NEW YORK, May 28.—(National.)—Brooklyn today broke the winning streak of the New York Nationals, after the world's champions had won eight straight games, taking first of a four-game series, 8 to 7. Brooklyn drove out Bentley and won the game with four runs in the seventh, scoring on three bases on balls, an error by Frisch, and three hits, one a triple, by Johnston. O'Connell, New York's expensive outfielder recruit, hit his second home run in successive games.

SENATORS DEFEAT DONALD BALL CLUB

Good Support Given Frink, Salem Pitcher - Error Costly for Visitors

The Salem Senators defeated the Donald baseball club Sunday at Oxford field by a score of 5 to 3. Frink pitched for the Senators and was well backed up in the field. Not as good support was given the Donald pitcher who was imported for the game from Portland.

A feature of the game was a home run by Reinhart. Keene played first base in the absence of Rex Adolph.

The game was probably won by the Senators in the sixth inning when two runs were brought in, one of the Donald outfielders dropping a fly.

The Fulton Athletic club team of Portland will be here for a game with the Senators tomorrow afternoon, Memorial day. The game will start at 3 o'clock. Young of OAC will pitch for the Senators and Jones will catch. Houser will umpire.

CHEMAWA BRAVES DEFEAT BEARCATS

Last Game of Season Lost By University—Ninth Inning Rally Does it

Willamette lost the very last athletic chance of the year when the Chemawa Indians made a last-inning rally and put over three runs in the baseball game that closes the season for both. The score was 4 to 3.

Willamette got two runs in the first inning, and one in the second, and the Indians didn't score until the eighth when they picked up one lonely little tally. But in the ninth the Braves began to hit the ball and they counted three more.

Isham pitched for Willamette, succeeding remarkably well until the last inning. The Indians hit the ball frequently enough, but exceptionally good fielding on the part of the Bearcats held them scoreless until the last frame. Phinney for the Indians pitched a good game after the first unlucky inning.

SALEM HIGH WINS STATE BALL TITLE

All Twelve Interscholastic Games Played Are Won By Local Team

Salem high school claims the baseball championship of the state in the interscholastic department on its record for 1923, just closed.

The team has played 15 games, 12 of them within its own range of scholastic classification. Of these 12 the locals have won every game, some of them by runaway scores, and only one of them really close, that being the same with Newberg, 2 to 1.

The total score for the season has been 146 runs for Salem, to 47 for all opponents, this being just barely less than 10 runs average per game, while the opposition scored less than one-third as many. It is a unique record that is believed has no counterpart in school annals of the year.

Gresham high school claims a champion team on the score of not having lost a single game. Just what the record is, as to the number of games and the quality of competition, is not here known, but it is not believed that it approaches the Salem record for number or quality, even though it is a clean and unanimous record of victories. Salem is trying desperately to get a game with this Gresham aggregation, offering to play any time, any place, any way, and settle the championship beyond a doubt.

Columbia university of Portland has added two more grades to its course of study, taking it out of the high school class, so the game that Columbia wanted with Salem cannot be played without the locals automatically cancelling their membership in the interscholastic league. This they will not do.

Coach Huntington says that the team for next year, while losing the three phenomons—Adolph, Jones and Reinhart, and Pitcher Ellis—will continue to be strong. There are so many good men coming along that there will be no trouble in putting out a winning team for next year.

Salem has been the runner-up in baseball for two years. This year the local title seems to be clear for the first place. The locals were right near the top in football and also in basketball.

Coach Huntington looks for a star year for his boys in 1923-24, in all branches of interscholastic sport. There is some exceptional material coming up this year from the junior high schools as well as from the general increase in enrollment from outside schools.

Corvallis Wins Cup in Tri-City Golf Tourney

In the final games of the Salem-Eugene-Corvallis golf tournament the Salem players again came out behind both the other teams at the Ilabee links Sunday. The result was the same at Corvallis two weeks ago and at Eugene a week ago.

The silver trophy cup was won by the Corvallis players, who won both at Corvallis and Eugene. Few of the local players won their matches Sunday. Twenty men were on each team.

The Salem team cup was won by Erel Kay.

FOREIGN WAR VETS TO MARCH

Delegates to State Encampment Elected at Meeting Last Night

Marion Post No. 661, Veterans of Foreign Wars, at a special meeting held at the armory last night, made final arrangements for participation in the Memorial day parade and exercises. A committee was appointed to place a flag on the grave of each World War veteran in the cemeteries.

The organization, led by Commander Allan Carson, will march in the Memorial day parade and the commander requests that each veteran wear an overseas cap, which will be the distinguishing mark of the order.

Carle Abrams, Henry O. Miller, Chris J. Kowitz, William W. Smith, and Allen Jones were elected delegates to the state encampment of the organization which will be held at Lebanon June 6 and 7. Besides these delegates the post will be represented by Department Commander Bolton Hamble, Department Adjutant Frank Sever, Department Quartermaster Benjamin F. Forbes, C. F. Hageman, of the council of adj-

ministration, and Post Commander Allan Carson, who will be ex-officio delegates.

At the encampment held last year in Corvallis the post had four of its members elected to state offices. It does not expect to do as well this year, but does anticipate having a large say in the proceedings of the convention.

RESERVES THREATENED

ALMOGORDO, N. M., May 28. Timber reserves in the Sacramento mountain district, 20 miles from here and 100 miles from El Paso today were threatened by a forest fire which began last night.

Twenty men were engaged all day in fighting the flames. One hundred additional fire fighters were called for later in the day.

Zey won the Kentucky derby. Judging by the name he must have been one of the "short" horses.
