member of this year's baseball team. He played third base during his years on the team. His brilliant stops of hard hit grounders around the torrid corner have earned him a place in the esteem of the Aggie fans. He is a member of Sigma Alpha Epsilon.

WAR IN EAST AGAIN AVERTED

(Continued from page 1)

Horace Rumbold, Great Britain and General Pella, France, solemnly appealed to Ismet Pasha, head of the Turkish delegation to waive all claims to cash indemnities and accept the offer of Karagatch.

Mr. Grew, who until early in the morning had conferred with

Ismet Pasha and M. Venizelos counselling moderation, added America's voice to that of Europe. Mr. Grew pointed out that both Greece and Turkey had been engaged in a long struggle and both were confronted with problems of internal organization demanding self-controlled statesmanship.

The settlement followed a long debate, after which Ismet Pasha and M. Venizelos shook hands and sat down and chatted in the most friendly manner.
