Miss Ruth Schultz will be married today in Spokane to Whitney Gill, former Salem man, now located in Anaconda, Mont. Miss Schultz and her mother, Mrs. H. C. Schultz, left Sunday for Spokane where they will meet Mr. Gill. They were accompanied by his brother and sister-in-law, Mr. and Mrs. Harry Gill of Portland. Miss Schultz is one of the popular members of the younger set in Salem and has been employed for some time at the Oregon Growers office. During the war she served as yeomanette in the Bremerton Navy yards. She later attended the Oregon Agricultural college as one of the few women entitled to the educational

aid for service men and women. She is a member of Kappa Alpha Theta.

Miss Schultz has been the inspiration for a number of delightfully informal affairs during the last few weeks.

Mr. Gill who was graduated from the Oregon Agricultural college in 1921, is now employed in the offices of the Anaconda Copper Mining company. He is a member of Phi Delta Theta and was prominent in college activities during his college course, being active especially in athletics.

The young couple will make their home in Anaconda at the Alpine apartments.

Miss Edith Pierce, freshman at the University of Oregon, and a daughter of Governor and Mrs. Walter M. Pierce, unveiled the service memorial accepted Friday by the class of 1923 from the Oregon Agricultural college. Avard Fairbanks, professor of sculpture at the university, created the memorial on the commission of the class of 1923. It is dedicated to the OAC men who gave their lives in the service.

A committee from the class of 1923 at the Oregon Agricultural college, went down to Eugene Friday and formally accepted the memorial. Governor Pierce addressed the guests who were present at a studio tea and at the same time he accepted for the governor's office a small replica of the tablet which stands seven feet high.

Mrs. O. S. Victor and daughter, Miss Maimi Victor, have just returned from a six weeks visit in Southern California. They were guests of relatives and friends. Most of the time was passed in San Diego, San Pedro, Long Beach and Los Angeles.

Miss Esther Sneed was hostess for a delightful party Friday evening at her home near Auburn. The guests enjoyed outdoor games and music. The hostess served a dainty supper later in the evening.

The guests included Jewel, Elkk, Violet Coe, Mildred Drake, Marjorie Brown, Grace Jasper, Clara Smith, Esther Sneed, Joe, Nee, Marie Boney, Arthur Boney, Leroy Walker, Fred Blake, H. Mickie and Morris Merrel.

Honoring the birthdays of Mrs. Blaine E. Kirkpatrick and Miss Mae Hale, Mrs. A. E. Hale of 585 Marion street, entertained with a chicken dinner Friday evening. The invited guests were Rev. and Mrs. Blaine E. Kirkpatrick and children Truman and Mary Esther; Miss Martha Hawsey and Mr. and Mrs. H. F. Shanks.

Grand Army Men Gratified at Success of Memorial Day Observance

To officers and members of Sedgewick post, G. A. R.

Your committee on Memorial day begs leave to submit our final report. We have carried out the wishes of the post to the best of our ability, and feel highly gratified in results.

We planned and carried out several new departures to what has been practiced heretofore. It has been the general desire on the part of Sedgewick post to have other military and patriotic organizations take a more personal leadership in Memorial day, and it was known to this committee that they were only too glad and ready to do so if a way was opened to them. So your committee set apart special work to be managed entirely by these organizations, either in full or in part, and results were most gratifying.

The placing of the flags on the graves of our departed comrades was placed in the hands of the Sons of Veterans and the Daughters of Veterans, under the supervision of Comrade Wilson and Comrade Harris, and every cemetery was visited and markers and flags placed on the graves of the departed; and it would be an added interest of the Spanish American War Veterans and the American Legion would adopt some kind of a marker so a flag could be placed on their comrades' graves.

The getting up of a parade for the afternoon of Memorial day was placed in the hands of the Spanish War Veterans, the American Legion and Company F, assisted by Sons of Veterans, who, through their committees, planned and carried out one of the largest and best equipped parades Salem has had for years. None of our committee found it necessary to meet with them or suggest any part of their plans, and fully justifies our hopes that this work be given over to them, and they have shown that they are ready to assume the responsibility.

Their committees visited the schools and state institutions, and it is gratifying that the city superintendent and all the principals gave their hearty support. There were a number of individual and collective efforts to make the day a glorious success, both for the parade and our services at the armory that should be specially noted, yet the services were given with such good will and a patriotic desire to serve that we think best not to specialize.

However, we must note the splendid service of the custodian of the armory and his aides in arranging the armory without cost to your committee.

The general interest in the day was splendidly manifested in voluntary services by the owners of automobiles, both in the morning and afternoon, and an increasing interest was manifested in the beautifying and decorating of all the cemeteries, as well as the individual lots.

The address by Governor Walter M. Pierce was a masterly effort, full of good helpful thoughts to cheer a group of Grand Army men, and fully in sympathy with the spirit of Memorial day, and we trust, appreciated by all present.

Governor Wants Uniforms On Training School Boys

At the meeting of the state board of control Saturday Governor Pierce requested L. M. Gilbert, superintendent of the state training school for boys, if possible to procure uniforms for the boys in the institution. The governor said there is a sufficient amount of cloth at the state penitentiary for

the purpose if it can be dyed a blue color satisfactorily. The governor said he had seen the training school boys in the Memorial day parade and the Indian boys at the Chemawa school in their uniforms Wednesday night, and that the wards of the state suffered by the comparison because of lack of uniforms.

Revocation of Licenses Urged

Ministers Would Penalize Pool Hall Men Who Allow Minors in Places

The Salem Ministerial union yesterday adopted a resolution addressed to the mayor and council, declaring their conviction that operators of pool halls who plead guilty to or are found guilty of allowing minors in their places of business should have their licenses revoked by the city council. The resolution follows:

"Whereas, the mayor and the common council are invested with authority to revoke the licenses of operators of pool halls who are found guilty of violation of the law with respect to minors, and

"Whereas, these aforesaid pool hall operators are fully cognizant of the law in this respect, and

"Whereas, the moral well being of the youth of our city, which is of fundamental and paramount interest to every public-minded citizen, is seriously jeopardized by such law violations, be it

Resolved, that we express it as our conviction and belief that owners and operators of pool halls who plead guilty to, or are found guilty of, the violation of said laws with respect to minors, have thereby demonstrated their unfitness to hold such license, and should therefore have such license immediately revoked."

Farmers in the Middle West are likely to get a good price for the wheat they raise this season. In Kansas, Nebraska and the Northwest thousands of acres usually devoted to wheat have been agandoned and other crops put in. In addition, the usual crop troubles are also ahead. The law of supply and demand is certain to mean better figures for those who do raise wheat.
