MILTON VICTORIOUS ON
MEMORIAL DAY AT
INDIANAPOLIS RACES

INDIANAPOLIS, Ind., May 30.—(By Associated Press.)—Tommy Milton of St. Paul, Minn., achieved the ambition of his brilliant racing career today, when for the second time he won the 500-mile automobile race over the Indianapolis motor speedway, repeating his victory of 1921 before a crowd of 150,000 spectators. It was the greatest throng that ever witnessed a sporting event in America.

Milton's time for the 500 miles was 5:28:06.27, giving him an average speed of 91.4 miles an hour as compared with the record breaking speed of 94.48 made a year ago. Harry Hartz of Los Angeles, who finished second in the 1922 race, thundered across the finishing line five miles behind Milton, while Jimmy Murphy, winner of the 1922 race was third, about 13 miles behind Hartz. Hartz' time was 5:33:05.90 for an average of 90.06 miles an hour. Murphy finished in 5:40:36.64 for an average speed of 88.08 miles an hour. Fourth place honors went to the veteran Earl Cooper, while L. L. Corum of Indianapolis provided one of the mechanical surprises of the race by piloting a specially built "flier" into fifth place. Frank Elliott, a California driver, finished sixth and Eddie Hearne seventh. Max Sailer, one of the three German entries was eighth. Prince de Cystrin's French entry, ninth, and Phil Shafter, driving an Indianapolis machine, tenth. Christian Werner, another of the German entries, finished eleventh, just outside of the prize money.

Two Accidents Occur
Eight of the 11 survivors were American creations, two were German and one was French. Four of the French machines were eliminated because of motor trouble and the third German entry was wrecked in a smashup. The race resulted in two serious accidents, in which three school boy spectators from La Fayette, Ind., were injured, one fatally. Christian Lautenschlager, a German entry, crashed into the concrete retaining wall on his 15th lap, but escaped death although his machine was wrecked. Jacob Krauss, his mechanic, was taken to the field hospital but his injuries were not so serious as first reported. Krauss was the only mechanic in the race, as all other racers drove alone.

Racer Kills Boy
Tom Alley of Indianapolis, a veteran racer, was in the second smashup of the day. In attempting to pass a car on the south-west turn of the track, while speeding nearly 100 miles an hour, Alley's car skidded, overturned and crashed through a fence, seriously injuring Herbert Shoup, 16 of La Fayette, who suffered a skull fracture at the base of the brain and died at a hospital here tonight.

Shoup's two companions, Charles Elliott and William Goetz, also were so badly injured that they were taken to a hospital. Alley, who was driving as relief for Earl Cooper at the time of the accident, suffered a broken left arm, cuts about the head and body, and a possible skull fracture. He was thrown some distance.

tance from the speeding car after it turned over. When Alley regained consciousness he said his accelerator stuck and he was unable to control the machine.

CHICAGO MAYOR
MAY BAR BOXING

Riots After Mitchell-Leonard Bout Held Responsible for Action

CHICAGO, May 30.—Although Mayor William E. Dever today refused to confirm reports that he will permit no more boxing matches in Chicago, close friends of the mayor predicted that the riot which followed a boxing exhibition last night would mean the end of such bouts in Chicago. The boxing show ended in riot when Richie Mitchell, brother of Pinkie Mitchell attacked Referee Dave Miller after Benny Leonard, world's lightweight champion, had scored a technical knockout over Pinkie in the tenth round. From Springfield today came reports that if the boxing bill which was passed by the public yesterday ever had a chance in the senate that chance was eliminated by last night's riot. One senate leader who had not taken a definite stand on the bill said today that he thought that "the boxing game is done." He said that he would not vote for the bill either at this or the next session of the legislature.

Beavers Put Up Miserable Exhibition and Drop Back to Third Place

PORTLAND, Ore., May 30.—Portland lost two miserably played ball games to Sacramento today by scores of 9 to 3 and 10 to 7 in 11 innings. In both games the Beavers blew up and gave frightful exhibitions.

In the morning game Portland had a 3 to 2 lead at the opening of the ninth but hits and errors accounted for a seven run rally by the Sacramento. In the afternoon a four run lead in the 3rd was nullified by poor fielding and worse pitching.

Crumpler, the fourth pitcher to work for the Beavers, in the 11th forced in Sacramento's winning run with a base on balls.
